GRAND JURORS OBJECT TO BEING CALLED IN SESSION AT THE PRESENT TIME AND ADJOURN TILL AFTER ELECTION—JUDGE DE BOLT AGREES WITH THE JURORS AND GIVES THEM SOME CAREFUL WARNINGS.

Judge De Bolt this morning heavily sat upon an alleged scheme to use the grand jury in the political campaign, sternly rebuking the plan of calling the grand jury together at this time to investigate a police station scandal. The jury had already met and taken De Bolt's view of the matter,—that the present time is not the proper time for taking the subject up. The jury, before hearing Judge De Bolt, adjourned to next Wednesday, when it will listen to the evidence of Mulletner and others regarding the scandal involving Mulletner's February salary. Ugly assertions, to which some witnesses were ready to swear, are made against either Henry or his clerk, but the grand jury has decided that during the heat of a campaign was not the proper time fairly and impartially to consider the matter.

The jury met at 10 o'clock and immediately went into session. The following are the members: M. Brasch, Elmer M. Cheatham, Fred Goudie, Thomas H. Kennedy, T. H. Lucas, John K. Prendergast, Stanley Stephenson, Charles Schoellkopf, B. J. Wright, J. M. Davis, John Guild, E. Imhoff, R. Ludloff, C. Phillips, L. Rubenstein, W. H. Smith, L. M. Vetlesen.

No witnesses were examined by the jurors, though some were in attendance. According to various statements of witnesses and some of the officers' records, Mulletner only worked a day and a half last February, giving a

The Party And Carter

The following resolution was unanimously adopted by the Republican County Committee which met at the headquarters this morning: "Honolulu, Oahu, June 16, 1905. "Whereas Governor Carter has made a public statement to the effect that he is opposed to the candidacy of A. M. Brown for the office of Sheriff of the County of Oahu and giving his reasons therefor, and "Whereas, in the opinion of this Committee, the Governor's said reasons are vague, indefinite and unsatisfactory and are insufficient grounds for opposing a regular nominee of the party; "Resolved, that this Committee does hereby reaffirm its support of the whole Republican ticket as nominated at the last convention and re-declares its allegiance to each of the candidates named thereon."

WHEN CARTER WAS CARPETED

THE GOVERNOR PUT THROUGH HIS PACES BY THE TERRITORIAL EXECUTIVE COMMITTEE YESTERDAY AFTERNOON AND THE MATTER OF HIS OPPOSITION TO HIS PARTY WILL BE FURTHER CONSIDERED BY THE ORGANIZATION.

The Advertiser's account of the interview between Governor Carter and the sub-committee of the Territorial Republican executive, as published this morning, is interesting because it may be taken to represent the Governor's own view of what occurred. Neither Robertson, Waterhouse, Harris or Fernandez gave out any information as to the result of the interview except in the formal report to the executive so the inference is obvious. "The executive committee up to Wednesday had received no official notice (Continued on page five)

HENRY VIDA TO CARTER

REPLIES TO THE PURPORTED INTERVIEW WITH GOVERNOR CARTER IN THIS MORNING'S ADVERTISER AND SAYS THAT THE PROPOSITION FOR HIM TO RUN FOR DEPUTY SHERIFF ON THE CIVIC FEDERATION TICKET CAME FROM CARTER.

Honolulu, T. H., June 16, 1905. To The Editor Hawaiian Star: In this morning's Advertiser appears a purported interview with Governor Carter relative to myself and the deputy sheriffship. The Governor is quoted as follows: "Shortly after his return from London," said Governor Carter, "Henry Vida came to me and made the proposal that he should be a candidate for Deputy Sheriff of Honolulu, and that if I could arrange to have Kalakiola withdraw from the ticket, he would take the place and would make the race with Rawlins to beat Brown. I refused to have anything to do with the scheme, as I had no desire to disrupt the Republican party, and did not care to enter into a combination of that kind." (Continued on page five)

HOLLOWAY TRIES TO HELP CARTER'S FIGHT

HEAD OF THE DEPARTMENT OF PUBLIC WORKS CALLS A MEETING OF LUNAS UNDER HIM AND TELLS THEM THEY OUGHT TO SUPPORT THE ADMINISTRATION IN ITS EFFORT TO DEFEAT A. M. BROWN.

C. S. Holloway, Superintendent of Public Works, came to the aid of the governor in the political campaign this morning. Holloway had the lunas of the road supervisor's department together and addressed them on the subject of the election, telling them it was their duty to support the administration and oppose Brown for sheriff.

Holloway has taken the place of Sam Johnson, who has refused to enter the fight. The administration was not able to get Sam to oppose a ticket he helped to nominate, and Holloway, head of the department, was persuaded to come to the rescue. His address to those under him and dependent upon him for their jobs, is to be passed on by the lunas to the laborers under them. Holloway did not make any threats, but the argument is the same as appears in the circles which are being sent out with William Henry's signature,—the public works department is going to spend a lot of public money, and the laborers had better get in line for the administration if they want any of it.

Some of the lunas seen after the meeting expressed their intention to vote for Poepeo or Brown. "We have been taught to vote to support the Republican ticket," said one, "and now our boss tells us to help the administration to defeat a part of the Republican ticket. The boys will not vote for Henry."

Holloway is the first of the heads of departments to come to the aid of the governor. It is hoped by Carter that his subordinate's action this morning will make a lot of the road department laborers vote afraid of losing their jobs if they vote for Brown.

CARTER, HENRY AND JOE FERN

ALL THREE COME IN FOR SEVERE CONDEMNATION BY REPUBLICAN COUNTY COMMITTEE.

Exactly the amount of regard that the Republican County Committee has for one George H. Carter, the Civic Federation and their nominees, is to be judged from the resolutions which were passed at a meeting held at the Republican headquarters this morning. The rebuke to Carter himself is nothing less than a slap in the face while the smaller fry, Henry and Fern, who are plainly recognized as mere tools are a little more easily dealt with.

The resolution regarding Carter appears elsewhere and the remarks of the Republican organization respecting the other two are couched in the following language:

"Honolulu, Oahu, June 16, 1905. "Resolved, that it is the sense of the County Committee of the County of Oahu that the action of William Henry in accepting the nomination for the office of Sheriff of the County of Oahu and of Joseph Fern in accepting the nomination for the office of Supervisor of the District of Honolulu after pledging himself to abide by the result at a Republican convention, is inconsistent with their duty as Republicans, and detrimental to the interests of the party. "Resolved further that we condemn the said action of William Henry and Joseph Fern as un-Republican and un-American, and in flagrant violation of their allegiance to the Republican party. "Resolved also that we urge upon the Republican voters of the County of Oahu the necessity of voting for all the regular nominees and thus demonstrating their condemnation and disapproval of the action of the above-named persons both in the present election and in future campaigns."

Secretary A. L. C. Atkinson received a severe shock today, in the form of a cablegram from Honolulu telling him that events were shaping themselves here so as to strongly indicate the election of J. M. Poepeo as sheriff. The political storm in Honolulu has reached the Mainland more or less and Atkinson has sent several cables here asking what it all means, and yesterday a cable came to a prominent local attorney who is a friend of Jack, asking for news as to how things were going. The answer went today, stating that the indications were that Poepeo would be elected, Brown would be second and Henry third.
