LOGBOOK

The new Matson steamship Wilhelmina will be launched this week at Newport News.

The U. S. A. transport Logan leaves for Manila at 10 a. m. tomorrow.

The S. S. Mongolla is due from Yokohama on Friday.

The S. S. Makura is due from Victoria on Friday.

The S. S. Manchuria's freight for here included two carloads condensed milk and two automobiles.

Because of the enormous offering of East-bound cargo, the American Hawaiian Steamship Company will dispatch its big freighter Alaskan from here September 28th for Salina Cruz. Instead of the freighter Nebraska, which is a smaller carrier. The latter will probably make the usual trip out to the islands and from there to the Pacific terminal of the Tehuantepec route.

The company's freighter Nevada got away last evening for Salina Cruz carrying a full cargo of wine, canned goods, dried fruit and general freight for shipment to New York and Europe. About Friday the freighter Columbian of the same fleet is due in from Salina Cruz. She is bringing cargo from the steamers Hawaiian and Lukenback of the Atlantic fleet, which left New York July 31st and August 8th respectively.—Chronicle, Sept. 8.

BOWEL COMPLAINTS IN CHILDREN

Children when weeding are liable to attacks of diarrhoea and this trouble, especially in warm weather, should never be neglected. The best medicine in use for ailments of this kind is Chamberlain's Colic, Cholera and Diarrhoea Remedy. When reduced with water and sweetened, it is not unpleasant, which is of great importance when giving medicine to children. For sale by all dealers. Benson Smith & Co., agents for Hawaii.
