DRINK SIX GLASSES OF WATER DAILY

An Interesting Statement by One of the Big Men in the Drug Business

A. E. KIESLING

of Houston, Texas, says: "If you have a muddy complexion and dull eyes, you are constipated. Six glasses of water daily and one or two Rexall Orderlies at night will correct this condition and make you 'fit as a fiddle.' Rexall Orderlies, in my opinion, are the best laxative to be had, and can be taken by men, women or children."

"AMERICA FIRST"

"The prohibiting duties we lay on all articles of foreign manufacture, which prudence requires us to establish at home, secure us against a relapse into foreign dependency. Experience has taught me that manufactures are now as necessary to our independence as to our comfort, and if those who quote me as of a different opinion will keep pace with me in purchasing nothing foreign, where an equivalent of domestic manufacture can be obtained, without regard to difference in price, it will not be our fault if we do not soon have a supply at home equal to our demand." —Thomas Jefferson.

No Reason For It

When Wa-Keeney Citizens Show a Way There can be no reason why any reader of this who suffers the torture of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what a Wa-Keeney citizen says:

Mrs. E. C. Sigler, Wa-Keeney, says: "I had some trouble from my kidneys. My feet became swollen and it was hard for me to be on my feet for any length of time. They often felt numb. Spells of dizziness also annoyed me. I read of local people telling of their experience with Doan's Kidney Pills and I got some at W. W. Gibson's Drug store. They proved to be just what I needed. They removed the swelling in my limbs, the dizziness is a thing of the past and my condition greatly improved."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sigler recommends. Foster-Milburn Co. Props., Buffalo, N. Y.—Adv.
