A lazy liver leads to chronic  
dyspepsia and constipation—  
weakens the whole system.  
Doan's Regulets (25 cents per  
box) correct the liver, tone the  
stomach, cure constipation.

Prospects for a good wheat  
crop in western Kansas this year  
are very encouraging, reports to  
the contrary notwithstanding.  
Some people are born knockers,  
and love to knock, even after the  
crop is cut and in the shock.

Piano Bargain—We have a  
slightly used piano in the vicin-  
ity of Wa-Keeney, Kans. To save  
expense of boxing and shipping  
will sell very cheap for cash, or  
on very easy payments. Write  
Olney Music Company, St. Jose-  
ph, Mo.

There are a good many ways  
of misspelling the name of this  
Warren-Keeney town but one of  
the most interesting of all stag-  
gers at it comes from the Salina  
office of the Standard oil com-  
pany. It is "WaKaReeney" and  
occurs twice in the address of a  
letter.

## Announcement!

Having leased the pho-  
graph business of Mr.  
Howe in Wa-Keeney, I  
will endeavor to give the  
people of Wa-Keeney  
work of the same quality  
as they have been in the  
habit of getting hereto-  
fore.  
Having had city experi-  
ence for some time, I  
know I can please every-  
one. Our motto will be,  
"Good Work at Reason-

John Saleen returned home from his trip to Sweden the first of the week. He says he had a delightful time.

Mrs. T. Nixon, of Orion, Kansas, is visiting her parents, Mr. and Mrs. W. D. Stephens, south of town this week.

Mr. Perrine and family of Norton, Kansas, are now domiciled in their new home on the old Danford farm, just west of town. Mr. Perrine has one of the prettiest and best farms in the county.

All the ladies in Trego and adjoining counties are cordially invited to attend their millinery opening which occurs on Friday and Saturday, March 25th and 26th at the Trego Mercantile Co's store. The latest ideas in spring and summer millinery will be on sale and display. No lady can afford to miss it.

The eight month old daughter of Mr. and Mrs. Tim Rhoades died last Saturday night from pneumonia after an illness of short duration. On Sunday afternoon the funeral was held from the house and was conducted by Rev. Mumford of the Baptist church. The parents have the sympathy of all in this their great sorrow.

According to the Hill City Republican, two Graham county citizens, James Crawford and B. B. Plant, were adjudged insane in that city last week. Neither person, had a charge of murder against them but the former had threatened to kill his father and would probably have accomplished his desire had he not been taken into custody.

All those who expect to be patrons of the Wa-Keeney water or light plant should have a copy of Ordinance No. 129 as amended by Ordinance No. 132, and all those who expect to build sidewalks or plant street shade trees should have a copy of Ordinance No. 130, and these should be kept for reference. Cox, the potato and apple man of Hays City who has been in Wa-Keeney the past week and disposed of several cars of apples and potatoes said Thursday, when visited at the car by a World reporter "You bet it pays to advertise in the World; publicity in your columns has disposed of my products here and you can run my ad another week and also mention locally that I will be in Collyer all next week with several cars of potatoes and apples which I will dispose of at reasonable prices. Mr. Cox reminds us of P. T. Barnum, the World's famous showman, who once said, "Advertising is the secret of my success;" yet there are some people who do not believe in the judicious use of printer's ink.

L. H. Mollenkamp, who recently purchased a farm at his old home in Lincoln county, left with his family and household effects this week for that place where he will reside in the future. Mr. and Mrs. Mollenkamp have resided in Trego county for a number of years and their many friends will regret to learn of their departure but will wish them success at their new home.

Ruth Ethel Rhoades, only daughter of J. T. and Roxie Rhodes, born May 17, 1909 died March 12, 1910. She was such a sweet, precious, pretty baby that she will always be remembered by the host of friends and relatives who grieve and sympathize with the suffering parents.

## Infant Son of J. H. Yetter Dead.

The one year old son of Mr. and Mrs. J. H. Yetter, of Salina, Kansas, formerly of Topeka, died of stomach and bowel trouble. For a short time the baby had been fed on cow's milk and the cow became sick. Before it was discovered the baby's health was impaired, presumably from the milk it was using. It hung between life and death for three or four days and passed away last night. It was an unusually bright child and was a favorite in the neighborhood where Mr. and Mrs. Yetter live.—The Capital.

Mr. Yetter is well known here and both he and Mrs. Yetter have the sympathy of friends in their bereavement.

St. Patrick's day was not very generally observed in this city but the Shamrock was worn by many who thus honored the importance of the day. The only function of note was given by the Ladies' Aid society of the M. E. church which was held at the home of Mr. and Mrs. E. S. Brown, where a chicken pie supper was served from 5 to 8 p. m. Space prevents us from giving complete details of the affair, but the house was appropriately decorated, the menu served was an excellent one and the proceeds amounted to over \$21. Everyone who attended report a fine supper and a good time and the Aid society deserved credit for its success both socially and financially.

W. C. Triggs, who has leased the Howe Studio, has his announcement in this issue which should interest World readers. Mr. Triggs is a first-class artist and comes well recommended, who will, in the future as in the past, continue to execute only the best in photography, which has always been maintained by Mr. Howe, since he secured control of the business. The World predicts a successful career for Mr. Triggs and we trust he will remain a permanent member of our commercial circle.
