SPORTS

(Continued from Page Six).

and won the game by a score of 12 to 4. They went some. Major was into every thing and that new twirler was a dream. He put them over and allowed only two base hits. Desha has an able substitute in Dick Ahrens.

Jones was on the slab for Kama and the boy played fairly well at the beginning. During the game he dropped 9 hits which were gathered in by the Puns.

The game was much closer than the score would indicate. It was in the eighth that Puns started that free merry go round onto which as many piled as was possible. But the Kaps cannot play an uphill game and when they saw the game going up into the air they couldn't rise to meet it and so they lost.

Punahou field did some fine ball tossing. It would be hard to pick out the individual stars.

Here is the score as Mr. Cutting wrote it down:

SKATING CARNIVAL MADE BIG HIT

QUEEN STREET RINK CROWDED
 LAST NIGHT—MASKERS WERE AWARDED HANDSOME PRIZES.

The roller skating carnival at the Queen Street Rink last night was a success in every way. The rink floor was crowded with merry maskers while the audience was the largest that has ever been in the place. Standing-room-only condition prevailed.

There was the best natured crowd imaginable and the maskers made all possible fun. There was a motley assortment. Many of the costumes were humorous while others were very artistic and pretty. The maskers had the exclusive use of the floor until about 10 o'clock when the unmasking and award of prizes took place. Miss Libby Hopkins looked stunning in an Elks purple dress with picture hat to match. She was awarded the prize, a chaffing dish, for the most handsome costume for ladies. The other prizes were: Most original costume, ladies—Newspaper Girl, Mrs. Reuden. Prize, silver perfume bottle. Best sustained character, ladies—Professional Nurse, Mrs. Wolf. Prize, cut-glass dish. Most handsome costume, men—Japanese Samaural, Major Hart. Prize, decanter. Most original costume, men—La Paloma, Mrs. Ferris. Prize, stag-horn and silver cork-screw. GARDEN CITIES.

It is absolutely impossible to create a healthy race without an abundance of fresh air. Seeing that it is impossible on the score of expense to convert our cities into places where a healthy community can be reared, the railroads must be utilized as never before to carry the bread-winner rapidly between his place of business in the city and his suburban or country home.

Along the track of each railroad that radiates from the city, a series of Residential Parks, or Garden Cities, should be built, extending forty or fifty miles away, the more distant to be reached by express trains. These Garden Cities should be beautifully designed beforehand by architects who are also artists in landscape gardening.

The individual cottages will occupy not less than one hundred square feet of land, or four ordinary city lots, affording a flower garden around each home. The avenues will be always curving and the village green or city park will be a place that gladdens the eyes of all who frequent it.—Outdoors.

IMPROVE THE SCHOOL GROUNDS.
 Our school grounds and church lots are, as a general thing, bare and unattractive. They ought not to be so. They need not be so, after a little, if the Neighborhood Improvement Society takes them in hand. Trees and shrubs, properly arranged, will make attractive places of them. Flowers will give them a grace and beauty that will appeal to every one interested, and arouse in them a desire to do still more in the way of improvement. That is one of the beauties of an organization for neighborhood betterment. It grows by what it does, and the more it does, the more it wants to do.—Outing Magazine.

STRENUOUS HINT.

She had been trying to discourage his attentions for ten long weeks, and still he persisted in calling.
 "Don't you know," she pined, when the cuckoo clock announced the hour of 11. "I sometimes wish that I was an earthquake."
 "An earthquake?" gasped the startled chappy. "Why should you wish to be anything so extraordinary?"
 "Because perhaps then I could 'shake' you."
 And the next minute he called for his hat and cane.
