

STATE NEWS.

Meade Globe: A number of Ford county farmers raised enough wheat this season to pay off the mortgage on their farms.

Atchison Champion: St. Benedict's college opened this year with 125 students. This is the largest opening in the history of the institution.

Salina Republican: The Kansas Wesleyan university begins the college year with an enrollment of 104 students, four more than at any other opening.

Kansas City Gazette: Kansas City is to have new car shops, built by the Chase Refrigerator Car company, that will give employment to 200 men.

Parsons Journal: Large quantities of apples are being shipped from Parsons to all parts of the country.

From Atchison: Dr. D. J. Holland, chief surgeon of the western district of the Missouri Pacific system, is dead.

From Wichita: At a meeting of a number of the leading grand army men here, it was decided to hold a reunion for southern Kansas on the 24th and 25th of October.

From Baldwin: The large fruit evaporator belonging to Lefrais & Huxley, of this city, is burned to the ground.

Frankfort holds her fair from September 23 to 26—four days. Her people always get up a first-class exposition, and her people work with one accord in making it a success.

McPherson Republican: Mr. Maddox says that under the new management this creamery is succeeding well. It pays out about \$25,000 a year for milk, and its entire product goes to western cities, thus bringing that amount of cash into McPherson county every year.

From Hiawatha: A. S. Shinsief, a farmer living near Morrill, left home last Wednesday without telling his family where he was going.

Wellington Mail: The case of the state vs. G. W. Miller, charged with bringing diseased cattle into the county, resulted in the discharge of the defendant.

Wichita Eagle: A firm from Cleveland, Ohio, is putting in machinery in the old barb-wire factory for the manufacture of salt barrels.

Kincaid Dispatch: The school board have recently ordered the seats and furniture for the new room, and Prof. Bainum is happy all on account of that new manikin and set of philosophical instruments and apparatus.

Burlington Republican: The editor has done the work on the last two issues of this paper while haunted with the constant fear of losing his only child, who is yet lying dangerously ill.

LATEST NEWS.

men refused to go to work at \$2.00 per day. Superintendent Speer agreed to try to get the advance of 25 cents a day if they would continue at work for five days, until he could communicate with the authorities.

Count Tolstoi, the well known Russian author, is seriously ill. It is understood that the senate increased duty on wines and spirits have been abandoned by the senate members of the conference committee on the tariff bill.

The railroads and kindred companies of this country pay out nearly \$20,000,000 this September. It is estimated that four years ago the September disbursements were less than \$15,000.

The statue to Horace Greeley, at the Tribune building entry, was unveiled by Miss Gabriel Greeley in the presence of a vast crowd of people. Chauncey M. Depew made the chief speech.

The president of the world's fair organization is to receive \$12,000 a year, the secretary \$10,000, and the director general \$15,000.

The first session of the conference committee on the tariff bill was interrupted by the need of the representatives on the committee to be present in the house, and but little progress was made.

Owing to the heavy rains the Mohawk valley flats are submerged. Much damage has been done to growing crops. Corn is being gathered in boats, something unknown before in twenty years.

The Nebraska supreme court has decided, in a will contest case, that a provision in a will making a condition that a son should be disinherited unless he left his wife, is against public good and morality.

The Lake George Pulp and Paper company of Ticonderoga, N. Y., has purchased a tract containing 235 square miles, or 150,000 acres. The land is heavily timbered with spruce, pine and cedar.
