RETURNS FROM KALAUPAPA SHOW KUHIO AHEAD OF OP-  
PONENTS' COMBINED VOTE.

The Republicans carried the leper settlement at Molokai by a large majority. Cupid's vote was more than that of both his opponents combined. The returns, received today, show that the vote for members of the legislature was closer, but the Republicans were successful. The voting at Kalaupapa, was as follows:

## LONG RUNAWAY ENDS IN STABLE

AN EXCITING RIDE FROM KAUMANA TO HILO—WOMAN JUMPS OUT OF RIG.

HILO, November 8.—A runaway which caused much excitement down Waianuenue street occurred Friday afternoon. M. G. Santos hired a horse and surrey and in company with Mrs. J. P. Fernandez and child of Maui, and Mrs. E. G. Silva, wife of the pastor of the Portuguese Christian Church, visited J. S. Canario's Kaumana home, about five miles from town. On the return, a part of the harness gave way permitting the vehicle to crowd the horse, which started to run. Mr. Santos was unable to stop the running animal on the steep down grade, and the horse galloped the entire five miles into Hilo, arriving covered with foam and lather. No serious accident resulted from the wild run, although Mrs. Silva jumped with her small child from the vehicle and suffered some slight bruises. The infant was cut about the mouth. Manager Wright explains that the horse was endeavoring to get away from the rig pressing from behind and had it not been a gentle animal it would have smashed the vehicle and probably seriously injured its occupants. The horse cantered into the Volcano stable, driver and animal both exhausted.

## BEGIN TO HEAR PARKER CASE

GEAR SETS A DAY FOR TAKING UP THE MERITS OF THE RANCH CONTROVERSY.

Sitting in chambers this morning Judge Gear made an order that the hearing of the case as to the guardianship of Annie T. K. Parver should begin on Monday November 21. This was in consonance with the finding of the Supreme Court that a Circuit Judge in chambers is not unable to try causes.

Nearly every known legal process has been introduced into the Parker ranch case up to date but there now seems a chance of the trial's going ahead on the merits of the case.

## REPUBLICANS AND LEADERSHIP

HOLSTEIN OF HAWAII MAY CONTEST WITH HARRIS OF HONOLULU FOR THE SPEAKERSHIP OF THE HOUSE—SMITH OF HILO AS A POSSIBLE LEADER—HOUSE WILL NOT BE ALL HARMONY, SAY THE DEMOCRATS.

With the smoke of battle clearing rapidly away Republican politicians are busy reckoning up the different strengths of members of the new legislature with a view to finding the possible or probable leaders. The interest of the Democrats in the situation may be classed as academic.

"If the Republicans think that they have got any snap in managing a house full of nothing but Republicans they are making an awful mistake," remarked a Democratic stalwart this morning, and there was no touch of regret in his voice. "You watch what I say, there will be a whole house full of cliques. Every map there will want to be a leader and instead of there being two or three parties the house will be split up into half a dozen or more each with its own particular little axe to grind. Carter will have to be a good deal stronger man than most people think he is if he is going to keep that crowd in line."

Republicans who were presented with this view of the case merely replied in so many words that it was the raging of the heathen and the imagining of a vain thing by the wicked.

Smith of Hilo is looked upon as a probable leader in the House and Holstein of Maui and Knudsen of Kauai are certain to be heard from as possible leaders. W. W. Harris of Oahu has already fixed his eye on the speakership, but he will have a strong antagonist in Holstein who has twice been chairman of Republican conventions.

## WAILUKU \$800,000 STOCK INCREASE

STOCKHOLDERS DECIDE TO MORE THAN DOUBLE THE CAPITALIZATION OF THE PLANTATION—WILL USE THE MONEY IN ACQUIRING MORE LANDS AND NEW SUGAR MILLS AND IN GENERAL IMPROVEMENTS OF THE PLANTATION.

At a meeting of the stockholders of Wailuku Plantation this morning it was decided to authorize \$800,000 more stock of the corporation and to use the proceeds of marketing such stock in acquiring more lands and a new mill to be completed by December, 1906, and general enlargement and improvement of the plantation. The company is now capitalized at \$700,000. As a result of the meeting this morning its capitalization will be made \$1,500,000.

