Annual Remnant Sale

What to do with remnants is a problem every large store has to face once a year.

From all parts of the store we have gathered up the short ends of Organdies, Lawns, Batistes, Dimities, Ginghams, Zephyrs, Chambrays, Voiles, Etamines, Flannels, Flannelets, Woolen Dress Goods of all kinds, Silks, Silk Mulls, Sheeting Denims, Silkolines, Cretonnes, Curtain-Swiss, Table Linen and in fact all odds and ends which have accumulated in the past year.

Prices scarcely matter. Anything that will sell the goods is the right price. Sometimes it is 10c. for the stuff originally 65c., but never mind that!

Early comers of course get first selection, so just remember that the sale begins at 8 o'clock Monday morning.

By direction of the Executive Committee of the Board of Trustees of the Queen's Hospital, I will offer at public auction a leasehold of the Land of Kawahae 2d, Kohala, Hawaii, on Monday, September 19, 1904, at my sales-rooms, in Kaunahonu street, Honolulu, at 12 o'clock noon.

This property comprises one of the most desirable grazing tracts of the District and the source of the Keawenui stream, an unfailing water supply, is located on the upper or mauka portion of the property which is considered the best fattening land in the neighborhood.

The property extends from a point near Kawahae Landing to the mountain known as Kaumu o Kalehoohie, a distance of about eight miles, varying in width from one to two miles.

At Kawahae there is on the property, adjoining the Parker place, a very desirable House lot.

The area of this land is 10,600 Acres, more or less. The purchaser will be required under the terms of the lease to fence the forest portion of the property in the vicinity of the water heads or source of the Keawenui stream, and otherwise provide for the exclusion of cattle from the forest portion by the erection of a five-wire fence so constructed to keep the cattle out.

Lessee must also keep down the lantana on the property. No live timber to be cut on the forest portion except for fence posts to be used on the ground, and the cutting of algaroba on the lower portion must be confined to thinning out and trimming.

Upset price for 10 year term, \$2500.00 per annum, payable quarterly in advance.

A Map of the property is now posted at my salesroom.

GOVERNOR PEABODY OF COLORADO.

Governor Peabody of Colorado, as the head of the state militia, is responsible for the policy which is being carried out of summarily deporting union miners from the Cripple Creek district. The governor's actions are attracting wide attention, being unprecedented in American history, and political capital is being made out of them. Peabody says deportation is necessary for the restoration of peace, the union miners being in the position of having declared war on the United States.

PORTUGUESE FOR MEXICO

J. J. Souza, a grocer of Kakaako, is in a scheme to induce Portuguese to emigrate to Mexico. He is maintaining secrecy about the details of the emigration and refuses to disclose the destination in Mexico. He does not state the character of business in which they are to engage.

Souza claimed to have 300 Portuguese who have promised to sign an agreement to leave Honolulu and go to the new place where they will be given work. He states that he is anxious to get 500 men to sign the agreement. He thinks he will be able to get this number without much trouble. He intends to leave Honolulu in the course of a month and visit the mysterious haven and investigate the character of the place. If he finds it satisfactory he will advise his people to follow him.

THE DEMOCRATS

THE TERRITORIAL CONVENTION TO BE HELD NEXT MONDAY IN HONOLULU, AT THE ORPHEUM THEATER--A CHANCE THAT DELIBERATIONS OF THE PARTY WILL PROVE VERY LIVELY.

Democratic politics are warming up very rapidly. The caucus of the Fourth District delegates last night scared the Dove of Peace so badly that she flew far away and cannot be coaxed back today. Harmony is the watchword, but it does not enable some of the candidates to pass the line, for there seems likely to be a fight in the convention on Monday.

The selection of A. A. Wilder for permanent chairman will probably meet with general approval, but over the choice of J. L. Coke of Maui for temporary chairman, there seems likely to be some discord. F. J. Testa was favorably endorsed for this position by the members of the Fifth District delegation, but there is the strongest sort of opposition to Testa. Coke appears to have the best of the argument, but it is possible that a compromise candidate may be selected. There will probably be no fight over any of the other officers nor is there likely to be any wrangle over the appointment of various committees.

