CARTER RESIGNS

(Continued from page six.)

were contrary to the views of the Republican organization in this country would require, in his opinion, an explanation to the President. But, of course, I do not know just what has led to his action. He will be abundantly able to make his own statement later. I am very sorry that he has thought it necessary to resign."

D. L. Withington is quoted as saying: "I regret that he has done so. I think he is justified in feeling aggrieved at the popular vote, but I think it was an unthinking vote, cast without due reflection and that the Governor has taken the matter too seriously. I believe that he has the respect and confidence of all right-thinking citizen."

James B. Castle is quoted as saying: "I think it is greatly to be regretted, but I think it is not at all surprising. I think that his feeling on the subject is a natural one. It was an issue where he thought it was a case of common civic decency and righteousness as against party slavery. I am very sorry that he has resigned."

L. Tenney Peck is quoted as saying: "I am very sorry he has done it and I think his friends have ill-advised him if any of them have advised him to do it. There is nothing in the local situation that demands it. Personally, I have always been a staunch Republican and I don't attach that degree of importance to his action in the local political fight, just closed, which many seem to have done. His courage and straightforwardness are needed here and any mistakes of political judgment that he may have made weigh but little against the other superior qualifications of the man as executive."

PROPHETS LIVE IN HONOKAA

REMARKABLE FORECAST OF A COMING EVENT WAS TELEGRAPHED THE STAR.

The Star is in receipt of two wireless messages signed "Citizens, Honokaa." The first runs: "Ask strenuous George is Brown elected."

This was taken to be a request to enquire of Governor Carter if A. M. Brown had been elected sheriff of Oahu. The Star did not make the enquiry. It was unnecessary. The second message was prophetic for it said: "Brown elected. Carter's resignation accepted."

From this it would appear that the citizens of Honokaa are all seventh sons of seventh sons and hence have the gift of prophecy.

POLICE LAWLESSNESS.

At bottom most of the difficulty of managing the police department of New York springs from the ingrained belief of some policemen that they are a privileged class. The neglect of the community to insist on the observance of the laws by the police has strengthened this opinion, and the responsibility for its continuance rests on the citizens as much as on the police—New York Sun.

Russia is on the eve of great reforms, but it will not be a congenial abode for a man of conservative tastes for some years to come.

A HEALTHY OLD AGE OFTEN THE BEST PART OF LIFE

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Mrs. Mary Koehne

Nervous exhaustion invites disease. This statement is the positive truth. When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once!

To build up woman's nervous system and during the period of change of life we know of no better medicine than Lydia E. Pinkham's Vegetable Compound. Here is an illustration. Mrs. Mary L. Koehne, 371 Garfield Avenue, Chicago, Ill., writes: "I have used Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headaches with which I had suffered for months before taking the Compound. I feel that if it had not been for this great medicine for women that I should not have been alive to-day. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience is at their service, free of cost.
