

EGGS

A recent ruling of the U. S. Food Administration requires that all who handle eggs must CANDLE them. This as a matter of conservation and, while there are some disadvantages, on the whole the farmer who is careful with his eggs will be greatly benefitted. Already the general quality of eggs shows better because of added care. If you have roosters in the flock it will pay you to get rid of them—the market is good!

The government fixed the price of the farmers' wheat but failed to fix the prices of the things he must buy. It then took over the railroads and raised the freight and passenger rates so that the farmer will actually receive less for his products. The threshermen met and adopted a scale of prices and again the farmer caught it in the neck. Conventions were held and the farmers were then told the prices they were expected to pay for labor. It would seem that the farmer has about his share of regulations. Why not try the plan on southern cotton, the packing interests, the wholesalers of flour substitutes and a few others.—Beloit Gazette.

**Use the Sunlight
 It's Free**

Sunlight is the world's champion disinfectant. It's on the job most of the time and it's just as necessary for the sleeping quarters of the hog as it is for bedrooms in the house.

Therefore, in planning your hog house, be sure to provide plenty of windows. See that every nook and corner gets its share of this reliable disinfectant. In this way you will also make sure of good ventilation.

Build a substantial hog house, for the hog needs protection more than any other animal on the farm. Make sure of good drainage and cleanliness.

We stand ready to give you any advice on the question of material. And our advice is just like the sunlight—it's free.

MAKES RAPID HEADWAY
 Add This Fact to Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended with pain, procure a good kidney remedy at once.

Thousands recommend Doan's Kidney Pills. Read the statement below. H. A. Cowan, Hays, Kans., says: "Doan's Kidney Pills have given me and others of my family entire satisfaction. I was relieved of backache and other kidney disorders. I have used Doan's Kidney Pills occasionally during the past few years for return attacks of kidney trouble with good results."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cowan had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. Adv.
