## THE SALVATION ARMY BOARD MEETS

W. R. Board of Kansas City, representing headquarters of the Salvation Army for this district was here Tuesday and Wednesday. The members of the local advisory board were called together and at his request Judge A. S. Peacock was excused from the duties as president and S. J. Straw was elected to the position.

Plans for the annual financial appeal here of the Salvation Army were formulated at a meeting on September 20th of the Army's Trego county Advisory Board. Committees were appointed, the dates for the appeal set at October 17 and 24, and a quota of \$250.00 allotted to Trego county.

A report was made to the Board on the work during the past year in the Kansas and Western Missouri division of the Salvation Army. The report showed that additional boards had been formed in the division, that they were co-operating in the work that the Army has been doing, and specific mention was made of certain phrases of the work, particularly that relating to the Divisional Maternity home at Wichita, and to relief work among persons who are victims of the industrial depression that has been prevalent.

Since the Rescue home was opened early this year 60 girls have been admitted of whom 36 already have passed through the home and either have returned to their homes or been placed in positions found for them by the Salvation Army. More than 35 babies have been born in the home since it was opened on January 10th.

Members of the Trego county Advisory Board are: Pres. S. J. Straw, V. Pres., J. H. Niesley, Sec.-Treas., J. H. Heckman, P. G. Owens, J. W. Bingham, J. G. Hixson, D. O. Hemphill, Mrs. Minnie O'Neil, A. H. Acre, J. W. Spena, W. C. P. Rhoades, E. R. Cave, Herman Long, W. W. Gibson, E. J. Rogers, A. S. Peacock, of WaKeeney; Roy W. Blakely and W. A. Tawney of Ogallah; Wm. M. Cox, C. E. Downie and Patrick Lynch, of Collyer.

## BUSINESS INCREASED FIFTY PER CENT

"Branch telegraphic reports indicate daily retail sales of Ford cars and trucks increased fifty per cent the first week since price reductions, with corresponding reductions in dealers' stock. Marked shortage, particularly of the enclosed types of cars, are already being felt in many sections. Unfilled orders for all types of Ford cars and trucks are rapidly accumulating as production has not been increased over the regular monthly schedule of one hundred thousand cars."

Mrs. Harley Miller writes that they are now located at Salina where Mr. Miller has a position as a freight agent. They like Salina very much but want the home news through The World just the same.

## GOLF CLUB TOURNAMENT

For the purpose of trying out their skill and of also enjoying a social evening together, the members of WaKeeney Golf Club chose up sides and held a tournament on the course Monday evening. The captain were Dr. U. S. Miller and Attorney Herman Long and it was mutually agreed that the losing team should furnish a dinner for the victors. The contestants were:

Herman Long	U. S. Miller
S. J. Straw	C. L. Hardman
Chas. Downie	Scott Bailey
W. W. Mack	R. J. Tague
A. W. Heyl	J. C. Cortright
G. L. Hays	J. D. Glenn

The first team started at 5 o'clock, the others followed as rapidly as possible. The contest lasted about two hours, but G. L. Hays being absent, Hays and Glenn did not take part in the contest. At the end it was found the score was very close. Dr. Miller's side had won with six points in their favor. There are nine holes on the course and Dr. Miller and his team had made all of them with 296 strokes and the losers had swung the clubs 302 times in making the round. It is the low score that wins in a golf game. The dinner was served at the American House at 7:30 o'clock. This is the first tournament held by the local club and was a source of much pleasure to the contestants.

## CLOTHING, SHOES, TOYS WANTED

Those who have cast off clothing, shoes or toys which they can spare and which they wish to turn over to the relief committee for the benefit of those suffering in the near east, can bring them to the Presbyterian church in WaKeeney on Monday afternoon, September 25th between the hours of 1 and 5 o'clock p. m. The clothing should be done up in a neat package but not put into boxes. If the bundle is large enough, say from about fifty pounds upwards, it should be covered with burlap and tied up in a way which will protect it. The clothing desired is such as will be warm and substantial and not the showy kind. The toys should be such as will not be easily broken but will stand shipping.

The need for this clothing, especially in Russia, is very great and it can be spared from this country without materially injuring anyone. The need is urgent and it will take prompt action in order to get it assembled and shipped to the countries where it is so much needed. Do not delay action until it is too late but get the goods to the church as early in the afternoon as possible.

Mr. and Mrs. W. L. Caston arrived home from their trip to the eastern part of the state last Sunday. They had a nice trip and saw some fine looking country but Trego county and WaKeeney look the most like home to them of anything they saw. They are now preparing to settle themselves in the property on Washington street which they recently purchased from Chas. Steel and which has been occupied by Alva Billings and family.

