## Legislative Assembly,

SESSION—1884.

THIRTY-THIRD DAY.

MONDAY, JUNE 16, 1884.

The House met at 10 A. M.  
Minutes of the previous meeting read and  
approved.

## PETITIONS.

Mr. Godfrey Brown presented a petition  
from Kohala, bearing 70 signatures, that no  
charters be granted to banks that propose to  
issue paper money. Laid on the table to be  
considered with the Bank Charter Bill.

Similar petitions were presented by Mr.  
Aholo from Makawao, by Mr. Kalua from  
Makawao, by Mr. Hitchcock from Waimea,  
Kauai; from Hilo, and two from Makawao.  
All these petitions were referred as above.

Mr. Palohau presented a petition from  
Hanalei, praying that \$10,000 be appropri-  
ated for building a bridge over the stream  
at Kalihi Wai. Referred to Committee on  
Public Lands.

Also, that a boarding school for females,  
similar to Kawaihau Seminary, be erected on  
the Island of Kauai. Referred to Commit-  
tee on Education.

Also, from one J. Kauai, praying that he  
be refunded in the sum of \$5 for taxes paid  
twice. Referred to Finance Committee.

Mr. Kauwila presented a petition from  
Puna, protesting against bank monopolies.  
Laid on table.

Mr. Kamakele presented a petition from  
Makawao, praying that an English school be  
established in Makawao. Referred to Commit-  
tee on Education.

Mr. Kalua presented, and by permission  
read, a petition from the Island of Maui,  
praying that Dr. Enders be removed and  
that Dr. Bailey be appointed in his stead.  
The member for Lahaina stated that this  
petition was 9 feet 6 inches long. Referred  
to Sanitary Committee.

Mr. Kamakele read sundry petitions,  
which were referred to the Committee on  
Miscellaneous Subjects.

## REPORTS OF STANDING COMMITTEE.

Mr. Godfrey Brown read the report of the  
Finance Committee.

Mr. Dole moved the report be made the  
order of the day for Thursday.

Mr. Kaulukou was of opinion that the  
report, being of such importance, the mem-  
bers should have plenty of time to study it.  
He therefore moved it be made the special  
order of the day for next Wednesday week.

Mr. Kalua named Monday next for its  
consideration.

Mr. Aholo supported Mr. Kalua.

Mr. Kaulukou withdrew his motion.

Mr. Gibson said he was quite willing to  
second the motion of the Hon. Member for  
Lihue, and have report discussed on Wed-  
nesday next. He was ready this afternoon  
to answer any of the charges in this report;  
but it was proper that members should have  
time to read it over, and thoroughly under-  
stand it. He would not vote on the time, but  
he was ready any day.

Mr. Widemann, Mr. Kaulukou, and Mr.  
Kalua made remarks on the time to discuss  
the report, the latter stating that from what  
he had heard of the report, the Ministry  
ought to be censured.

Motion to make the discussion the spe-  
cial order of the day for Thursday next was  
carried.

Mr. Pilipo reported as printed the bill to  
regulate the use of intoxicating liquors;  
also, the bill to increase the number of  
Judges of the Supreme Court; also, a bill to  
provide for the abolishing of the Inter-  
mediary Court on the Island of Oahu.

Mr. Kalua reminded the Assembly that  
in accordance with a resolution passed last  
week, he would like to hear from the Minis-  
ter of the Interior with regard to the con-  
dition of certain female inmates of the gaol.  
(At this moment the Minister was absent.)

The Attorney-General reported on the bill  
relating to the registration of Chinese. The  
Committee were of opinion that the bill,  
as presented to the House, was unconstitu-  
tional, and it conflicts with existing treaties.  
They, therefore, recommend the indefinite  
postponement of the bill. Report adopted.

The Attorney-General reported on the  
petition relating to Waller's slaughter-  
house. It has been found to be a nuisance,  
and he (the A. G.) and the Board of Health  
will take the proper steps to have it re-  
moved. Report adopted.

The Minister of the Interior reported on  
a petition for a provision for a special mail  
carrier between Wailuku and Waikapu. The  
Postmaster-General, through the Minister,  
promises to do all that is necessary after  
the Appropriation Bill is passed, and the  
Legislature adjourns. Report accepted.

The Minister of the Interior, having re-  
turned, reported on the management of the  
Oahu gaol. In the course of the investiga-  
tion, it had been found necessary to relieve  
every officer and turnkey in the gaol, and  
at present the Deputy Marshal and a de-  
tachment of the city police were in charge  
of the institution.

Mr. Kalua approved of the prompt man-  
ner in which the Minister had acted, and  
moved the report be accepted and laid on  
the table.