Iauka will have a walkover apparently for nomination as delegate to Congress.

The platform for the coming campaign is to be adopted and a new central committee will be chosen. There seems likely to be no contest over positions on this committee. Some of the prominent leaders will not be seen on the new committee. Col. C. J. McCarthy who has always been identified with the Democratic party, has declined to serve on this committee.

The Hawaii and Maui delegates arrived today on the steamer Kinahu. The Kauai delegates are expected to reach Honolulu by the steamer W. G. Hall tomorrow.

FAXON BISHOP READY TO RUN

A rumor that Faxon Bishop was intending to retire from politics and refuse a nomination for the Senate even if it were offered to him somehow gained currency last evening, but as may have been expected it was in exact reverse of the truth. In political parlance Bishop is "in the hands of his friends" and those friends have every intention of putting his name in nomination. Not only this, but it is extremely probable that he will act as treasurer for the Republican campaign as well.

"Bishop will certainly not refuse a nomination," said Governor Carter this morning, "and it seems pretty certain that he will act as treasurer if he should be asked. A better man for treasurer could not be found as his high standing with the business community would commend him to all classes."

It is believed the right man can be readily secured. Architect Richley has already made drawings of a proposed hotel building, to be located on Bee's Island, which contemplates beautiful grounds and driveway through Riverside Park.

WILD RUMORS OF A SUICIDE

SENSATIONAL REPORT WHICH PROVED TO BE A JOKE WHEN RUN DOWN.

There was excitement out at Waikiki last evening over the story that E. S. Boyd, formerly Land Commissioner, had committed suicide. The troubles of Boyd have been pretty well aired recently and this gave color to the rumors. He is at present waiting trial on the charge of appropriating government funds and yesterday he was in the police court on a charge of having assaulted his wife, a charge to which he pleaded guilty and got off on suspended sentence.

When he went home yesterday afternoon he announced his intention of ending his earthly troubles, but he had previously made similar announcements and no notice was taken of his threats. Early in the evening, however, one of the children found Boyd in his room groaning, and shortly after assistance had been summoned he, to all appearances, gave up the ghost. The Moana Hotel was telephoned and among others who went over to the Boyd house was Dr. Murray. An examination showed at once that the corpse was very much alive. Its heart was beating regularly and its pulse was strong, but still it refused to come to life again. Ordinary methods failing, the medicine man turned to more drastic remedies. He saturated a handkerchief with ammonia and applied it to the corpse's nostrils. Then "Pat Malone forgot that he was dead," Boyd came to life again immediately and explained that it was all a joke he was playing on his wife. This rare gift of humor having been thoroughly explained the sympathetic neighbors withdrew and prayers for the dead were cancelled.

The report of a suicide was generally current in Honolulu this morning.

Boyd was about town as usual today and was strenuous in his denials of the current story. He says that he did not attempt suicide, nor did he feign death in order to fool his wife. His unconsciousness, he avers, was genuine having been brought on through the mental distress occasioned him by his brother-in-law's action in causing his arrest over a little family row which would have been easily settled but for outside interference.

IS KEOHOKALOLE COMING BACK?

REPORTS REGARDING THE MOVEMENTS OF DELEGATE KUHIO'S FORMER SECRETARY.

Morris Keohokalole, former secretary to Delegate to Congress Kalaniana'ole, is said to be in Utah, where he has some relatives. One report is that he is on his way home and this is believed to be true, though some of his friends declare that he will never return to Honolulu. Morris has so far repudiated all plans to get him back. He is now said to be about to become a political issue, the Democrats having intention to inject him into the campaign and use his troubles to create opposition to Cupid. The result is likely to be some very spicy disclosures about Morris' Washington career.

