

NEIGHBORING NOTES.

Points From Towns and Counties Doing Business at Wa-Keeney.

A Big Showing, But All the Better for That.

Grove County. Grinnell Golden Ball, 20.

Several of our farmers are sowing oats. Garden marking is now the order of the day.

J. M. Hammond paid Wa-Keeney a short visit Friday.

R. J. Stewart made a flying trip to Wa-Keeney, Saturday.

Grove county will have a population of over 3,000 before next September.

Parties from Hackberry report a great many houses building in that part of the county.

A Sunday school will be organized at the residence of Mr. Van Smith, the 21st inst. All are invited to attend.

A. H. Jones, who has been clerking for Joe Corrette, took the fast train Monday morning for Wa-Keeney, where he will visit friends and have a rest. Al has many warm friends in Grinnell, and we hope to see him back.

Samuel Till has been commissioned postmaster at Hackberry, Van Smith having resigned in his favor last July. Mr. Smith served over four years, and during that time only one tracer for a lost registered package passed through the office, and that was found to be a mistake at the mailing office.

Grainfield Cap Show, 19. Mr. McMath's sister is visiting here now.

A horse thief was arrested by the sheriff of a county northeast of here Tuesday. The fellow was working in the steel gang.

Mr. J. H. Baker, the stirring business man in charge of Hamilton, or Rushton as it is now called, passed through town Saturday.

T. B. Rhodes, foreman of the pool, was up over Sunday. Reports 800 hides tallied so far, with more to hear from. The leather market should be over stocked this season.

A very successful reading club was organized Monday, March 15, 1886, at Mrs. Killeen's, which is to be called "The Grinnell Reading Club," and consists exclusively of ladies.

George Pinkham, formerly county clerk, made us a very pleasant call Friday last. He is a pleasant man and has made considerable money, besides lots of friends, in this country.

Wallace County. Register, 20.

That bunk-house which Hayes is building for the accommodation of teamsters will be a nice affair.

The Jenness hack line from Wallace to Garden City via Leoti is now in operation, and the mail is carried between Leoti and Garden City. The mail route will soon be opened to Wallace.

The mail route from Wallace via Leonard, in Sherman county, and other towns north, to the B. & M. road, has been established and the department is now advertising for bids to carry the mail.

A letter passed through the Syracuse post-office last week addressed to the "Five Girls of Greeley County."—[Syracuse Journal.] If that letter don't hurry up there'll be a row in Greeley, for we saw not less than a dozen girls on their way to Greeley county the other day, most of them enquiring for "the big hotel at Greeley Center, where Wilson, the land man stops."

Wallace is about to have a Grand Army Post.

St. John County. Oakley Opinion, 17.

Mr. E. A. Hanchett is making Gopher his stopping point. His store building is not yet complete, yet this does not hinder him from doing business; he sells goods right out of the box car.

Mr. Shively, of Scott City, made us a very pleasant call the first of the week. Mr. Shively suggested a capital idea, namely, that the citizens of Oakley work in connection with Scott City people in grading and generally making the road between Oakley and Scott City more practicable.

Hille Bros. have purchased the drug store of Noah Zeigler, formerly owned by J. Fellows. Hille Bros. are two reliable men, who will undoubtedly do the business honor.

STREAM-CAMP. On Sunday evening, March 14, at the residence of the bride's parents, Miss Alasen Camp to Mr. Addison Stream, Rev. S. Hexton officiating. The wedding was held very quiet, only a few friends being present. This is the first marriage held in St. John county, and in tendering its congratulations the Opinion takes up the refrain of the public sentiment, wishing the happy couple prosperity, health and days of happiness inseparable.

Ness County. Ness City News, 20.

Prairie fires are of almost daily occurrence these days, a fact we are sorry to chronicle.

Mrs. Jacob Shall has been visiting at the home of Dr. Scott, in Ness City, the past few days.

A much-needed hack line has been established between this place and Wa-Keeney by Jacob Nicholson. Two trips a week will be made for the present, and be increased as business demands. Our people will be much pleased that such a reliable man has filled this "long-felt want."

Sheridan County. Hoxie Sentinel, 18.

Mr. Isaac Mithelland, the real estate man, left home on Monday, for a short business trip to Kansas City.

The sale of lots by the Hoxie town company on Saturday last amounted to \$3,000. Pretty good showing for the first day.

A careful estimate of the amount of fees that will be paid County Clerk Jas. N. Fike for transcribing the records of Thomas county, incident to its organization, is \$2,500.

A new mail route has been established between this place and Colby, leaving Kenneth at 8 o'clock Friday morning of each week and returning Saturday evening. Proposals for carrying the mail on this route will shortly be advertised for in the official post-office organ.

Rooks County. Stockton Record, 19.

Somebody starts a new house every day in Stockton.

Ducks are getting plenty along the streams.

The Eagle says that Webster is to have a bank.

The Plainville folks celebrated St. Patrick's day on 1st holiday.

Pope & Mitchell effected a sale of land by telegraph last week, which comprised 800 acres of railroad land in Graham county. The entire deal amounted to \$35,000.

