DESKY GOES WITH PARKER

Chas. S. Desky, the well known real estate man, will accompany Col. Sam Parker to Cuba, sailing tomorrow. Mr. Parker has purchased 26,000 acres of rich land over there and wants Mr. Desky to look it over. There is as yet no suggestion that the cattle king's venture is one largely of speculation, but the presence of Mr. Desky on the ground may induce something of the kind.

The land acquired by Colonel Parker is as fertile as any to be had on the island, and may be easily turned to cattle or sugar raising, or both. The original intention of Colonel Parker was to duplicate his Mana ranch, feasting the West Indian and East American markets with the products. Colonel John T. Baker is interested with him in the venture.

LANDING THE SHEAR LOGS

Rigger Bedford is losing no time in his preparation for the landing of the big guns from the bark Mohican. But the work of preparation is intricate and difficult. Up to now the expert has been engaged on the rigging for the hoisting process, but that is only the beginning. Today the work of getting the shear-timbers ashore was undertaken. This is no small job, for each log weighs about twelve tons. The ship's small engine will be used for hoisting and a railroad locomotive will stand by to assist as needed.

It will be next week before the work of landing the guns will be undertaken. By that time the double-truck arrangement built by Master Car-builder Hughes will be ready to be called into service. Upon this car the guns will be taken to their destination at Pearl Harbor.

SUCCESS ASSURED FOR DRAMATIC EVENING

The box office plan for the dramatic evening to be given at the Opera House next Tuesday by the Dramatic Circle of the Kilohana Art League opened yesterday at the Bergstrom Music Co. and, judging from the number of reservations that have already been made, the entertainment will be a decided success.

Members of the league are greatly interested in the comedy, "Pygmalion and Galatea," which is one of the best-known Greek plays, and which will be presented with costumes and scenery appropriate to the Athens of Antiquity.

Tickets are now on sale at Bergstrom's at \$1 and 75c, with a special rate of 25c to students. John Gray, the old white man who has been a puzzle to the police for several months, was this morning committed to the insane asylum for treatment.

As the 22nd of February draws near the final details in connection with the grand Floral Parade, to be held on that day, are gradually taking definite shape.

Among the ladies and gentlemen at present visiting the Islands the following have kindly consented to serve as judges for the different sections comprising the parade: Mr. and Mrs. J. R. Rear of Vancouver, Mr. and Mrs. H. St. Goar of San Francisco, Mrs. C. E. Ferguson of New York, Mr. and Mrs. R. C. Morse of Seattle. There are still two more selections to be made, and Director Petrie has under consideration at the present time the names of two additional ladies amongst the visiting tourists.

In connection with the judges of the Pa-u Riders, it is thought best to make the selections from amongst local people, and the following ladies and gentlemen have kindly offered to serve on this Committee: "Mrs. J. M. Dowsett, Mrs. Eben Low, Mr. H. M. Von Holt.

It is anticipated that there will be from 40 to 50 automobiles in line, but as additional ones are coming to light as each day goes by, this number may be considerably exceeded. It is earnestly hoped that all planning to enter will immediately report to Mr. J. M. Dowsett, Chairman of the Automobile Committee, in order that proper assignment may be given them for their place in line. All machines will enter the Capitol grounds from Hotel street, and immediately be photographed in front of the Hotel street steps of the Capitol building, after which they will take their place in line, as shown by their number. It is hoped that proposed entries will report not later than 9 o'clock on the morning of the Parade, in order that there may be as little delay as possible in getting the grand pageant started.

Owing to its size there is apt to be more or less confusion, unless everyone is willing to work hand in hand with the Committees and assist as far as possible in facilitating the moving of the parade with dispatch and promptness. Mr. L. Petrie, the marshal, with Mr. J. A. Hughes of the Committee on Grounds, visited Kaplolan Park this morning for the purpose of laying out the general arrangement where the assembly will be made—also the location of the judges' stand.

W. A. Greenwell, chairman of horse-back riders section, requests that all persons who expect to enter in this division make the fact known to him at once. In this section there will be a corps of stunning cavalry girls, and another band of up-to-date Wild West girls. All who take part must be in appropriate costumes, or decorated to the satisfaction of the Committee, since no unadorned riders will be admitted to the parade.

MISS CIVILIZATION AND THE ROMANCERS.

The arrival of gorgeous costumes from the coast by the last boat has delighted the hearts of the members of the cast of "Miss Civilization and the Romancers," the two plays to be given by the Punahou Dramatic Club at Charles R. Bishop Hall, Saturday evening at 8 o'clock.

The scenery painted by students of Oahu College under the direction of Mr. D. Howard Hitchcock will be put in place for the dress rehearsal tonight.

