CHAMBERLAIN'S COLIC, CHOLE-RA AND DIARRHOEA REMEDY.
There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been in use, people have learned that it is the one remedy that never fails. For pain in the stomach, diar-

rhoea or infantile cholera, this remedy has no equal. It has been used in many serious and dangerous cases and has never been known to fail. When reduced with water and sweetened it is pleasant to take. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.

BROTHER BRISBANE'S FLIPFLAPS.

Advertisement in the left-hand upper corner of Brother Brisbane's Evening Journal of July 9th: "NEW FIGHT PICTURES. The Evening Journal today presents more striking scenes of the Jeffries-Johnson battle. The photographs will be found on pages 2 and 3 and the Sporting pages." Extract from Brother Brisbane's impassioned editorial on the last page of the same issue of the same paper: "This newspaper protested against the fight from the beginning. It appealed to the Governor of California to prevent the brutal spectacle in that State—we now appeal to public officials everywhere to use the authority which they undoubtedly have to prevent the exhibition of the moving pictures." "Any public official that favors the exhibition in pictures of the degrading prize fight, or fails to use his authority in opposition to such an exhibition is unworthy of public office and blind to his opportunity and duty." Brother Brisbane he makes us laugh. Some of the pictures he prints with so much gusto in the paper he edits are from the very films that supply the moving pictures against the exhibition of which he protests. And yet, on the whole, we agree with him in hoping that the moving pictures will meet with so much opposition that they won't pay. We don't think they are so bad in themselves, but as part of the means for making prize-fights profitable they are objectionable.—Harper's Weekly.
