THE TAFT PARTY IS READY TO CRUSH LINEVITCH PROGRAMME

PROPOSED NOW TO TAKE THE PARTY DIRECT FROM THE MANCHURIA TO PEARL HARBOR

There has been a change in the plan for the entertainment of the Taft party on their arrival here.

It has been proposed, in order to save valuable time and to keep the party together, that on the arrival of the Manchuria here next month with the Taft excursionists aboard, they be taken from the steamer, which will lie outside, to the decks of the U. S. S. Iroquois and other small steamers, which will then steam directly for Pearl Harbor, making the trip through the lochs in the early forenoon, a plan which would give the Secretary of War and the Congressmen a fine opportunity to judge of the harbor's value as a naval base.

A special train would meet the party at the Peninsula and take it to Ewa plantation. At the depot on the return to the city the party would be met by automobiles, in which all would be conveyed to the Pall. Then would come luncheon and the afternoon could be devoted to pleasure and sightseeing.

In case, however that the visitors are landed at the Naval Docks, automobiles would meet the members there and pass through the Naval Station grounds before starting up town.

The U. S. S. Bennington was first proposed as the vessel to take the visitors to Pearl Harbor, but it is reported that the warship is to leave Honolulu on July 8 for Costa Rica.

THE CZAR'S PUZZLE.

The Czar is still struggling to understand how the head of a government can be as popular with all classes of people as President Roosevelt is.

MAUI'S HOME RULERS.

WAILUKU, June 19.—It may be strange to note that of all the candidates on the Home Rule ticket on Maui there is only one man who has been true to his party affiliations and that is Ben Lyons. George Cummings has been a Republican up to the time he received the nomination for county clerk on the Home Rule ticket. Clement Crowell was always supposed to be a Republican. Kahaulelo once belonged to the Republican party, but when he was defeated in the nomination for sheriff, he bolted the party.

Kaui, the independent candidate for sheriff, has been, or was supposed to be a Republican up to the present time.

NO COMPETITION.

FIRE DESTROYED A DWELLING.

A small cottage owned by D. L. Guerra near Camp McKinley was totally destroyed by fire last night. The fire was started by a kerosene lamp being upset and setting fire to a mosquito netting.
