Let There be Light

Clean and durable cooking utensils in your kitchen and make it a pleasure to cook by using

ALUMINUM WARE

It has proven to be the leader of all other lines of cooking ware. Because of its many advantages a few of which are absolute freedom from rust, is always bright and clear. Light to handle and heats quickly.

The durability of aluminum ware is well worth a housekeeper's attention. If properly cared for, can be handed to another generation, as clean and bright as when first purchased.
