

Are You Thin? Pale?

All run down, easily tired, nervous? And do not know what to take? Then go direct to your doctor. Ask his opinion of Ayer's Sarsaparilla. It contains no alcohol, no stimulation, and is a blood purifier, a nerve tonic, a strong alterative, a aid to digestion. Ask your doctor about Ayer's non-alcoholic Sarsaparilla as a strong tonic for the weak.

**GAME WON IN FIRST INNING**

Though it was expected that St. Louis would win out from the Central Grammarians in yesterday's game in the Grammar School League, it was hardly thought that the game would be won in the first inning, yet that is just what happened, for the Saints piled up seven runs the first shake out of the box and held the Centrals down to five in their nine innings.

It was a disappointing game, for the Central Grammarians fell down badly in the first spasm, though they played better ball later on, when the game was safe for the Saints and Centrals couldn't make up the leeway. After the first inning ruffest both teams settled down to quieter play, but St. Louis had six men over the plate after that and Centrals scored five of their men. The game was marked by good play on the part of the Saints, only one error charged against them, while Central Grammar had seven to their debit.

After playing four games and being beaten in each, it looks as though Central Grammar will remain in the cellar to the end of the competition, though they have a chance of getting out by winning from Iolani on the 10th inst. The Saints have an excellent chance of maintaining an unbeaten record until they meet the Kama on the 15th inst., for the only match which intervenes in which they are concerned is the game against Iolani on Friday. The standing of the teams in this tournament is as follows:

	P.	W.	L.	Pct.
Kamehameha	3	3	0	1000
St. Louis	2	2	0	1000
Kanuhuanu	3	2	1	.666
Punahou	2	1	1	.500
Iolani	2	0	2	.....
Central Grammar	4	0	4	.....

**SPORT NOTES**

**Athletic Park Improvements.**  
In order to minimize the danger to spectators in the central stand at Athletic Park from being hit by foul tips, the directors of the Park have renewed the wire netting in front of the scorer's seat, which incidentally is also the press box. The wire there was very bad and was a standing menace, but this has now been rectified. The grounds are better now than ever they were, and the consideration of the directors for the safety of its best patrons will no doubt be much appreciated.

**Sunday Games Excite Interest.**  
The two ball games set for Sunday in the Oahu League series are the subject of general comment among fans, who are rather at a loss to shape up the chances of the four teams engaged. The best match of the day should be the encounter between the Portuguese and the Japanese, for in this game it may well be anticipated that a better class of ball will be served up than in the game between the Stars and the Native Sons. This is not detracting from the individual plays of the last mentioned teams, but as collective units the Japanese and the Portuguese are on a higher plane at the moment than are the Native Sons or the Stars.

On last Sunday's play the Native Sons should be given the palm over the Stars and the Japs over the Portuguese, but the Portuguese are expected to rise to the occasion and hold the Japs, while the Stars claim they will put up much better team work. It was in this department that the Stars were weak, and it may well be that on their second appearance they will exhibit better all-around play. There is certainly room for improvement all round. So far, the Japanese have made the best showing, then the Portuguese, Native Sons and Stars.

"Wait till the Native Sons get into their stride," say the supporters of this team, "and the Japanese will

**HAWAII YACHT CLUB MEETING**

Keeping up the pace set from the opening of the season, members of the Hawaii Yacht Club gathered together last night in the offices of John H. Magoon to make final arrangements for the two cruises scheduled for this month. The meeting was an enthusiastic one, members cooperating heartily with the committee in a manner which augurs well for the ultimate success of these two functions.

The first cruise of the month will take place on the 13th and 14th insts. to Waianae, and it is to be handled by Vice Commodore Kerr, the reins of control being temporarily relinquished by Commodore George Crozier for this occasion only. The greater amount of attention, however, was paid to the arrangements for the cruise to Pearl Harbor, which is set down for the 27th and 28th insts., for on this occasion the members will have an opportunity of entertaining their lady friends—wives, sweethearts, or just friends, as the case may be—and naturally the boys want to make the affair the swellest of the year.

The first-class yachts will be requisitioned to carry the fair ones down to Pearl Harbor on the 27th, but, for the convenience of those who are unable to stay over night, special trains will be run on the Sunday morning which will land excursionists at Pearl Harbor in plenty of time for them to participate in the day's sports. Races for the Wrens and the Pearls have been arranged, but the big yachts will take no part in races, excepting to act as flagships and follow the races for the benefit of the guests.