Some months ago, when Keohokalole's plight first became known here, a number of his friends raised \$200 for him, with which to return. The cash was raised without any difficulty and the cable was used to inform Keohokalole that his passage was secured, first-class all the way. Morris absolutely refused to return, and the scheme was dropped.

Prince Kuhio is said to have paid Morris' passage twice. The first time was when the secretary was discharged from his position, after various troubles. Morris, however, did not make the trip. At a later day Kuhio, it is stated, secured tickets, refusing to hand over any more cash to Morris, but the latter again failed to make the trip. Morris is said to have personated the Prince in some Washington resorts, with the result that there was pliki for the delegate, and this is stated to be what led to the first split between them. The former secretary, it is also stated, wrote to Governor Carter asking for assistance, when Carter was at the Chicago convention.

Kuhio when asked about the matter this morning was inclined to take it good naturedly.

"I would be sorry for Morris' own sake if the matter should be used in the campaign against me as is indicated in the morning paper," he said. "The facts are all at hand and they would only injure Morris in the eyes of Hawaiian people. That is the reason I do not want to discuss the matter at length now, I merely want to say though that not only did he receive every cent of his salary but on two occasions I advanced him sums to help him get home and he spent the money in other ways. Personally I do not think he intends to come home now."

DEMOCRATS TRY FLANKING TACTICS

FOURTH DISTRICT CAUCUS DECIDES POSTPONING DISTRICT CONVENTIONS.

The Democrats of the Fourth District decided last night at their caucus at Waverley Hall in try to outflank the Republican district convention by making the nominations for the legislature after the Republican party had named its ticket. There was no break on this issue. The district convention for the island of Oahu was to meet August 24, according to the

monthly Central committee call, but the Unfratified manifested an attack of "Cold Feet" and decided to let their adversaries start the ball rolling. The result was that the caucus decided to meet next Wednesday, effect organization, and then adjourn to some date subsequent to the Republican district conventions.

The session last night was quite animated, for there was considerable debate on various matters of detail. It was decided to support A. A. Wilder for permanent chairman of the Territorial convention which meets at the Orpheum on next Monday and J. L. Coke of Maui for temporary chairman. The meeting last night was presided over by Col. C. J. McCarthy, W. P. Erving being secretary. The selection of temporary and permanent secretaries and other officers was undecided.

After a ballot the following were recommended as the men to be favored as members of the Territorial Central Committee: C. P. Iauka, Stephen Uma, W. A. Kinnay, J. Menesse S. Nalaha, L. R. Mogeles, E. M. Watson, Fred Turrell, S. K. Kalou, W. P. Erving, H. A. Juen and B. N. Kahalapuna.

C. P. Iauka was unanimously endorsed as the caucus candidate for nomination for delegate to Congress. As the hour was late no action was taken regarding the selection of various committees for the coming territorial convention.

POLICE COURT CASES

Harold Jeffs was charged in the police court, with assault and battery on Stephen and Lora Pearson. An attempt was made to sidetrack the police part of the prosecution in this case. It was announced when the case was called that a continuance had been agreed upon by E. L. Weaver for the defence and C. W. Ashford for the prosecution. It was agreed to have the case continued until August 22. Deputy High Sheriff Chillingworth interposed an objection. He said that he had not been consulted in the matter. He was conducting the prosecution of the cases and if there was to be any continuance, he wanted to know about it. Weaver said that he and Ashford had agreed to the continuance and he thought Ashford had spoken to Chillingworth about the matter. The deputy said that nothing of the kind had been done, and he wished the case continued a day later. Ashford declared he would not prosecute in such an event, to which Chillingworth replied that he did not care whether Ashford did or not. The continuance to August 22 was granted.

The case against Ah Sang charged with gross cheat was also pressed in the police court today.

Pugniato the Jap charged with being unlawfully on the premises of another, agency in the second degree, and burglary in the second degree, was before Judge Lindsay. The cases were continued until August 22.