The principal candidates for the vacant commission are: George York, J. M. Travis, George Benedict, George Reid and Cassius Shutta. All of them have petitions on file with the county clerk.

Webster Eagle, 19.

We would be safe in saying that at least 100 lots have changed hands in Webster the past week, and the purchasers nearly all bought with the intention of building immediately.

A case of stealing from over on Lost creek came up for trial before his Honor, J. F. Mullaney, Esq., last Tuesday. The case was dismissed on some technical point. Wm. Parks was the complaining witness, and alleged that the defendant had borrowed some of his hay without leave, and in his absence. This is not the only case of this kind of borrowing reported to us, one man having lost several bushels of barley in this way.

Last Thursday night, about 9 o'clock, just as the family of G. W. Brummitt, who live near Elm Grove school house, were about to retire to bed, the ridge pole of the house broke, letting the entire roof fall in. The family consisted of Mr. and Mrs. Brummitt, a grand-daughter, and a young lady who is teaching school at Elm Grove. Mrs. Brummitt and grandchild were completely covered in the ruins. Mrs. Brummitt remaining there for near a quarter of an hour, or until Mr. Brummitt could not move the dirt from over her with his hands, which he used as a shovel; the young lady rescuing the child. No one was seriously hurt. This was a close call for all in the house.

Ellis County. Hays Star Sentinel, 18.

The receipts of the Catholic fair last week reached \$500.

J. H. Downing goes to Wa-Keeney this evening on business before the land office.

Judge S. J. Osborn spent Monday in our city, visiting with our people and politicians. The judge reminds us very much of the well-known and popular "Steve," whom we have known ever since he left Missouri; that is he is not puffed up by the honor of judge like a "poisoned pup."

Gr. Am. Advocate, 20.

Yost's mill has run day and night for a month.

Charley Reeder, Jim Brown and Ed. Lackey went up to Wa-Keeney Monday night, returning next morning.

The parade ground at the Post has been seeded to grass, and now trespassers are not allowed to cross that space.

The annual meeting of the stockholders of the Western Kansas Fair Association will be held on Tuesday, the 13th day of April, 1886, at the office of M. J. R. Treat, in Hays City, Kansas, at 2 o'clock, p. m. P. W. Strain, Sec'y.

The friends of C. W. Miller gave him quite a "surprise" the other evening. They gathered at his residence before Mr. Miller came home for the evening, and disguising themselves in sheets and pillow-cases, seated themselves about the room, and when Mr. M. entered his home he was about the most surprised piece of humanity to be imagined. The ghosts soon materialized, however, and a royal good time was had by all.

Lane County. Dighton Herald, 18.

Mrs. F. E. Speck has been engaged to teach the school to be commenced next Monday.

E. D. Miller, formerly one of our land attorneys, returned Saturday evening from Florida, where he spent the winter. He bought an orange grove there, and expects to make that state his future home.

Dighton Journal, 18.

J. R. McDonald went to Wa-Keeney to-day on land business.

J. Jared made a business trip to Wa-Keeney the fore end of the week.

Mmhall & Pilkenton began laying the foundation of their store, on Wichita avenue, Tuesday. It is 24x60, and Mr. Gforth is doing the work. The building, which is to be two-story, will be erected at once.

The Dighton town company now have contracts for the erection of twenty-nine business houses on Wichita avenue. This, with the hotel the company is erecting, will foot up a total value of improvements—cost of material and construction—of something over \$70,000.

Hotel arrivals: W. F. Jones, Wa-Keeney; Herman Kaller, Wa-Keeney.

Thomas County. Colby Tom Cat, 18.

We suggest either Oberlin, Wa-Keeney or Stockton for the congressional convention.

The search of last Sunday for Samuel Stewardson availed nothing.

A large sized prairie fire was running at large west of town Tuesday night.

Mr. A. Stream was married to Miss Camp, at Oakley, Sunday last. May the little streams be numerous.

John Burge, living at Hughes', twelve miles west, was arrested by Sheriff Baker, of Trego county, Monday. The crime he is charged with is using the United States mail to tell a fellow where to cross him.

Wichita County. Leoti City Standard, 18.

Leoti needs a harness shop badly.

"Dick" Wade was sworn in as deputy sheriff for Wichita county, Monday.

Our dealers seem to have some difficulty in procuring seed with which to supply the market. We need a good supply of all kinds of garden and field seeds for spring planting.

The Scott City town company have offered a premium of fifty cents each for trees planted along the streets, the trees to be six feet high when put out, and living and in leaf in 1888. Let's put out trees in Leoti without these inducements, and show up a prettier town at the end of two years than Scott.

A Captain's Fortunate Discovery. Capt. Coleman, esq., Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for Consumption. It not only gave him instant relief, but allayed the great soreness in his breast. His children were similarly affected and one dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner "Free Trial" bottles of this standard remedy at Jones & Ferris' drug store.

Bennett & Smith have taken the agency for the A. E. and H. A. Warren lots. Parties interested should call on them. 356 ft

TIMBER CLAIM PROOF.
