## BARRY'S BEAUTS WIN MATCH FROM THE COLORADO NINE

Out at the old league grounds yesterday afternoon there were two games of baseball that attracted the fans to the well known rendezvous. The first game was between the West Virginia nine and the Hawaiis. It resulted in a victory for the sailors by a score of 8 to 7, but it took eleven innings to do the trick. The second game was put up by the Colorado bunch and Barry's Beauts. The result was a win for the Beauts, by a score of 5 to 4.

The two games were interesting enough, although a lot of remarkably funny plays were brought off by all the teams. The crowd went up in the air with joy when the Beauts managed to add the one run necessary to defeat the sailors.

The Colorado boys want another go at the Beauts before the fleet leaves Hawaii. The full scores and lineups were as follows:

## ATHLETIC PARK SCENE OF SPORTS

At the Athletic Park yesterday a tied game of baseball was played between the Aalas and the Muhoeks. The game went nine innings, and both teams scored eleven runs. It was not much of a game, and it had to be stopped to allow of the King-Woodward endurance race being run off.

The running race was won easily by King, who ran in good form. He covered nine miles, four laps and sixty yards in one hour. At the end of the hour Woodward was nearly two and a half laps behind King.

Before the big race started there was a half-mile event between Farren and Anderson of the fleet. The former won by half a lap and his time was 2:13.35 for the half mile.

The half mile running race Saturday afternoon at Mollili was won by Jimmie Fitzgerald, who created a new record. His time was 2 min. 7 1/2 sec, which is half a second better than the previous best. The record stood for eight years.

**FITZGERALD AND AYRES WINNERS**  
 Ayres is Champion Walker.  
 W. H. M. Ayres, who was challenged by N. Jackson to a mile walking race, won the event. It was a good race throughout. Jackson led until the seventh lap, when Ayres came up, rapidly overhauled him, and won strongly. The time was 9 min. 4 sec. The record is 8 min. 55 sec. The track was grass, and seven laps went to the mile.

**SPORTDRIFT**  
 There will be a great time at the Waikiki luau this evening, and the fleet ball teams that have been invited to be present are as follows:  
 West Virginia—Bush, Snyder, Lenhoff, Phelps, Wettengel, Gingrass, Meeker, Abrahamson, Freels, Legge, Thomas, Sperry, Quintero, Smythe.  
 California—Emmons, Horkowski, Winslow, Pederson, Carroll, Drilling, Stoffel, Cook, Lone, Gesele, Machado, Coll, Strong, Frid.  
 Maryland—Kaiser, Heidler, McNulty, Colwas, Fort, Hibler, Bickel, Dixon, Copsey, Wells, Sullivan, Howard, Hodson.  
 Colorado—Agnew, Scully, Gray, Seibel, Forster, Crowder, Gillham, Petterson, Lawlor, O'Brien, Logsdon, Her-ring, Matthews.  
 South Dakota—Heins, Speed, Sheehan, Duffen, Brown, Demere, Pindar, Salmon, Gleason, Bishop Trojanowski, Freudenberg, Huston.

The fifteen miles running race that was scheduled for this morning has been abandoned on account of not sufficient encouragement being given the sport.  
 At three o'clock this afternoon the Town football team will meet the West Virginia eleven on the Alexander Field ground. The Maryland bend will be on hand and a nominal admission charge of twenty-five cents will be made. The game promises to be a good one and lovers of football should turn out to see it.

## CLOSE POLO GAME BY CAVALRY TEAMS

On Wednesday afternoon, at Lihue, the second polo game for the Wilder cup will be played between the Fifth Cavalry teams. The third and last game will be played on Saturday, and that will decide the fate of the beautiful trophy.

In the game on Saturday last the "Whites" defeated the "Blues" by a score of one-half to a quarter. The "Whites" scored two goals, and the "Blues" one goal. Through fouls and safeties, the teams both lost points, and the final tally was as above stated.

Saturday's game was a good one, and some dashing play was shown. The ponies were in great form, and the ground was fine. The spectators became excited and cheered all the good plays.

Six chukkas were played and, in the first, Baird scored two goals for the "Whites." In the third chukka the "Blues" scored through the good work of Doak, who, after a brilliant run down the field, drove the ball through the posts, and scored the only goal made by his side during the game.

Lieutenants Queckmeyer and Barnard are at present laid up from injuries received on the polo field, and neither of them could play on Saturday last.

**WEST VIRGINIANS BEAT SOLDIERS**  
 On Saturday afternoon, at the old league grounds, there was an interesting game of ball played between the West Virginia nine and the Second Infantry outfit. The struggle resulted in a win for the first named bunch by a score of 4 to 1.

