KAU DISTRICT GETTING DRY

MAUNA LOA BRINGS NEWS OF CONDITIONS ON BIG ISLAND—RAIN AT AHUKINI.

After an uneventful passage the steamer Mauna Loa arrived this morning from her run to Maui and Hawaii ports. She brought a large assortment of freight including over 5,000 bags of sugar. Purser Priei reports that there has been no rain in Kau for some time past and things are getting dry. In fact conditions while not se-

rious as yet, are nevertheless far from what is desired. There have been light showers in Hamakua, Kona has had rain.

Queen Liliuokalani and her attendants went from Hookea to Kailua by the home trip of the steamer.

The Mauna Loa will go out tonight for Kauai on the special excursion to Wainiha. She will be commanded by Captain Sam Thompson of the steamer W. G. Hall. Captain Simerson the regular master of the Mauna Loa is taking his vacation and Thompson will make at least one trip in the Mauna Loa to Maui and Hawaii ports.

STAR BOYS WIN FROM BULLETIN

NEWSBOYS WON A GAME OF BASEBALL TODAY FROM THE BULLETIN NEWSBOYS.

The Star newsboys lived up to all traditions of the paper this morning by worsting the Bulletin boys in a baseball game, played on the Queen's Field on Hotel street. So far the Star's newsboy aggregation has been undefeated, and it looks as if they were going to come out in the league race several games ahead.

The score was close this morning, but it is explained by the Star's boys going into the game handicapped, as one of the boys had to stay home and help do the washing. However the Star aggregation came out ahead by a score of 10 to 2.

Following is the line-up of the team: Stanley Shaw, c.; Eugene Carvalho, p.; Antone Carvalho, lb.; Peter Silver, 2b.; David Kaal, 3b; Antone Ogen, ss.; Manuel Carvov, lf.; Edward Berbe, cf.; Charlie Manuel, rf.

David Kaal is the captain of the Star team and plays his position in a way that is hard to equal. He plays Al ball.

Antone Carvalho is the manager and first baseman of the champions. He looks after the money end of the affair and makes dates for the games.

"Views" Godfrey umpired the game this morning and made a neat job of it. "Ever Fresh" Evers was the scorer.

Manuel Thenize, a Bulletin boy, made a noise like a baby at one stage of the game when he tried to make trouble and was promptly sat on by the umpire.

Manuel Plantation for the Bulletins played a very good game and the Star captain wishes to thank him for the clean, manly spirit he showed.

Three base hits were made by David Kaal, Stanley, "Peanuts," and Peter Silver.

Antone C. Eugene made a home run that brought the grandstand fans to their feet.

Score by innings: 1 2 3 4 5 6 7 8 9 Star 0 0 0 0 0 0 0 0 1-10 Bulletin 1 1 0 2 1 0 2 1-9

Carvalho for the Stars struck out 18 men—a big league performance. Menzie for the Bulletins struck out 1. It was a great game.

NO ADVICES ABOUT MARINE GUARD

TRANSPORT SHERMAN SAILED WITHOUT ANY INFORMATION HAVING BEEN RECEIVED.

No further advices regarding the assignment of the marine guard under Major Myers had been received up to the departure of the transport Sherman this morning for Guam and Manila. The private cablegram to Major Myers yesterday stated that his attachment which is composed of picked men would probably not go to Pekin but would be sent to Manila. It had been thought that further information on this score would be received before the Sherman departed this morning, but no news arrived. The information will probably be received when the vessel reaches Guam or Manila.

EXPECT PRISONER MOORE TO DIE

There is little hope for the recovery of William Moore, the convicted passer of counterfeit coin. He was operated upon several days ago at the Queen's Hospital for appendicitis. He was taken from the Oahu Prison where he was serving a sentence. At that time his condition was serious. The only chance for his recovering was through an operation. Today his conditions became worse and at noon his pulse had reached an unusually high state. The physicians think that he will die.

"MINE HOST SCOTTY."

A special dinner is served every evening at the Royal Annex Cafe, corner Merchant and Nuuanu. "Scotty" gives personal attention to his patrons and provides a meal for 50 cents that can not be duplicated in Honolulu. Dinner is served between 5 and 8 o'clock and a cordial welcome awaits the diner.

Changes

To accommodate the several new lines we have taken on and to make room for the large stock of goods that we have just bought from the Pacific Hardware Co., we are obliged to make a number of changes. This means a lot of moving about of stock, carpenter work, painting and varnishing. It also means dirt, noise and confusion for a short time, and we are unable to care for our customers as promptly and as well as we would like to. All possible haste will be made and in a short time we will have everything in place, and, with a large well arranged stock, with every convenience to handle and deliver same promptly, we will do our best to satisfy all our customers.
