Two Kinds of Canned Goods

There are two kinds of canned goods—S & W and the other kind. S & W goods are pre-eminently the choicest in the market and are rapidly gaining in popularity. We guarantee them—money back if they are not satisfactory. The discriminating housekeeper insists on getting the S & W brand. The S & W label is attractive but the real attractiveness is within the can. Try these goods—you will not be disappointed.

WORK OF THE BALL PLAYERS

HONOLULU BEAT PUNAHOU AND KAMS ARE DEFEATED BY THE MAILES.

Saturday's baseball games were of the highest class presented for a long time and the big crowd present testified to its delight by great applause. The first game was between the H. A. C.'s and the Punahou by 9 to 1, but the score does not give an idea of the really good ball that the Punahou played.

In the second game the Mailes defeated the Kams by 7 to 3. The score was very close up to the seventh being 2 to 1 in the Kam's favor, but the Mailes scored twice in the eighth and four times in the ninth.

In the winter league series yesterday the Artillery beat the Punahou by 12 to 3. The Maikis has an easy thing with the Pacifics beating them by 15 to 2.

THE GRAB-BAG.

The ladies who have the St. Andrew's fair in charge report great work in progress. Now is a good time to start in and buy a few Christmas gifts, the Bazaar promises a large display of special goods for holiday gifts. The prices are reasonable and this is a worthy cause to support. Remember the date Saturday next, October 15, from twelve to six. Admission 25 cents.

It is said that Russians and Macedonians make the best dynamite bombs and infernal machines. It is not strange as they have the most use for them.

Thus far the balloons in the contest at St. Louis have not gone much farther than 30 cents will go at that same show.—Minneapolis Times.
