 Married, at the home of the bride's mother, four miles south of this city, Miss Elizabeth McCormick to Mr. David Yoder, on Thursday afternoon, November 25, 1897.
 The fair bride is one of our most charming young ladies well worthy of Mr. Yoder, who has long been in the employ of the Union Pacific railway at Ellis, formerly in the shops but now as fireman. Both have lived since childhood in western Kansas, and are happily mated. We extend congratulations.
 The ceremony was performed by Rev. E. E. Gunckel in the presence of immediate relatives only.

 UTICA, Kansas, November 22, 1897.
 EDITOR WORLD—Dear Sir: The election is now over and any statement I make at this time concerning subjects then under discussion cannot be charged to a desire on my part to influence voters. I wish to call attention to an article which appeared in the Independent of October 30, relative to bills allowed S. C. Robinson for filling old wells. Said article defends the action of O. W. Olsen as trustee of Franklin township (whereby he allowed Mr. Robinson extra pay for filling old wells under my supervision) and casts reflection upon my action. The facts are as follows: Mr. Robinson posted the notices for which I allowed him \$1.50, or one day's pay. He also helped me to fill the wells, which took two days. For this I allowed him \$3, or \$1.50 per day. In all he worked three days and received \$4.50, which is all I could allow him according to law. When I turned my books over to my successor, O. W. Olson, I explained all this to him fully.
 The Independent article says in effect that I allowed Mr. Robinson \$4.50 for filling five wells and that I charged \$3.50 by virtue of my official position. The article also contains a statement by Mr. Robinson in which he says that he filled the wells, apparently without help. It is untrue. Please give this publicity that the public may know the facts. Respectfully,
 OTTO YOUNG.
 How to Cure Bilious Colic.
 I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people. Mrs. F. BUTLER, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by Jones & Gibson.
 There is no need of little children being tortured by scald head, eczema and skin eruptions. DeWitt's Witch Hazel Salve gives instant relief and cures permanently. Jones & Gibson.
