## FUNERAL OF LATE MRS. S. PARKER

A large concourse attended the funeral of the late Mrs. Samuel Parker at the Emma street home of the family yesterday afternoon. Rev. H. H. Parker, pastor of Kawaiahao church, read the service in Hawaiian and English, and hymns were sung in Hawaiian by the church choir. The polished wood casket was covered with a pair of maidenhair ferns and purple orchids, while the bier in draping of yellow-corded black satin was almost buried with a mass of floral offerings.

Among government officials, foreign consuls and leading citizens were present the wives of Governor Frear and Judge Dole and Princess and Princess Kalaniana'ole. Members of Hawaiian societies attended. The honorary and active pall-bearers were those previously named in this paper. F. E. Thompson, J. Balch, W. P. Roth, H. P. Roth, W. T. Lucas, Wm. Dickson, Wm. Williamson, Cushman Carter and J. S. Low were the ushers.

At Nuanu cemetery the casket was deposited in the Paty vault, to await private interment on the arrival of the two daughters of the late Mrs. Campbell-Parker, Misses Muriel and Beatrice Campbell, from the Coast.

### GO TO HALEIWA.

There's a great deal more pleasure in a ride to Haleiwa in an automobile than can be found on any other road in the island and more good things at

the end of the journey. The Haleiwa Hotel is under superior management and the pleasure and comfort of the guests have first consideration at the hands of Manager Biggood. Just at this time the road is in good condition and "Fair Moon" lights the way. Auto parties are to be the fad during the cool November nights.

### THANKS FROM HARVEY.

Mr. Herbert believes that all should now work in harmony for the good of the Territory and the Municipality, and it is to promote such a public-spirited condition of feeling between all parties that he proposes the feast here mentioned.

## PROMOTION PROPAGANDA

Honolulu, November 5, 1908. Chairman and Members of the Hawaii Promotion Committee.

Gentlemen:—We continue to hear from our map, "The Cross Roads of the Pacific."

The general agent of the "Washington-Sunset Route" writes under date of October 20, acknowledging receipt of a copy of the map and offers to place a dozen more in the leading railway and steamship offices throughout the city of Washington. It is needless to assure you that the copies asked for were mailed without delay as were several extra copies to the ticket agent of the National Railway in the City of Mexico, who, in writing about the matter, said: "Copy of your map entitled 'The Cross Roads of the Pacific' has just come to hand and we hasten to thank you for the same. As the information so strikingly displayed on this map is of such great interest in a ticket office like ours, possibly the largest in any Spanish speaking country, we shall be glad if you can send us extra copies."

We are also in receipt of additional letters from agents of the Southern Pacific, Northern Pacific and Canadian Pacific Railways, thanking us for copies of the map and stating that they had given same a prominent place in their offices. A number of railway and steamship agents write, asking for copies of the map, stating that they have seen the same in other offices.

A few weeks since, we renewed our supply of folders with the Raymond and Whitcomb agencies throughout the United States, preparatory for the coming winter travel. Acknowledgments are to hand from Boston, New York, Pittsburg and other cities, assuring us that the matter sent will be distributed to the best possible advantage.

Under date of October 26, Mr. Fred W. Prince, city ticket agent of the Santa Fe Railway Company at San Francisco, wrote: "I have your letter of October 16 referring to a marked copy of the Pacific Commercial Advertiser which also was received by the same mail. Your Promotion Committee is certainly working along right lines. I hope sometime, in the near future, to make a trip down there myself and see with my own eyes what all the noise is about."

Dr. L. B. Sperry, the lecturer, writes from Milwaukee, under date of October 20: "I am just finishing up a lecture engagement in the Northwest and have had the pleasure of showing Hawaiian views and talking about your beautiful islands to a great many people. I have just finished the preparation of a lecture on Hawaii (100 views), for the Weister Company of Portland, Oregon, manufacturers of slides and renters of sets with lecture. The Hawaii lecture will doubtless be given a wide circulation throughout the Northwest by this enterprising firm. The twenty fish pictures you sent me I have had made into beautiful slides."

Mr. J. Walter Scott, our agent at San Francisco, writes that, as directed, he is planning for a wide and effective distribution of the 1909 Floral Parade poster. In his letter Mr. Scott goes on to say: "At a theatre party a few evenings ago, I met Mr. Dunann, general passenger agent of the Pacific Coast Steamship Co., who took up with me the matter of an excursion from this Coast to Hilo and Honolulu. He is very enthusiastic over the idea and I might add that you have now struck the right party and when he starts the thing it will not be a failure. I told him that it would be necessary for him to take one of his largest steamers, the President or the Governor."

A letter from Mrs. Frances K. Headlee, who now represents the Promotion Committee at Los Angeles, states that Rev. Dr. Wadman, gave two lectures on Hawaii in the Chamber of Commerce auditorium while in Los Angeles, which were well attended. On the evening of October 22, Mrs. Headlee gave a talk on Hawaii before the

Minnesota Society of Southern California, it being well received. Respectfully submitted, H. P. WOOD, Secretary.

## WILLIAMS ESTATE

The final account of the estate of William F. Williams, the veteran lighthouse keeper who died several months ago, were filed this morning by C. H. Dickey, with a petition for their approval and his discharge as administrator. In order to pay the debts of the deceased it was necessary to sell some property which he had owned but the widow is left with a small lot and a cottage to live in. She also has a small amount of personal property and \$22.56 in cash. Dickey's accounts show that he charges himself with \$1592.52 and asks to be allowed \$1370.96.

The Punchbowl Demon issued a challenge in Monday's Star, which is accepted by Billie Pool of Fort Shafter, providing the Demon is willing to give two or three pounds, as Pool says 165 is as much as he cares to reduce to.

The Catholic Ladies' Aid Society will meet on Friday afternoon at 3 o'clock. It is expected that a large attendance will be present.

## CUMMINS DENIES HELPING ACHI

Road Supervisor Cummins feels very much hurt over the stories in circulation in regard to his political affiliations. It has been stated that he did politics for Achi among the members of the road department, but he denies this most strenuously and a published statement made by Dwight seems to clear him from all blame. Cummins states that he was unable to discharge Achi from the department on account of a letter from the Board of Supervisors calling his attention to the fact that it was contrary to a resolution passed at one of their meetings to discharge any man on account of his political affiliations. In this regard he simply told the men that if he found that they were doing politics during working hours they would get into trouble. When their work was done he could not prevent this.

An auto runabout in first class condition is for sale.

Once there was a man in Love who was Extremely Attenuated. In fact, he grew so slender that his Shadow used to fall into Cracks in the Pavement and had to be pried out.

His Daisy complained that his Knee Hurt her, and that it made her Cross Eyed, to look at him; but she Couldn't Afford to be Particular, and let it Go at That.

One day she Noticed that the Wind no longer Whistled when it Struck him, and that his Clothes seemed Filled Out. She Reproached him Bitterly. "Ah, Clarence! You love me No More!"

"No, Dearest," he said. "My Appetite is Tremendous, it is True, but I Love you Just the same. The Secret is that now I take a Glass of Primo Beer with Every Meal."

He grew Heavy so Rapidly that his Tailor had to Plan Ahead, but he was True to Daisy to the End.

Moral: Primo Beer will give you an Appetite under the most Adverse Conditions.
