

CARTER INSISTS

TELLS THE PLANTERS' ASSOCIATION COMMITTEE THAT HE CANNOT CHANGE HIS MIND WITH REGARD TO RESIGNATION—PRESIDENT SWANZY EXPRESSES REGRET THAT THE EXECUTIVE IS NOT DISPOSED TO RECONSIDER HIS WITHDRAWAL.

Governor Carter at noon today received the committee of the Planters' Association, appointed to interview him and ask that he reconsider his resignation. The committee consisted of C. M. Cooke, W. G. Irwin, H. P. Baldwin, F. M. Swanzy and William Pfofenhauer. The committee assured the governor that the Planters' Association continued to give him its support and confidence, and desired that he withdraw his resignation as governor. Quite a lengthy conference between the executive and the committee took place.

The governor told the members of the committee that he didn't see any reason to change his mind from the decision he had held for some time. The matter was discussed with the mem-

bers of the committee, all of whom earnestly desired to convince Carter that he should remain in office, but apparently without result. "The substance of the governor's remarks," said President Swanzy of the Planters' Association, who was chairman of the committee, "was that he could not see any reason to change his mind. The matter was discussed pro and con, and that was the attitude taken by the governor." President Swanzy was asked if any positive statement of intention had been made by the executive. "Yes," he replied. "I suppose it might be called a positive statement. The governor said that he could not change his mind. I am sorry, for my part, that it is so."

KOREA DUE ON FOURTH OF JULY

SAILED FROM YOKOHAMA YESTERDAY FOR HONOLULU—HAS 800 TONS OF FREIGHT.

H. Hackfeld and Company were advised by cable this morning of the departure of the S. S. Korea from Yokohama yesterday, June 25, for Honolulu and San Francisco. The vessel is due here the morning of July 4. She has 800 tons of freight for Honolulu, so will probably depart the same afternoon for the mainland. She will be able to accommodate 75 cabin passengers from Honolulu.

The S. S. Sierra due from the Colonies, will arrive here next Tuesday, July 4, so there will not be much of a holiday on that day for the locals.

ALL RETURNS ARE RECEIVED

THE WORK OF THE ELECTION IS CARRIED ON QUICKLY AND SMOOTHLY THIS TIME.

All the official election returns are now in. The last were received by registered mail this morning, at the secretary's office and all the commissions of county officials will go out in this week's mail. This means that the officers can all be sworn in in time to take office next Saturday, when the county act goes into effect.

It was feared that returns would not come from some districts in time for the commissions to be sent out this week in which case they would not be sworn in without commissions. The work of sending in returns has been generally very prompt and accurate, and the business of the election has gone through very smoothly.

TRAVEL FROM THE COAST CONTINUES

VENTURA WILL ARRIVE WITH GOOD SIZED CROWD NEXT WEEK FROM SAN FRANCISCO.

Despite the fact that the summer exodus from Honolulu has set in the population is not being decreased in a marked way, as the incoming steamers are bringing many more passengers than usual. The Alameda is booked to her cabin capacity for Wednesday to the coast but according to bookings for the Ventura next week, forty people most of them strangers, are booked for Honolulu. It is likely that more people will come by that vessel than had booked up to the time that W. G. Irwin & Company the local agents of the Company, received advices.

It is a gratifying fact that travel from the coast has not fallen off at this time of the year. In previous years this has been a dull season but the present summer seems to be an exception to the rule.

AUDITOR FISHER AND COUNTIES

MAY MAKE A TRIP TO EXPLAIN FINANCIAL MATTERS ON OTHER ISLANDS.

Auditor Fisher will probably have to visit the other islands next week, to assist in starting the counties, judging by the number of inquiries he is receiving from the county officials. The mail Saturday and Sunday brought a big lot of inquiries of all sorts, and the auditor is contemplating a visit to the officials, to explain in person the relations of his department to the county organizations.

A complete set of books for Oahu county will be given by the auditor to the Board of Supervisors. They were made for the last county government, when the Supreme court knocked out, but are believed to be suitable now. Fisher is ready to turn them over thus saving the county a considerable expense at the start.

AVERTED SERIOUS CONFLAGRATION

FIRE DEPARTMENT PERFORMED EXCELLENT WORK THIS MORNING.

Through the efficient work of the fire department a serious conflagration was averted at an early hour this morning. Fire started in a small store on Keolu street near Queen. The store was occupied by a Chinese named Tyau Ne Kyau. The store was completely gutted, the loss being covered by \$500 insurance. The building was owned by Lee Yin Kwai and was insured for \$1,000 but the loss was about \$1,200.

The City Mill Company property was scorched by the flames but the engines prevented the fire from spreading. Had a high wind prevailed it is likely that the entire block of buildings might have been destroyed. It is not known how the fire originated. Tyau says he was awakened by hearing the fire crackers in the store discharging and then he saw the fire.

FORGERY IN ELECTION PAPERS

SECRETARY ATKINSON TAKES UP INVESTIGATION OF KAUALI CASE THIS MORNING.

Forgery was committed by someone in the preparation of the petition for filing of nomination papers of D. Kanehili, elected as a supervisor of Oahu county. Secretary Atkinson this morning took up the investigation of the matter and was supplied with data and affidavits by C. W. Spitz and Sheriff-elect Rice. The result will probably be that no commission will be issued for Kanehili, as his nomination may be held to have been illegal.

The returns were received at the Secretary's office this morning, and investigation was begun at once. There are a dozen names on the nomination papers which it is claimed were not signed by the owners of the signatures. Some of the persons concerned have made affidavits to the effect that they never signed the papers. If Secretary Atkinson decides to issue a commission anyhow, the matter will be taken up by legal proceedings on Kauai.

Mrs. Bailey says that her husband bought her "no clothing whatsoever, not even a wedding ring," though amply able to do so, being in possession of an income of from \$80 to \$90 per month. She avers that she has had no assistance from him and is at present without any income. She also charges that he has been living in open and notorious adultery. "WHEREAS, the Honorable George R. Carter has publicly announced his intention to resign the office of Governor of the Territory of Hawaii, be it
"RESOLVED that the members of the Chamber of Commerce of Honolulu hereby express their sincere regret that the Governor should entertain such purpose;

"RESOLVED that it is our earnest hope that Governor Carter will be persuaded to abandon his intention of resigning and will consent to continue to hold the office."

The attendance at this morning's meeting of the Honolulu Chamber of Commerce, at which the above resolutions were passed, was the largest in point of attendance that has been held for a long time. It taxed the accommodation of the Chamber and extra chairs had to be obtained to accommodate the later arrivals. The resolutions were endorsed unanimously and a copy was forwarded to Governor Carter as soon as it could be prepared. President Tenney who was in the chair, opened with the statement that the meeting had been called on the requisition of a number of members who
