### IS NOT A KAHUNA.

EDITOR STAR: I saw in your last issue that "Lucinda Ballou was taken to the Queen's Hospital and that she was suffering for lack of proper medical attendance." This statement is incorrect and anyone reading it might think that the doctor did not know what to do or how to care properly of a case like her's. The truth is this: She was confined about a week ago and I was called later to give her assistance for what she is suffering now; as I found out this morning that they could not carry on my prescriptions at home I advised her people to take her to the Hospital where she could be better nursed. You must know that I am not a kahuna but a graduate cum laude of one of the best medical schools of Europe and my special training, as interne of the hospital was on female diseases and confinement cases.

### THE RUSSIAN DEATH AT NANSHAN

Washington, June 12, 1904.  
Received at 1:35 p. m.  
To Japanese Consul Honolulu.  
General Oku reports that the Russian corpses which were left afloat at Nanshan and its vicinity and were found and carefully buried by the Japanese military administration committees and gendarmes number 19 officers and 664 men; besides about 30 Russian corpses were already found and buried by our troops, at the neighborhood of our camps.  
TAKAHIRA.

Part I of the World's Fair Art Portfolios will be ready next Saturday at Star office. Ten cents to readers of this paper.

### ENGINES IN COLLISION.

A collision occurred yesterday afternoon between the train to Pearl city and an engine of Honolulu plantation, which was crossing the Oahu Railway track. Both engines were derailed and the Oahu Railway company's engine was considerably damaged. No one was injured. A train was sent from Pearl city to carry the delayed passengers the rest of the journey.

Twenty-five cents pays for a Want ad in the Star. A bargain.
