## GOOD NEWS FOR HAWAII; FRISCO GETS THE FAIR

(Associated Press Cable to The Star.)

WASHINGTON, D. C., JANUARY 31.—BY A VOTE OF 259 TO 43 THE HOUSE OF REPRESENTATIVES TODAY ADOPTED A JOINT RESOLUTION WHICH GIVES THE GOVERNMENT RECOGNITION TO SAN FRANCISCO'S CLAIMS TO THE GREAT FAIR TO BE HELD IN 1915 IN CELEBRATION OF THE OPENING OF THE PANAMA CANAL.

THE NATIONS OF THE WORLD ARE INVITED TO PARTICIPATE IN THE EXPOSITION AT THE WESTERN METROPOLIS.

ON THE PRELIMINARY VOTE FOR THE IMMEDIATE CONSIDERATION OR A POSTPONEMENT OF THE RELATIVE CLAIMS OF SAN FRANCISCO AND NEW ORLEANS FOR THE WORLD'S FAIR, SAN FRANCISCO RECEIVED 188 VOTES TO 159 VOTES FOR NEW ORLEANS.

January, 31, 1911.

"To San Francisco Merchants' Association, San Francisco.

"CONGRATULATIONS AND BEST WISHES FOR THE GREATEST EVER IN 1915.

"HONOLULU MERCHANTS' ASSOCIATION."

As soon as Honolulu was this morning made aware by cable of the welcome fact that San Francisco had been awarded the great Panama canal opening exposition in 1915, Oscar White, president of the Honolulu Merchants' Association, cabled the above to the San Francisco Merchants' Association. "It is splendid news," said President White, "and the whole territory has reason to be delighted at the information. The business men of Honolulu

have hoped all along, naturally, that San Francisco would get the fair and we are all pleased beyond expression to realize that she has won out. Honolulu as well as San Francisco is to be congratulated. We will be benefited along with the California metropolis. The Honolulu Merchants' Association passed resolutions favoring the exposition being held in San Francisco

## SUPERVISORS LACK AUTHORITY TO CARRY OUT CONSOLIDATION PLAN

As a result of the opinion given to the supervisors yesterday by F. W. Milverton, deputy city and county attorney, an amendment to the municipal act will be asked by the supervisors giving them more power over the office of road supervisor. Milverton was asked for an opinion as to the power of the board to reduce the salary of the road supervisor or cut it out altogether. His reply was as follows:

"To the Honorable Mayor and Board of Supervisors of the City and County of Honolulu:

"Gentlemen:—The Board of Super-

visors on the 24th inst, referred to this department for report the matter of the power of board of supervisors to eliminate the salary of the Road Supervisor, and the power of the board to abolish the salaries of clerks in the Road Department;

"While it is doubtful whether the Board of Supervisors, as the law now exists, has the power to entirely abolish the office of Road Supervisor or to cut off the salary entirely, yet in my opinion the board has undoubtedly the power to reduce that salary to

## SHRINERS WERE TOLD THERE WAS NO ROOM IN THE HOTELS

"Acting upon statements made to us by the Young and Moana hotel management, the Shriners' Home Committee has written to San Francisco stating that no accommodations for visitors can be expected in the local hotels in February," said John A. McCandless chairman of the Shriners' home committee, this morning. "We are therefore surprised to see it stated that there are plenty of accommodations in the hotels. We were told last Friday that there were now only eight

poor rooms in the Hawaiian and none in the Young and that twenty of the Moana's thirty cottages were occupied.

"We interviewed the hotel management and were plainly told that no accommodations could be promised. We wrote to San Francisco accordingly and the 'home committee' was revived, to find accommodations in private homes for visiting Shriners. Since the Shriners and Elks began the plans to have many visitors here, the matter has been taken up several times, and the result has been this final notice from the hotels that there were no accommodations.

"The Seaside has stated that it can take care of twenty-eight or thirty people. But the other hotels have told us not to rely upon them for any rooms at all.

"In connection with the statements now being made, we think that if there is any misapprehension as to hotel accommodations, the hotel management alone is to blame."

