# CARTER TO GO TO WASHINGTON

## TALK IT OVER WITH TEDDY

THE GOVERNOR HAS RECONSIDERED HIS INTENTION OF RESIGNING AND THROWN OVER HIS PLAN FOR COMING BACK WITH THE TAFT PARTY—HE WILL GO ON TO WASHINGTON AND SEE THE PRESIDENT PERSONALLY.

Governor Carter, after discussion with a number of advisers, has reconsidered his intention to resign. He will go to Washington and have a conference with President Roosevelt. It is said that one of the main considerations which prevented the resignation of the governor being sent forward is that A. L. C. Atkinson, secretary of the Territory, who is expected to succeed Carter and whom Carter favors as a successor, is not yet old enough to take the position. The Organic Act provides that the governor of Hawaii shall be not less than 35 years of age and "Secretary Jack" is only 34. He is getting over this disqualification every day, however and perhaps by the time Carter's term expires he will be eligible, or even before that if Carter gets tired of the job.

Carter's trip to the mainland, to meet the Taft commission at San Francisco and return with the members of the Taft party, has been announced for some time. He booked for the Alameda some weeks ago, intending to return by the Mongolia. This program has been changed and it is now stated that Carter will go on to Washington and see the President. The object of the trip is said to be to explain to the President Carter's position in the political field here. Carter's resignation as governor was practically written out, it is stated. But for the earnest representations of many local Republican leaders it might have gone on anyhow. As it is he has decided to remain at the head of affairs and in a discussion with Roosevelt he will explain his attitude towards the Republican party.

## TANTALUS TREES WILL BE FELLED

ONEY ESTATE DECIDES UPON DENUDING THE MOUNTAIN SIDES OF ITS BEAUTIFUL FOLIAGE AND CUTTING THE LAND INTO BUILDING LOTS—THE MARCH OF UTILITARIANISM TO DESTROY ONE OF THE BEAUTY SPOTS OF HONOLULU.

The verdant slopes of Tantalus are to be denuded of their trees and the land is going to be given over to the building fiend. The decision to dispose of the timber on the land was made this morning by Sheriff J. H. Coney of Kaula, acting for the Coney estate, the owners of the property. He came down from the Garden Island and after consultation placed the disposal of the wood on the property in the hands of A. V. Gear. The wood only and not the land is to be sold for the Coney estate will, if it follows its present intention, sell lots all along the Tantalus road. "I have been instructed by Sheriff Coney to sell the wood on Tantalus," said A. V. Gear this morning, "and that is practically all I can say about the matter. Yes, it does seem a pity that

the forest should be cut down, for it is certainly a beauty spot of Honolulu, but I imagine that the Coney estate regards the wood simply as a business proposition that is to be realized upon." Pending the completion of an estimate by "forest cruisers" it seems impossible to give an estimate of the value of the wood on the Tantalus slopes, which will thus be sacrificed. The Coney estate holdings amount in all to 293-1/2 acres and roughly speaking it may be said to comprise the greater portion of both sides of the picturesque road which zig-zags its way to the glorious summit. The drive through the forest is one which has drawn exclamations of enthusiasm

## PAUHAH WING TO BE OPENED

QUEEN'S HOSPITAL PREMISES TO BE GREATLY IMPROVED BY NEW OPERATING ROOM.

The opening of the new Pauhah wing of the Queen's Hospital tomorrow afternoon will mark a distinct advance in medical and surgical work in Honolulu for the local practitioners will be able to point here to an institution absolutely up to date in all of its appointments. From 2 o'clock until 5 tomorrow the grounds and buildings of the Queen's Hospital will be open to the public, the Government band will be in attendance and the officials of the hospital will be the hosts. Interest will of course center in the splendid new building which for the past year has been in course of erection and preparation. The people of the city are invited to attend and a special invitation has been extended to members of the medical profession of every nationality. The new wing this morning was all ready for the opening and careful nurses and attendants were engaged in putting on merely the finishing touches to a place which seemed already complete. A general description of the wing has already appeared in these columns, but with the interior furnishings completed the hospital looks all that its architect and furnishers desired it to be. The public wards on the ground floor contain thirty beds and there are twelve private rooms as well with the accompanying lavatories and offices. Professional interest will center of course in the operating and sterilizing rooms which are located at the Ewa end of the upper story of the building. The surgeons who have inspected the rooms declare that their arrangement and equipment are absolutely perfect, in fact they grow so enthusiastic that nervous persons may be pardoned if they get a little scared over the thought that the surgeons may be carried away and insist upon cutting off a leg or so just to show how nicely it can be done in the new room. No formal invitations have been made for the opening, but it is expected that a large crowd will accept the general announcement of the occasion.

## NATIONAL GUARD

THE EFFORT TO RAISE FUNDS SUFFICIENT TO KEEP THE NATIONAL GUARD OF HAWAII IN EXISTENCE IN DEFAULT OF AN APPROPRIATION BY THE LEGISLATURE IS SAID TO HAVE MET WITH COMPLETE SUCCESS—MONEY IN SIGHT.

The Hawaiian National Guard will be required to keep up the organization and it has been found that because the legislature failed to make necessary sum can be raised. The old appropriation for it. The sum necessary to maintain it is assured, and the militia organization will be kept up to its present standard. This is the result of the Chamber of Commerce meeting to discuss the subject and of the military here will be favorably regarded by the federal authorities generally. Much is being done throughout the country to encourage the militia organization, and Hawaii would not be a conspicuous exception, it is claimed, in abandoning instead of improving her militia.
