NAVAL NEWS NOTES.

Admiral Terry has been advised that the French bark Pierre Loti sailed from Cardiff for Honolulu with 2,922 tons of coal for the Naval Station. The date of her departure was not given.

A number of recruits for the Naval service are being enlisted by Captain Niblack at the Naval Station.

The cruiser Buffalo may arrive from Guam and Manila today.

Captain Niblack and Lieutenant Slattery went to Pearl Harbor yesterday to locate range beacons for the channel.

MUST KISS, NOT SHAKE, HAND Pope Weary of Foreigners Who Are Ignorant of Ceremony.

Foreigners who come to Rome and obtain an audience with the Pope will hereafter be instructed beforehand as to the ceremonial to be observed in the Pope's presence. It has been observed that many visitors when Pius X. offers them his right hand to be kissed, instead of preforming this act of reverence shake hands, just as General Grant is said to have done when received by Pius IX.

In such cases the visitors are not Catholics, and it is in order to prevent this breach of etiquette at the papal audiences that instruction will be given.

SO DO OTHER HUSBANDS. Jiggs—My wife talks to herself all the time. Riggs—Is that so? I wish mine would.—Detroit Free Press.

AS EXPLAINED. "How did he manage to do that?" asked the girl in the balcony as the comedian struck a match on his whiskers. "Oh, that's dead easy," answered her.

THE ADVANTAGES CEMENT ROOFING

POSSESSES OVER Tin, Iron and Steel Roofing IT CANNOT RUST.

Gases, fumes, moisture, coal soot and smoke cannot injure or effect cement roofing.

It is better adapted for application over uneven surfaces, such as old shingles or metal roofs, obviating the expense of removing the same. It will not rattle from wind and storm, nor create any noise from rain falling upon it. The materials used in cement roofing are the best non-conductors of heat and cold known, therefore it will keep the building warmer in winter and cooler in summer than a metal roof.

Samples and full particulars mailed on request.

FOR THE INDIGENT SICK.

Honolulu, Hawaii, May 11, 1904. To the Public: The last Legislature having failed to provide funds for the maintenance of the Government Dispensary or provide medicines or supplies therefor, and also having failed to provide for a Government Physician for the District of Honolulu, the undersigned physicians have mutually agreed to render their services free of charge for the care of the indigent sick and helpless through the Dispensary until July 1st, 1905, or until the Legislature meets and otherwise provides.

The necessity of this step is disclosed by the fact of there having been 366 treatments at the Dispensary and 62 outside visits in the month of April. There will be an increase of calls upon the Dispensary. To meet expenses \$125 per month will be required. We believe the object will appeal to the charitable and the funds be voluntarily forthcoming.

Contributions may be handed to the undersigned physicians, or forwarded to the President of the Board of Health.

AN AMERICAN DUCHESS WHO ENTERTAINED THE BRITISH KING IN IRELAND

American money again figures in British social successes. The estates of the Duke of Manchester in Ireland, were made ready for the visit of King Edward and Queen Alexandra at an expense of over \$100,000. The bills were paid by Eugene Zimmerman of Cincinnati, whose daughter married the Duke.