## McQuaid Is Free, Sane Again Now

The final stage of the case of William M. McQuaid, who has been tried on a charge of having assaulted Volney C. Driver with intent to commit murder, was reached this morning, when McQuaid was discharged from custody as being sane.

The proceedings were held in Judge Cooper's chambers, and there were present Dr. N. B. Emerson, surgeon of police department, Dr. C. B. Wood, and Attorneys Douthitt and Coke, who had conducted the case for the defense.

Drs. Emerson and Wood had been

appointed a commission to assist the court in arriving at a decision.

Dr. Wood said that he had just had fifteen minutes conversation with McQuaid. He had met him last night, when he examined him. As far as he was concerned personally, he was satisfied with the examination that he had made.

Dr. Emerson said that he would like to talk with Dr. Wood, but he could not say that he had made an examination. If he had to make a report on his examination, then propriety would

## Auctioning Church To Build Apartment House

On the eighteenth or twenty-fifth of this month the old Methodist church of this city, on the corner of Beretania and Miller streets, will be sold at auction and it is expected that on the site thereof will be erected an up-to-date apartment house of handsome design, to cost between \$55,000 and \$60,000, fully furnished, and to be put up by the Trent Trust Co.

There is over half an acre in area on the site mentioned and the projected building will include sixteen apartments to rent at \$50 each per month. Each apartment will have a parlor, two bedrooms, with dis-

appearing beds, toilet, kitchen, with gas stove, and pantry. A lanai will be part of each rooming section. The building will face on Miller street, with an end on Beretania street. The appearance of the new apartment house, practically the first establishment of its kind to be erected in these islands, will be such as to add beauty to the neighborhood and is likely to prove a pioneer in its line, for it is the talk of several capitalists to put up similar buildings for the accommodation of the constantly increasing population through tourists

## NOTICE TO PROPERTY-OWNERS, THE SUPERVISORS WANT SIDEWALKS

In accordance with an opinion given by the city and county attorney's department, the supervisors are planning to ask the legislature for power to enforce the laying of sidewalks. Supervisor Low wanted an ordinance to compel all property owners within three and a half miles of the Post-office to curb the sidewalks of their property. Under the following legal opinion it is held that nothing can be

done until the legislature gives more power to the supervisors:

"To The Honorable Mayor and Board of Supervisors of the City and County of Honolulu.

"Gentlemen:—At a meeting of the Board of Supervisors held on the 17th inst., a request was made by Supervisor Low that this department pre-

## NEW MANAGER FOR SEASIDE

J. D. Cameron will tomorrow take charge of the Seaside Hotel, which has recently been rather without any definite management. The hotel is at present full and Cameron is taking hold with the idea of making such changes as will add to the attraction of the beach resort. Cameron was formerly a member of the Los Angeles Chamber of Commerce. He became infatuated with Hawaii on visiting here and has since determined to make this his home. For a while he was with the Alexander Young Hotel, in the office, and later he was identified with Macfarlane & Co., at present being with the Kaimuki Land Co. He is well liked by all who know him, and it is believed that he will make a success of his new duties. Many improvements are planned for the Seaside before many months have passed.

## JUROR WELSH IS RELEASED

John Welsh, the jurymen who was on the McQuaid case, and was arrested for having been intoxicated, was before Judge Cooper this afternoon to make an explanation regarding his conduct, in answer to a contempt citation.

Welsh stated that he told Captain Nielsen and a couple of others that he was a jurymen.

Judge Lymer stated that he did not know that Welsh was a jurymen. When Welsh was before him, he seemed quite sober.

Turnkey Fern was sent for, and he admitted that Welsh had told him that he was a juror. He in turn, reported the statement to Captain Nielsen.

Judge Cooper said that Welsh was relieved of the responsibility to show cause, and as he was likely to be subject to such lapses, he would relieve him from further attendance as a juror.

the unveiling ceremony should take place within the next few days. So far, however, the committee in charge of this matter, of which Judge Dole is the president, has been unable to ascertain when the work will be completed, so the matter of unveiling the statue cannot yet be determined.
