

That Little Hacking Cough

Hard coughs are bad enough, to be sure. But it's often the little, hacking, tickling, persistent cough that means the most, especially when there is a history of weak lungs in the family. What should be done? Ask your doctor. He knows. Ask him about the formula on the label of every bottle of Ayer's Cherry Pectoral. Ask him if this medicine has his full approval for throat and lung troubles. Then do as he says.

SPORTS

BASEBALL IN THE MILITARY SERIES

The leading sporting events of the next three days will include the baseball games at the league grounds tomorrow afternoon and Monday afternoon. Up to now these games have been beautifully one-sided, the St. Louis team being on top of the heap and the National Guards practically out of it. It is doubtful that the remaining jolts of the series will change matters very much, although one can never tell in local baseball.

It was stated yesterday afternoon that Sergeant Barry had again been called upon to brace up the National Guard team. He has had nothing to do with the team this season, and it appears that as soon as he let go the bunch went loko. As soon as he was "invited" yesterday Barry began rounding up his old players, and by nightfall had secured the promises of a real heavy team to turn out for the remaining games.

The victorious St. Louis team will meet the Punalohus on the diamond tomorrow afternoon, and unless appearances are deceiving will be gently taken into camp. Certain it is that the former bunch will run up against something they have not tackled before, and unless they play fierce ball they will not have a look-in. The second game tomorrow will be between the Military and Marines, with the odds in favor of the latter.

On Monday the Military will meet the National Guard, and it is that game about which all the above mentioned fuss is being made. On the same day the Punalohus will take a fall out of the Marines. Both of these will certainly be well worth seeing.

NO MORE FIGHTS IN NEW YORK CITY

NEW YORK, August 17.—The sudden action of the authorities in preventing the Kaufman-Lang fight last night is regarded here as another body blow to the fight game. Acting Mayor Mitchell holds that the contest was not to be an "exhibition" but a "fight" and he said he could not understand why \$15,000 worth of tickets had been sold if the affair was merely a sparring exhibition before an athletic club. Mitchell announced today that there would be no more fights held in New York while he was acting Mayor. It is expected that Mayor Gaynor will take the same stand when he returns to his duties.

OAHU JUNIOR LEAGUE ADOPTS SCHEDULE

At a meeting of the Oahu Junior League held last evening the schedule for the second series of games, to begin Sunday next, was adopted. As the Senior Oahu League has postponed its series a week, the juveniles will start out alone. Following is the schedule adopted:

- September 4—Palama vs. C. A. C.; Muhoock vs. Asahi.
- September 5—C. A. C., Jr., vs. Asahi, Muhoock vs. Palama.

- September 18—Asahi vs. C. A. C., Jr.; Muhoock vs. Palama.
- September 25—Muhoock vs. C. A. C., Jr.; Asahi vs. Palama.
- October 2—Palama vs. C. A. C., Jr.; Muhoock vs. Asahi.

MOTORCYCLE OF 1912.

The change in motorcycle construction in Europe this year points to more radical changes in the coming years, and the final discarding of all types of machines with pedals and saddle seats. The machine of 1912, with duplex frame and mud-shield to protect the rider from mud and wind, roller wheels to prevent side-slipping, a bucket seat in place of the customary saddle, and an engine started by a crank mechanism instead of by pedals. The feet of the rider find a rest on the lower part of the mud shield which extends down from in front of the rider and meets the shield that covers the rear wheel.

FORREST'S RACE.

Much interest is felt in the relay skating marathon to be raced by Joe Forrest at the Princess rink Sunday evening, when the champion will go up against three of the best skaters in Honolulu for a mile each. As this will be Forrest's last appearance in this city the audience should be a very large one.

JACKSON'S LATEST.

Nigel Jackson, of Marathon fame, who has at one time or another engaged in every kind of work known to local mankind, has ceased trying to make a fortune polishing shoes and is now doorkeeper at the Empire theater.

WANT FOOT RACES.

Kaao, champion marathon runner of the Hawaiian Islands, stated yesterday afternoon that a marathon race would be arranged for the afternoon of September 17, to take place at Athletic park. He said there would

be five entries, and that the prizes would consist of three medals. A prominent local attorney was named as the "silent" sponsor for the event, but it is understood that the legal gentleman sidesteps from the proposition.

Nigel Jackson, when seen about the matter, said that such a race would be impossible for the reason that there was no one here capable of and willing to stand a marathon race against Kaao, particularly if there were no more in it than a medal.

Jackson is himself figuring out plans for a road race in the city to take place in the near future.

SCHOOL BOYS' CLASS.

In addition to the class for working boys, R. S. Gault has organized a gymnastic class for school boys, the class to meet on Mondays, Tuesdays, Thursdays and Fridays of each week. The members of this class will be boys between 12 and 17 years of age, and the exercises will be in calisthenics, wrestling, tumbling and gymnastic games. There were eight present at the class meeting yesterday and the number will undoubtedly increase rapidly as time goes on.

SHELL RACE LIKELY.

Arrangements have practically been completed for a four-oar shell race between crews of the Healani and Myrtle boat clubs on Regatta Day. This event was decided upon yesterday afternoon and it is quite likely that it can be successfully brought off.

TENNIS IN MANOA.

The entertainment committee of the Manoa Valley Tennis Club is working on a plan for a tournament to be pulled off near the end of the present month. If all goes well the affair will be highly interesting from every view point. There are now nearly fifty members of the Club and all are very enthusiastic about the tournament.

Two applications for membership in the club are now on file and will be acted on at the next meeting.

LOCAL CRICKETERS.

Members of the Honolulu Cricket Club just now have their ears to the ground in anticipation of definite news ere long concerning the proposed visit of the British fleet to these waters. Such a visit would mean an avalanche of cricket such as Honolulu has never known.

James C. McGill, one of the foremost cricketers of the city, says: "Just let us have some definite information regarding the visit of the big British fleet and you will see cricket jump into the front rank of local sports. Cricket of late has been greatly harmed by golf and other lines of sport which our members have taken up—so much so, in fact, that we have practically no plans for a season this fall. With a certainty of British teams coming in, however, all would be changed and the grand, old game would at once come into new and greater prominence."

BASEBALL IN KAU.

Recently a game of ball was played at Nalehu between the Mauna Loa boys and the Kau nine. The Kau boys were: Kealoha Pa, pitcher; William Bartels, catcher; William Meinecke, shortstop; Stephen Apika, right field; Kelehu Polehu, third base; George Keowalu, second base; Kaena, left field; Kapuhilili, center field. The score was four to nothing in favor of Kau.—Hilo Tribune.

SWIMMER COMING.

It is stated that Warren McNeill, a coast swimmer of note, will arrive here in the IWhelmina next week for a trip, and while here will be the sporting guest of Sergeant Barry and the Healani Boat Club. He is only 19 years of age, but is said to be a good one.

SPECIAL SKATING RACE.

A new skater has turned up here and Joe Forrest will take him on at the Princess rink Sunday night. His name is George Wilkinson, of Portland, Ore., and he is said to be a good one. This race will be in addition to the relay marathon which Forrest will have on the same evening.