## RESOLUTIONS.

Mr. W. O. Smith read for the first time  
a bill to provide for the appointment of

a board of prison inspectors. Read a second  
time by its title.

Moved and seconded that it be engrossed.  
Mr. Kaulukou moved that it be referred  
to the Judiciary Committee.

Mr. Smith explained the object of the  
bill.

Mr. Widemann approved of the object of  
the bill, but as it stood, it was neither use-  
ful nor ornamental. By the term of it, it  
will be a dead letter on the Statute Book.

The Attorney-General hoped the motion  
to pass to engrossment would prevail. There  
is one salaried officer, the Police Justice,  
and by altering the present law it could be  
made obligatory on him to hold regular in-  
spections and reports. He believed if he  
had the appointment of the gentlemen to  
serve on the Board, that he would be able to  
find ten or twenty men at any time who  
would be willing to fill this philanthropic  
office. He would promise the Hon. Noble  
that preceded him that he would not burden  
him with the responsibility. He considered  
it a measure that ought to be carried out at  
once. If there had been such a body in  
existence, there would have been no  
necessity for such violent measures to be  
taken by the Minister of the Interior as were  
adopted yesterday in Oahu prison. It  
remained to be seen whether or not two men  
could be found in Honolulu who would not  
take in hand this work of Christian charity.

Mr. Dole stated that he was in favor of  
the motion to engross.

Mr. Widemann said that he had as much  
regard for the commonwealth as others  
whose names he would not mention. The  
inspectors will have no power, and that was  
his chief objection to the bill.

Motion to engross carried. Ordered to be  
read a third time on Wednesday next.

The Attorney-General gave notice of his  
intention to introduce a bill to amend Sec-  
tion 911 of the Civil Code relating to the  
Honolulu Police Justice.

Mr. Kaulukou read for the first time a  
bill to amend Section 198 of the Civil Code,  
relating to public markets. Read a second  
time by its title.

Mr. Dole moved that the bill pass to engrossment.

Mr. Cecil Brown moved that it be indefi-  
nitely postponed. He explained that the  
sale of stalls by auction was for choice, and  
had nothing whatever to do with the rents  
paid afterwards. The passage of this bill  
would be a loss of revenue to the Govern-  
ment.

After some further discussion, Mr. Aholo  
moved that the House adjourn until 10 A.  
M. on Tuesday. Carried.

House adjourned at 4:40 P. M.

## THIRTY-FOURTH DAY.

TUESDAY, JUNE 17th.

The House met at 10 A. M.

Minutes of previous meeting were read  
and approved.

## RESOLUTIONS.

Mr. Kaunamano moved that the Sergeant-  
at-arms be instructed to furnish each  
member with 150 two-cent postage stamps.  
Carried.

Mr. Kaunamano gave notice of his inten-  
tion to introduce a bill to regulate the police  
department. Bill read a first time; also a  
second time by its title, and referred to the  
Special Committee of Thirteen.

Mr. Nawahi read for the first time a bill  
to provide for the construction and main-  
tenance of railways within the districts of  
Hilo and Hamakua, Hawaii. Bill read a  
second time by its title, and referred to a  
Select Committee. The President appointed  
on said committee Messrs. Nawahi, Wide-  
mann, Wilder, Hitchcock, and W. O. Smith.

Mr. Hitchcock moved that the Minister of  
Foreign Affairs state what fees have been  
received by the Consuls at London, Liver-  
pool, Madeira, Hongkong, Tokio, San Fran-  
cisco, New York, and Boston.

Mr. Gibson stated he desired to second the  
resolution. Some of the Consuls made  
annual reports, in which the amount of fees  
collected by them was stated, while others  
did not. He would gladly furnish all the  
information he could on this matter.

Mr. Dole pointed out that by the Civil  
Code the Minister of Foreign Affairs fixed  
the pay of Consuls abroad. If any one Con-  
sul gets an income from his fees that is dis-  
proportionate to the pay of the other Con-  
suls, it is a matter that ought to be looked  
into by the Legislature. Possibly some of  
our Consuls could not afford to take the po-  
sition without a salary. He did not see why  
they should pay the Hawaiian Consuls a  
higher salary than the Judges of the Su-  
preme Court, or than the Minister at Wash-  
ington gets. Motion carried.

Mr. Pilipo reported the printing of an act  
to regulate the currency. Ordered to be  
distributed.

Mr. Kaulia read for the first time a bill  
to amend Section 1419 and 1420 of the Civil  
Code, relating to contract service. Read a  
second time by title.

Mr. Hitchcock moved it be referred to  
the Committee on Commerce, Agriculture  
and Manufactures.

Mr. Kaulukou moved that it pass to engrossment, explaining that the object of the  
bill was merely to make the statutes con-  
form to the decision of the Justices of the  
Supreme Court.