Miss Civilization is the curtain raiser and is a brilliant sketch of a bright American girl outwitting three professional burglars.

The Romancers tells of love in a garden and has a diverting plot that amuses from bell to bell. The ludicrous situations in which two lovers and two dotting irascible fathers involve themselves and from which they finally extricate themselves are cleverly worked out by Gemma Wadman, Reynold McGrew, Gay Rothwell, Bert Gibb and Rexford Hitchcock.

Reserved seats at 75c are on sale at Bergstrom's.

BIG SHIPMENT KONA COFFEE

The schooner Ka Moi came in this morning from Hawaii with one of the largest shipments of high grade coffee made from there in a long while. There were 218 bags of it, valued at nearly \$13,000. The coffee is shipped by the Captain Cooke Coffee Company (J. B. Castle), of Napoofoo, and will go to the Coast in the Hilonian.

There was a quiet wedding Monday evening upon the arrival of the S. S. Lurline, when Mr. R. William Warham the genial proprietor of the Manhattan Cafe was married to Mrs. M. Schoonover of California. The happy couple will reside permanently in Honolulu.

ENCAMPED AT MOANALUA

Shortly after 8 o'clock last evening nine companies of the First Regiment, National Guard of Hawaii, under Colonel C. W. Zeigler, headed by the regimental band, took up the march from the armory to the camp ground at Moanalua. The parade continued through town and the route step was ordered beyond Paia. Moanalua was made in less than two hours. At the camp the men were assigned to tents temporarily, the permanent assignment being made this morning. Regulars from Fort Shafter arrived at the camp ground yesterday morning and pitched the tents. They were commanded by Major Dunning, who is also commander of the encampment. For the National Guard, Captain M. M. Johnson, quartermaster, with a corps of assistant, put the militia camp in order. Men of both the quartermaster and commissary departments were at work there all day.

The men began assembling at the armory about 7 o'clock, and long before the hour of departure the place was alive with volunteer soldiery. Companies D, of Hilo, I of Waiuku and L of Lahaina had taken up temporary quarters in the shooting gallery and formed there, joining the Honolulu companies later on the parade grounds. When they moved out the companies averaged fifty men apiece, which is considered a very good muster.

This morning there was guard mount at the camp and the regular routine of camp life was taken up with vim. This afternoon there will be regimental and battalion maneuvers, and each day there will be parades and drill. The camp will be kept up until Sunday night.

The camp is situated on the brow of the hill just beyond the polo field at Moanalua. It is an ideal place for the purpose. The regulars and National Guard have separate streets but all the business of camp life is carried out together. Buses are being run from Kaili for the benefit of the soldiery and of friends wishing to visit the camp. The distance from the end of the car line to the camp is about three miles. On Sunday "open house" will be kept by the volunteers and regulars, the hours to be announced later.

BEEF ARRIVES ON HILONIAN

An important item in the cargo of the Hilonian, arriving this morning, was 300 carcasses of beef for the Metropolitan Meat Company. This importation, and others to follow, results from the drought on Hawaii and the failure of the ranches there to deliver the customary number of cattle.

The first lot of beef to arrive came in the Lurline. This second shipment is much larger and will be sufficient to meet the local demand for some days. Other cargoes are to follow. The Hilonian, Lurline and Alameda are all fitted up for ice goods and will be used freely by local meat shippers until the famine is over.

POPULAR DEMONSTRATION.

There is going to be a rally of athletes at Haleiwa when the Marathon walkers reach there. The rally means more than giving the public an opportunity to see an assembly of young men of endurance, it means a demonstration in favor of keeping island roads up to a standard of that between Honolulu. The walk, or race, over the line should be taken as evidence that if the road is good enough to race over it is good enough for automobile riding. Persons desiring accommodations should communicate with St. Clair Bldggood, manager.

SESSIONAL NOTES.

Senator Moore divulged at the love feast between the two houses yesterday that it was his birthday, whereupon Senator Chillingworth made the same pleasant confession. It is a nice coincidence that a Democrat who had broken into the Senate at last election and a holdover Republican member should have their birthdays signalled by falling on the opening day of the Legislature of 1909.

Senator Robinson is one of the noblest of the upper chamber solons, and the little he has spoken thus far indicates that he is sprightly of speech. Maui may hope to be proud of her new senator.

Governor and Mrs. Frear will give a reception to members of the Legislature on Monday from 4 to 6 p. m. Special invitations are issued only to the guests of honor, but the Governor wishes it stated that Mrs. Frear and himself hope everybody else will come.

Col. Samuel Parker and Col. John T. Baker are booked to sail in the Korea tomorrow for Cuba. It is said that they will look over the opportunities for investment in the little republic.
