MAUI FANS TALK BALL

WAILUKU, January 28.—The coming of Mike Fisher's aggregation of baseball stars to Honolulu has started the talk of baseball during the coming season. Already fans are picking up a team to take the cup away from the Kahului team, its present holders.

It is said there is very little chance of a Waikapu team entering as there is not enough material, but there is no doubt that Wailuku could put up two good teams, which would give the Kahului a hard rub, if not win the cup.

There are many who are dissatisfied with the idea of importing players from Honolulu as that can only be done by the team or teams with enough financial backing to stand the expense of transportation and keep of imported men.

There are others who go further and say that the donor of the Raymond Ranch cup intended that the same should be competed for by Maui players, but there was nothing stipulated to that effect in his letter presenting the cup. In fact, other than stating that it should become the property of the team winning it two successive seasons, he left the fixing of schedules, ground rules, and all other matters to the Maui Association.

The grounds at present are in bad condition but at a small expense could be laid out to the satisfaction of fans and players. The grand stand is in need of repairs and should be attended to before the league opens.

The land is the property of the Wailuku Sugar Co. and is used by the league until such time as the plantation may want to use the same. An attempt has been made to lease the grounds but it did not prove successful. Should the league obtain a lease of the land a high board fence would be built around it and the grand stand removed to a better location. The grounds would also be graded and kept in a better condition.

The people who now take advantage of the lack of a fence to gain free admission, would have to pay to see a game and then the association could better meet its expenses.

It is possible the plantation would exchange with the government and Wailuku will then have a public play ground, where the children could have recreation, as well as the elder people.

Something should be done to keep the children from using our streets as play grounds. They must play, so why not give them a play-ground?

SPORTORIFT

There will be a meeting of the Diamond Head Athletic Club tomorrow evening at the Healanl boathouse at 7:30 o'clock. This will be the postponed regular meeting and important business is down for transaction.

There will be a meeting of the Honolulu Baseball League today.

There may be some baseball sports before the big game on Saturday.

Reilly and Smith will probably come together again under different conditions.

Al. Castle will probably pitch for the All-Hawaii tomorrow. Castle is an old Harvard pitcher.

THE NEXT FISTIC MENU

Joel Cohen will put on another Hilo show at the Orpheum a week from next Saturday and the piece de resistance will be a fifteen-round go between Dick Sullivan and George Peterson.

Soldier McCullough will box eight rounds with Young Scott and Hercules, the cook, will go on with Hans Nelson, a gentleman with the same name as the Battler of that ilk and therefore clearly entitled to consideration.

If the coming bouts are as good as the last the public will have no kick coming.

FAST BALL AT THE POST

Some very fast baseball is being played at Fort Shafter these days and the game played yesterday between companies E and F was no exception to the rule. Co. F won by the score of 5 to 3 but their opponents kept them going every inch of the way.

Oakley for the winners pitched a very nice game, fanning seven players and keeping the hits well scattered.

HIGH SCHOOL WINS AGAIN

While playing soccer at Alexander field yesterday afternoon for Punahou against the High School, Mon Yin, the speedy little center forward, was accidentally kicked in the shin and sustained a broken leg.

The games resulted in the Kams scoring 2 goals to the Aliiolani 0, and the High School defeating the Punahou by the score of 3 to 1.

The games belonged to the regular interscholastic series.

The line-ups were as follows:

First game—Aliiolani College: Shipman, g.; Broderick, rf.; Rickard, lf.; Robinson, rh.; Bea, ch.; Meheula, 1b.; En Pul, or.; Stillman, lr.; Carter, c. f.; Bell, lf.; Kolohio, ol. Kamehamehas: Kekewa, g.; Bal, rf.; Whiting, lf.; Kahanamoku, rh.; Kalmapehu, ch.; Norton, 1b.; McIntyre, or.; Murray, lr.; Akana, cf.; McKenzie, lf.; Kamalopili, ol. Henry Chillingworth, umpire.

Second game—High School: Rice, g.; Henry Chillingworth, lf.; Keiell, rf.; Parker, 1b.; Elmer Davis, ch.; Austin White, rh.; Purvis, ol.; Abe Norton, lf.; Elisha Andrews, cf.; Sing Hoon, lr.; Marcellino, or. Punahou: Fraser and Patey, g.; Lots, lf.; Austin, rf.; Patey and Fraser, 1b.; Withington, ch.; Hitchcock, rh.; Schuman, ol.; Townsend, lf.; Mon Yin, cf.; De-sha, lr.; Hoogs, or. Rickard, umpire.

MAY BUILD EXHIBIT BOAT

Chas. D. Walker, the local boat-builder is thinking of sending a boat to the Alaska-Yukon exhibition to represent the Territory.

There are to be boats from every country there to compete in a test of material and workmanship and Walker's idea is to build a yacht entirely out of Hawaiian woods, mostly koa, and to send her to the great exposition in the north.

If Walker carries out his idea the boat will be a great advertisement for the Territory. One thing is certain, and that is that he may be relied on to send up a craft which will be a worthy representative of Hawaii in Seattle.

Walker will decide on the matter in a few days and if he concludes to put

it through will start building right away.

TRACK NOTES

Dicky Davis, the Maui horseman, who has been visiting in town for a week, returned to Wailuku by the steamer Maunakea today. He states that the Maui crowd will in all probability have a horse for the Fourth of July meeting in Hilo. Davis is sorry that he wasn't here when George Richardson was trying to make a match between Major Collier and Adlon at a mile and a quarter for \$800 a corner as he would have liked to have financed the Adlon end of the transaction.

It has leaked out by the way, that Adlon is good for a mile in 1:41 when he is right.

One thing is certain, and that is that Adlon was not in his best kilter at Hilo last month. Then again, he is said to like to hear his hoofs rattle and to be unable to race in such muddy going as prevailed at the last Hilo meeting.

Louis Warren is reported to have sent to the Coast for a good runner to take the place of his old bread-winner Brunner, which has run his last race. Louis will be wise if he connects with a good one this trip for it costs no more to feed and keep a good one than it does to perform the same services for an ordinary one. Also it's a most unwise policy to bet a thousand dollars on a horse which only cost \$200.

Charlie David is supposed to have left Hilo by the last Enterprise, taking with him John O'Rourke's mare Sannona. The mare will be raced at the Oakland track and if placed in a soft spot may win. She'll be up against a mighty hard game at the Emeryville merry-go-round, however, for the best horses and jockeys in the country are functioning there and the scramble for the money was never so keen as it has been during the present season.

Parnell is said to be going very well in Hilo and is expected by many to reverse his showing with Harry Hurst and Waldo J. when they meet again. Parnell showed much better time at Kahului than he did at Hilo and is a very useful racer when right.

Jack Gibson, the veteran reinsman, is thinking of getting a pacer and entering him in the harness race at the Hilo July races.

ELKS MINSTRAL GOING? SURE

Last night for the first time, the soloists, endmen, chorus and the orchestra all met together at the Opera House for the first dress rehearsal. "Sonny" Cunha combined all these different units into a harmonious whole and the result is more than gratifying. When the merry-makers finally appear before the public, "Sonny" will be sure to come in for a great big share of appreciation, for he has been the leading factor in every department of the show.

The reserved seat sale began yesterday morning at Bergstrom's Music Store and altho the result was very gratifying, there are still a large number of desirable seats. But it will mean that those who are contemplating attending the Opera House either next Thursday or Saturday evening will have to be very prompt in securing their tickets. It will be money well spent, for every member of the cast is determined to out-do his teammates. Better come.
