Mrs. C. E. Pierca gave a farewell dinner Sunday to her son Louie and family who leave soon for Oregon. John Jones and family, of Wa-Keeney, were present.—Gove Republican.
On account of a shortage of help this week we were obliged to leave out some of our correspondence. It will appear next week. Send your items along they are appreciated.
We are pleased to note that N. W. Phares who was taken to the hospital at Ellsworth the latter part of last week and was operated on, is getting along nicely and will be home soon.
Irving Reddig is the happiest man in Trego county as he received word some time ago that the Supreme court had decided his land case in his favor. This is one of the prettiest laying farms in the county.
Wm. H. Franks and Miss Hattie May Willard of Bogue, Kansas, were married in this city Thursday afternoon. Mr. Franks is a well known citizen of Graham county where he owns considerable property. He also owns real estate in Florida and at Garden City, Kansas. They will make their home at the latter place.
Mrs. E. E. Gunckel packed and shipped their household goods to Morland, Kansas, this week. Rev. Gunckel has been down at Liberal, Kansas, for some time visiting a daughter. He will join Mrs. Gunckel at Morland in a short time and they will make their home there. Their departure will be regretted by many Oakley people.—Oakley Graphic.
Miss Nora Wilson closed one of the most successful terms of school ever taught in District 11 last Friday with a picnic. The program was rendered in a very pleasing manner which shows the pains that were taken to train the little folks. There was a large crowd present which shows in what high esteem she is held in the community. The patrons of the school would like to see her back.—Ellis Headlight.

For sale—Good organ. Call at this office. 12
Remember the studio closes on June 1st.

Cheap Range—I would like to correspond with parties wishing to go into the hay and cattle business. I have some fine openings with cheap range in the San Luis Valley, Colorado. T. J. Wright, Quiney, Ill. 12
Wednesday morning Mrs. I. T. Purcell left for Larned to attend the state convention of Federated clubs of Kansas. On Friday the Commercial club of the city took all delegates to Pawnee Rock where the dedication of this old historic spot took place. Mrs. Purcell was sent as a delegate from the Locust club.
The Sunday School Convention of Ogallah Township which was held at Ogallah, the 19th., was well attended and each person having a part on the program seemed to try his best to inspire all present with thoughts worth while. We believe all present were benefitted much by being there. We hope all may be permitted to meet in another such convention at this place and receive as great or greater blessings as at this one.—Secretary.
Last Friday, May 17th, the Locust club held their annual May Day picnic at the home of Mrs. F. D. Wanner. This meeting closed the year's work which will be resumed some time next September. The year's business was arranged and settled with the new officers were elected. Refreshments were served and everybody enjoyed the occasion very much. The following are the new officers: Mrs. I. T. Purcell, president; Mrs. F. C. Wolther, vice president; Mrs. W. L. Larabee, secretary; Mrs. H. S. Givler, treasurer; Mrs. A. H. Blair, club historian.

Last Sunday afternoon a small cyclone visited some of the farms along Trego creek and the Saline. It started at Sheriff Mussemann's and blew an o'd hen house over, also orchard fence; at Burnham's moved a granary thirty inches and did not hurt building or foundation, unroofed an old shed and upset a header box; at Julius Harries blew in window sash and moved south end of big barn an inch to east; west of Hoisington's blew an old barn all apart; at C. C. Baird's blew over an old shed and his wind mill; at Galloway's uprooted three big Cottonwood trees and twisted top off others; at George Delany's moved one end of granary off foundation at angle of thirty degrees and barn at one end about four inches out of line; at J. B. Carpenter's broke an old buggy and left an empty cupboard standing upright within four feet of buggy; at G. P. Britt's ripped several battin off roof and left loose boards which were on barn roof within six inches of battin unmoved, tore to pieces small blacksmith shop and another shed; at all places moved empty wagons and tipped over hay racks. The people in that neighborhood were pretty badly freightened for a time.

HAIL! HAIL! HAIL!
We never raise wheat without getting rain. We never get rain without more or less hail. You cannot afford to carry the risk on your entire crop for the nominal cost of protection. Come and let us write you on at least a part of your crop. We furnish the money.

The Wa-Keeney studio closes June 1st for three months.
Mrs. R. E. Morse sold quite a lot of incubator chicks this week.
R. T. Bean opens up a photo studio at Ellsworth, Kans., about June 1st.
Mr. and Mrs. A. A. Hendricks are the parents of a son born on the 17th.
Mrs. Howard Thom and children were visitors from Quinter this week.
"The Live Stock Special" will have four lecture cars, No. 1, for children, No. 2, for women, No. 3 and 4, for men.
The silo will be declared by the Agricultural speakers on the "Live Stock Special" to be the best possible investment for every western Kansas farm.
Dr. M. B. Galloway of South English, Iowa, is visiting with home folks this week. Dr. Galloway has many friends in Wa-Keeney who were glad to see him once more.
When beefsteak is selling in Kansas City at 30 cents a pound it would seem that farmers can well consider pushing into the beef cattle business. Let every farmer in this community hear the lecture at the "Live Stock Special."
O. R. Enix, the Banner mail carrier, was in Phillips county this week attending to business matters. Tom Bundy carried the mail during his absence and it didn't take Tom and "Colonel" all day to make the trip, but every mail carrier can't sport a race horse.
All that the wife can do will not make the home an agreeable one. Neither can a wife be happy with a husband who is addicted to finding fault with his bread and butter. She may try ever so hard to please him, yet when he sits down to meals, she lives in constant fear that some portion of the food will not suit his fastidious taste.—Cliffin Clarion.
There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials by persons who have been cured by it. If you or your children are troubled with a cough or cold give it a trial and become acquainted with its good qualities. For sale by all dealers.
The City Council has been busy this week checking out Mr. J. C. Riley as engineer of the water works and electric light system. There seem to be a discrepancy between what the auditing committee found was due the city from Mr. Riley and what Riley claims he owes the city. The matter will probably be straightened out in a few days. We understand the engineer who is now at Wa-Keeney has been employed to take charge of the Oakley plant.—Oakley Graphic.