Mr. Cecil Brown differed from the mem-  
ber for Honolulu, and showed the necessity  
of the planter having some security for his

laborer. It is a bill that is vital to the in-  
terests of the country, and if passed, the  
planters might just as well close up their  
plantations. He was in favor of the Hon.  
Hitchcock's motion.

Messrs. W. O. Smith and Kaunamano sup-  
ported the motion to refer to a committee.  
Motion carried.

Mr. Nahinu read for the first time a bill  
to amend Section 1, Chapter 23 of Session  
Laws of 1872, relating to marriage contracts.  
Read a second time by title, and referred to  
Judiciary Committee.

At noon the House took a recess until 1  
P. M.

On re-assembling, Mr. Kaulukou gave no-  
tice of his intention to provide a salary for  
the Registrar of Conveyances, and that all  
fees received in that department be paid to  
the Treasury as Government realizations.

## ORDER OF THE DAY.

Second reading of a bill to amend section  
198 of the Civil Code, relating to public  
markets. Referred to Committee on Pub-  
lic Lands, &c.

Second reading of a bill for the holding of  
an additional term of the 3rd Judicial Cir-  
cuit Court. Passed to engrossment, and  
ordered to be read a third time on Monday  
next.

Second reading of a bill to promote mail  
communication between the Hawaiian Is-  
lands and the United States.

Mr. Kaunamano moved that it be referred  
to the Finance Committee.

Mr. Kalua moved it be referred to Com-  
mittee on Commerce.

Mr. W. O. Smith said he was not in favor  
of the bill. The object of giving subsidies  
is to obtain some benefit that otherwise the  
country would not have. The subsidy paid  
the Pacific Mail Steamship Co. was \$1,000 a  
month. The new company have, for some  
reason or other, induced the old company  
to refuse to carry passengers to and from  
this port. They were confronted with a bill  
that asks for \$4,000 a month, to be paid ex-  
clusively to one company. If the bill is re-  
ferred to a committee, there will be time  
after receiving the report to consider the  
bill. They would require to have very  
strong reasons shown why this Assembly  
should vote \$96,000 for two years to any one  
Company.

Mr. Kaulukou supported the passage of  
the bill.

Mr. Kauhane moved the indefinite post-  
ponement of the bill, and in support of his  
motion, he gave his views at length, which  
were in opposition to the Oceanic Steam-  
ship Company, and in favor of the old sys-  
tem of having sailing vessels to perform the  
carrying trade.

Mr. Widemann seconded the motion to re-  
fer to a select committee. He thought this  
line, for which the subsidy is asked, a boon  
to the country. The question is, can we af-  
ford to give them \$100,000 for two years.  
Another question is, are they to exclude the  
other line that connects this country with  
Australia. It is a mercantile question of  
the greatest importance, and ought to be  
placed in the hands of a committee.

Mr. Godfrey Brown moved the bill be re-  
ferred to the Finance Committee. He  
stated that the Finance Committee had in  
the course of their investigations, got some  
valuable information from the Custom  
House bearing on this question, which would  
enable the House to vote intelligently.

Mr. Aholo said he was the introducer of  
the bill, and he had no desire that it should  
be rushed through. With regard to what  
had been said by the Hon. Member for Kau,  
about steamers and sailing vessels, he was  
of opinion that if Mr. Kauhane wished to go  
to Kau, and there was a steamer and a sail-  
ing vessel on the berth, he would take pas-  
sage in the former. After a lengthy ad-  
dress, he moved the previous question.

Motion to refer to a select committee car-  
ried. The President appointed on that  
committee Messrs. L. Aholo, J. K. Kauna-  
mano, S. B. Dole, C. R. Bishop, Godfrey  
Brown, Minister of Finance, and H. A.  
Widemann.

Second reading of an act to amend Sec-  
tion 782 of the Civil Code, relating to the  
time and places of the holding of elections.  
Referred to Judiciary Committee.

Second reading of a bill to amend Section  
1477 of the Civil Code, relating to *kuleanas*  
and the rights attached to them. Referred  
to Judiciary Committee.

Third reading of a bill to regulate the  
practice of law in the Police and District  
Courts.

This bill provides that all legal documents  
shall be drawn up only by persons holding  
licenses to practice law.

Mr. Dole moved that the drawing of wills  
be excepted.

Mr. Kaulukou moved that a clause be in-  
serted, providing for a penalty for persons  
violating the law, of not less than \$15 and  
not exceeding \$100 for each offense.

Mr. Kalua was of opinion that there  
ought also to be a clause providing for the  
punishment of lawyers who improperly  
draw up legal documents.