The sailors scored one in their first, two in their seventh and one in their eighth. That made their tally four, and that was all they could put together.

The soldiers made their solitary run in the first and, after that, added cipher after cipher. The soldiers looked like scoring several times, however, and the sailor rooters felt uneasy frequently.

There were some fine rooters on the ground, and they kept things going all the time. The full lineups and score by innings are as follows:

**TWO MORE "HONOR" CONVICTS MAKE THEIR ESCAPE.**  
 SALEM, Ore., December 17.—Two more of Governor West's "honor men" have taken "French leave" from a state institution. Late last night Bart Boyd, convict, from the Dalles, and Fred Fox, convict, from Multnomah county, who have been on temporary duty at the State School for the Feeble Minded, decided that real freedom was what they wanted, and after stealing a couple of overcoats and several other small articles of clothing and personal belongings, left for parts unknown.

Active Governor Olcott immediately ordered scouts out, but the men have not been apprehended. The escape of these two brings the total number of "honor" convicts who have fled this month thus far to six.  
 Trip around the island for 6 passengers, \$30; 7 passengers \$35. Silva's Auto Stand (new phone number 3664) or 1179 Chaffin street opposite Catholic Mission, Fort street.

## GUILD CUP WON BY DONALD ROSS

On the Manoa tennis courts on Saturday afternoon Donald Ross defeated F. E. Steere in the finals of the George G. Guild cup, and won the coveted trophy. The match went to five sets, and Ross captured three of them. The score was, Ross wins: 8-6, 4-6, 5-2, 3-6, 6-1, and the match was a good one right through.

As soon as the match was concluded the cup was presented to Ross and he will have his name engraved on it. Should Ross succeed in winning the trophy twice more he will become the permanent holder of it.

The conditions of the competition for the cup are that it be won three times, in all, by any player before it becomes his property.  
 The tournament just ended aroused a lot of interest, and the Manoa courts are becoming more popular than ever.

**BANKERS FINANCE LUMBER COMBINE**  
 SEATTLE, December 15.—Henry J. Pierce of Spokane, who plans a merger of cargo mills in Oregon and Washington, having a capacity of more than 50 per cent of the total output of saw-mills at timewater, announced today that he will finance the consolidation scheme through a large New York banking house.

Mr. Pierce, who has just returned from New York and Washington, recently laid before Attorney General Wickrsham the draft of articles of incorporation for the Pacific Coast Lumber Company, the proposed merger corporation, and asked for an official ruling on its legal status. On the ground that if his office established the precedent of guaranteeing the legality of new corporations, the attorney general would be besieged by thousands of similar petitioners, Attorney General Wickrsham refused to give an opinion on the coast company.

A conference with the more prominent Gray's Harbor, Willapa Harbor and Puget Sound lumbermen interested in the merger was held by Mr. Pierce in Tacoma yesterday and the details of his Eastern negotiations were laid before them. The millmen approved the plans of Mr. Pierce. A similar conference will be held in Portland early next week with the millmen of Oregon.

**Backers Big Firm.**  
 Pierce's backers are the New York banking house of Ladenburg, Thalmann & Co., who, with the City National Bank, recently financed Santo Domingo and who for years have been a controlling factor in the San Francisco and Pittsburg street railway systems.

Although Attorney General Wickrsham refused to give an opinion on the coast companies, the interview must have been satisfactory to Mr. Pierce and to ex-United States Senator S. H. Piles, his attorney, as is indicated by the fact that immediately thereafter Mr. Pierce concluded his financial arrangements in New York.

It is probable a few changes in the plan of organization will be made as a result of Mr. Pierce's Eastern arrangements. The original options given by millmen on their plants, timber holdings and lumber fleets, called for a comparatively small outlay of money beyond the amount necessary to take up outstanding obligations and carry on the business of the merger company. By the new arrangement with Eastern financiers big cash payments in purchases of plants will be made to those millmen seeking it.

**60 Per Cent Represented.**  
 The first draft of the merger agreement carried with it a proviso that not less than 60 or 65 per cent of the capacity of the Coast mills should be represented in the company. The banking arrangements by Mr. Pierce permit a minimum of 50 per cent, though it is claimed by the Spokane promoter that his agreements with millmen indicate that more than 60 per cent of the mills will be represented.

A deal for timber sufficient to guarantee the 16 years' supply which the merger company wants to have in sight before starting business, is under way and may be brought to a head before the first of the year.  
 Mr. Pierce denied today that any railroad corporation was interested in the merger plan either as stockholder or bondholder. As negotiations for the purchase of railroad timber had been intimated the story was current that railroad money would be behind the deal. Mr. Pierce says that this is
