Aching Heads Are Bad for Business

No one can transact business properly when his head is fairly splitting with pain.
No saleswoman or salesman can give satisfactory attention to customers when suffering from this torture.
Business of every kind today demands clear-headed consideration—free dom from disturbance as far as possible—and the aching head is a hindrance. You can assure yourself certain relief from headaches by taking

Stearns' Headache Wafers (Shac)

One dose cures and you do not want it again until another headache comes; then you take them because you know what they will do for you. They are free from habit-forming drugs.
Justice to yourself demands that you get STEARNS'—the genuine.

WOMAN'S BOARD

The Woman's Board of Missions will meet in the chapel of Central Union church tomorrow afternoon at 2:30 o'clock, happy in welcoming again to her chair its president, Mrs. Theo. Richards, who will conduct the devotional service, give notes from her journey, and a resume of the meeting of the Woman's Board of the East, which it was her privilege to attend. The topic, "United Study"—"The Means Employed to Reach the Women-Hospitals and Other Philanthropies," will be presented by Miss Clara Zeigler. Reports will be given also from the Lima Kokua and Kin Kokong Tau Ful. A good and interesting hour is expected and all ladies, members and others, including strangers in the city, are most cordially invited.

COOL, CRISP WEATHER.

A lot of people pick the week-end as the time for going out of town to cause it gives them a chance for a long sleep in the morning and a good rest. On the other hand, those who like mild athletic pastime go to Haleiwa for the pleasure the links and the tennis courts and the bathing affords. On Thanksgiving Day there was the better than usual rush by persons who did not want the bother of preparing dinner at home and some of the party remained to enjoy themselves to the full. But there is no set time for pleasure at Haleiwa. There is always something doing and it is done well. This applies to the meals and service as well as to other things. Trains on the O. R. and L. Co. will carry you to the edge of the lawn.

THE WISE MOTHER.

The most prominent physician in the country can not produce better results in the treatment of coughs, colds, croup and whooping cough than the wise mother with a bottle of Chamberlain's Cough Remedy. She always keeps it in a handy place and knows where to lay her hands upon it. With a few doses of this remedy she gets the cold under control at its beginning and avoids all danger of serious results. It contains absolutely nothing injurious and is the mothers' favorite all over the world. For sale by all dealers. Benson, Smith & Co., agents for Hawaii.