The company has about settled its long litigation with the Hawaiian Commercial and Sugar Company over water rights. It is understood that by the terms of the settlement Wailuku gets some valuable lands in exchange for water rights which it needs to the Hawaiian Commercial.

The officers were re-elected, as follows: M. P. Robinson, president; W. F. Allen, vice-president; George H. Robertson, treasurer; E. F. Bishop, secretary; T. R. Robinson, auditor; Charles M. Cooke, director. The report of the treasurer shows realizations for the past year amounting to \$391,066.77. Expenses were \$300,399.66, making the net profits \$90,666.81.

### INVESTIGATING CHARGE.

Furafata is under investigation by the authorities on a charge of what may prove embezzlement. Some countrymen of the Jap claim to have entrusted some money to Furafata to deposit in bank and they allege he failed to properly account for the money.

## GALBRAITH'S ESTATE WORTH \$150,000

A LONG WILL MADE BY THE AGED CAPITALIST IS FILED IN THE CIRCUIT COURT—SCOUR OF REQUESTS TO RELATIVES IN IRELAND AND A NUMBER TO HONOLULU PEOPLE—LEFT VALUABLE REAL ESTATE.

The will of the late George Galbraith was filed for probate today by Cecil Brown as executor of the estate. Galbraith was the aged Irishman who died on the 5th last at the Queen's hospital leaving as far as was known only a nephew and some grand nephews in Hawaii. The estate proves to have a value of \$150,000 of which \$50,000 is in real estate at Waialua and \$70,000 is in stocks, bonds and other securities. The will is a long document carefully prepared. It gives the names of a large number of relatives and connections, distant or otherwise, now living in Ireland, as beneficiaries. These are cousins, second cousins, nephews, nieces and so on residing at Belfast, Ballymacarrett and Ballydrain and these come in for sums varying from \$250 to \$2000. In the original will Hugh Galbraith of Waialua is left \$1000 but in a codicil this is made \$200 a year, with \$2100 a year for life for Hugh Galbraith's seven children. Other Hawaiian people who are remembered are John Kallull of Honolulu, \$1000, Lut Warren \$250, Cecil Brown \$1000, Mrs. Mackintosh, sister of Cecil Brown \$500, H. M. Von Holt \$1000, Helen Fonseca, \$500, E. W. Cathcart \$2000 the five children of E. W. Cathcart \$500 each and the five children of H. M. Von Holt \$500 each. The Hawaiian Trust Company is named as trustee.

## GET-RICH-QUICK SCHEME ATTACHED

THE FIDELITY FUNDING COMPANY HAS TO PAY BACK COIN PAID IN.

SAN FRANCISCO, October 30.—The Chronicle says: Another get-rich-quick scheme, running under two names—the Empire Diamond Company and the Fidelity Funding Company—came to grief yesterday, suit for recovery of money having been brought against the directors, and the sheriff having attached the office at 818 Market street, together with \$700 in cash. The scheme, which the company depended upon involved the usual payment by the dupes of \$1 a week for eight weeks, at the expiration of which period they were promised \$100—their money back doubled. Yesterday afternoon suit was filed in the Superior Court in the name of H. F. Hobson, on behalf of about fifty of the contract holders, demanding the return of \$83 which they have paid in. Attorney Frank Sawyer is advising the claimants, and Hobson, in whose name the action is brought, is a clerk in Sawyer's office. The directors of the two companies are W. L. Pierce, E. C. Hedger, E. J. Carpenter and F. L. Dever. When the Sheriff visited the office yesterday to attach the property, the man in charge attempted to prevent any interference with the cash drawer. Two police officers were then called in, and the money, amounting to \$700 was secured without any further trouble.

The company has a Honolulu branch.

MAHAULU'S CASE. Stephen Mehaulu who has been under indictment on charges of embezzlement in connection with the Land Office stealings and whose bail in the meantime was fixed at \$7,000 was this afternoon surrendered by his bondsmen to the custody of High Sheriff Henry Frank Harvey with two others were his sureties. Harvey's action was brought about by Robertson's refusal yesterday to remain as a surety for Eddie Boyd the convicted Land Commissioner. It was on Mehaulu's evidence that Boyd was convicted.