It is anticipated that the attendance will be a record and energetic committees were appointed to handle all the requisite preliminaries. Vice Commodore H. L. Kerr and Kenneth Brown will handle the finances; Jack O'Brien, E. Podmore and E. Meeker will see that everybody is well entertained, and that arrangements are fully completed along the line of entertainment; R. Reitow and Harry Bailey will look after the transportation of guests and the lighting of the boats, etc., while George Turner and Secretary John H. Magoon will be in charge of the refreshment end of affairs.

Perhaps the most popular feature of the cruise will be the dance to be held at Pearl Harbor on the evening of the 27th, for at this the ladies will co-operate with the men to make the affair a signal success.

**Honorary Members Elected.**  
Francis Smith, J. Hartman, Doctor O'Connor and E. Podmore were elected honorary members of the club.

Take a back seat. Well, that may be so, but at present it looks the other way about. However, Sunday's games are awaited with interest by a host of fans.

**Boat Club Compact Again.**  
A meeting of the directors of the Healan Yacht and Boat Club will be held in the club-house tomorrow evening at which the question of the proposed compact with the Myrtles will be decided once and for all. The directors will also discuss plans for the renovation of the club-house. The season promises well, even though no swimming is yet permitted in the harbor.

**NO RASH PROMISES.**  
"Wombat must have made garden before."

"Goes about it in an intelligent manner, does he?"  
"Yes; he isn't promising his friends any vegetables."—Kansas City Journal.

"Do you think he really married her for love?"

"Of course. There was no other reason why he should have married her, was there?"

"I don't know. I thought he might merely have been kind hearted."—Chicago Record-Herald.

peet to return to their home in San Francisco in the next Sierra, and will receive an elaborate send-off by their score of island friends and admirers.

Great interest is being taken by the majority of the residents of Kaimuki in the elaborate garden party which will be given on Saturday next at the handsome residence of Mr. Frank Cooke.

The beautiful grounds alone will be worth seeing and will afford opportunity to many hundreds of people who have passed the spot looking yearningly in wonder at what hidden beauties could be seen up among the trees on the terraces.

The pretty lingerie frocks of the society matrons and young girls who are actively interested will add to the delicate beauty of the scenery, and every moment will be filled with new and unexpected delights.

Following are the ladies on the various committees:  
General chairman—Mrs. G. W. R. King.

Fancy work—Mrs. J. W. Pratt, chairman; Mrs. F. A. Saylor, Mrs. F. F. Bickerton, Mrs. A. Moore, Mrs. E. A. Berndt, Mrs. Ralph Johnstone, Miss Mabel Armstrong.

Grounds and construction—Mr. M. H. Webb.

Tickets and decorating—Mr. G. W. R. King.

The Punahou Bridge Club, which was organized early in January, and has been meeting informally at the homes of the ladies of the club, was duly launched into its new routine when the members met last evening at Washington Place as the guests of Her Majesty, Queen Liliuokalani.

The reception room where respects were paid to the hostess, was beautifully decorated in gracefully drooping rare palms on tall Chinese teak wood pedestals, and the only touch of color was displayed in the huge gold jar of royal yellow corals which rested on a mandarin scarf thrown over the grand piano.

Her Majesty wore an oriental robe of cream satin lined with plush pink silk and elaborately embroidered in huge bluish pink chrysanthemums.

Four tables of bridge were contested in the royal presence, the gracious hostess bestowing the honor of presiding.

The ladies' prize was won by Mrs. McVeigh, who was presented with a handsome pair of rock crystal rose bowls from Wichman & Co.

Mr. Spitzer was the winner of the

gentleman's trophy, a thermos bottle.

At the conclusion of cards elaborate refreshments were served, consisting of silver salvers of sliced turkey and chicken, various sandwiches, deviled crabs, salads a la poulette, ices, hot chocolate and coffee.

These were passed by Chinese waiters and served at small tables.

At this auspicious meeting of this select club, whose membership is restricted, Her Majesty was added to the list as an honorary member and was requested to select an appropriate Hawaiian name for the organization.

Those belonging to the club are Mrs. Annie Conrath, Mrs. Eugene Buffandeau, Mrs. George H. Robertson, Mrs. Alka Dowsett, Mrs. J. D. McVeigh, Mrs. Peterson, Mrs. Charles W. Booth, Mrs. George Beckley; Messrs. John Almoku Dominis, Joseph K. Aea, Eugene Buffandeau, Lorin Andrews, T. P. Cummins A. Spitzer and Walter Benkbane.

Last evening Colonel and Mrs. Curtis P. Iaukea were present at the meeting.

The club meets every first and third evening of the month and the prizes of Bohemian ware, cut glass and rock crystal have always been remarkably handsome.