## KLEIN-LYNCH

The marriage of Miss Marie Klein and Mr. Patrick A. Lynch was solemnized at St. Mary's Catholic church yesterday morning at six thirty. Rev. Father McErlean officiating at a Nuptial High Mass which is one of the most beautiful and impressive ceremonies of that church. Miss Ella Henry acted as bride's maid and Mr. Tom Lynch, of Salina, brother of the groom was groom's man.

The bride is the very charming and capable daughter of Mr. Nicholas Klein, and is a young lady held in high esteem by the entire community. She is a graduate of the Glasco High school, an following her graduation taught three very successful terms of school here and at Park, Kansas.

The groom is a progressive young merchant of Voda, Kansas. Immediately following the ceremony, the wedding party, which included, the bride and groom, Miss Ella Henry and Mr. Tom Lynch, Father McErlean and Mr. Nicholas Klein, were guests at a three course wedding breakfast at the home of Mr. and Mrs. George Spauling.

The happy couple left on the morning Union Pacific yesterday for a week's wedding trip to Kansas City and other points, and will be at home at Voda, Kansas, after October first.—Glasco Sun.

## WHAT WILL WAKEENEY DO?

Two weeks ago The World published an article under this head, which the editor of the Quinter Advocate clipped and republished in his paper, adding "This is a challenge to Quinter. What will Quinter do?" All this has to do with what will WaKeeney, Collyer or Quinter do toward drawing the advantages and business which will come with the development of the oil field in this county. WaKeeney has the advantage over the other cities at present but is she going to keep it? It will take work and money. The first thing needed is a big modern hotel. The other two cities realize the same thing. We understand talk and planning has commenced in both Collyer and Quinter and that some offers have been made. WaKeeney needs a good hotel regardless of the oil development. What will WaKeeney do?

## PLANNING FOR REVIVAL MEETINGS

Committees representing the local Methodist, Baptist and Presbyterian churches met at the Methodist church Monday evening and discussed plans for a union revival meeting to be held during the coming winter. It was decided that such a meeting should be held provided an evangelist can be secured. Committees were appointed to carry out the plans. In connection with this proposed meeting it was decided that a religious census of the city would be necessary. Just when this census will be taken was not decided but the people of WaKeeney should be prepared to state their church preference whenever they are called upon.

## OBITUARY—F. H. BUCHHOLZ

Mention was made last week of the death of Fredrick Henry Buchholz which occurred at the hospital at Hays. The funeral services were conducted from S. J. Straw's funeral home Friday afternoon, September 16th, the services being conducted by the Rev. F. A. Heizer of the Presbyterian church. Mrs. E. A. Courtney sang and Miss Mildred Roloson played the piano. The body was buried in WaKeeney Cemetery.

Fredrick Henry Buchholz was born at Grauekrice Hoya, Hanover Germany, November 7, 1867 and died at St. Anthony Hospital at Hays, September 14, 1921, aged 53 years, 10 months and 7 days. Death was caused by appendicitis. He was united in marriage to Miss Sophia Scholing in Germany October 9, 1893. To them twelve children were born, five boys and three girls of whom are now living and with their mother survive and mourn the loss of a husband and father. Mr. and Mrs. Buchholz came to America soon after their marriage and located in Nebraska. In 1905 they came to Trego county and have lived near WaKeeney ever since. A few years ago Mr. Buchholz purchased a farm three miles northeast of WaKeeney on which the family now live. The family requests us to convey their thanks to the friends who assisted and sympathized with them in their sorrow. Mrs. Buchholz has also found the old hymn "Nearer My God To Thee" very precious to her at this time and at her request we publish selections from it herewith:

Nearer my God to Thee,  
Nearer to Thee;  
E'en tho' it be a cross  
That raiseth me;  
Still all my song shall be,  
Nearer my God to Thee  
Nearer to Thee.

There let the way appear  
Steps unto heav'n;  
All that thou sendest me,  
In mercy giv'n;  
Angels to beckon me  
Nearer my God to Thee  
Nearer to Thee.

Then with my waking tho'ts  
Bright with Thy praise,  
Out of my stony griefs,  
Bethel I'll raise;  
So by my woes to be  
Nearer my God to Thee  
Nearer to Thee.

## CHICKEN THIEVES ABROAD

That chicken thieves have commenced operation in this vicinity is witnessed by an incident which took place Sunday night at the home of Otto Wisch, seventeen miles northeast of WaKeeney. During the early evening the family had noticed the dog was acting uneasy and was making more noise than usual. Mr. Wisch and one of his sons had gone out to the out buildings to investigate but found nothing unusual. Later in the evening, about 10:30 the dog became noisy again and a disturbance was heard in the chicken house. Supposing that a skunk or some other vermin was after them Mr. Wisch took a rifle and started out to investigate. When he neared the chicken house he was considerably surprised when a man stepped out of the door and while making a run for safety turned and shot at him. The bullet passed through Mr. Wisch's right forearm but fortunately did not strike either bone or an artery. The man continued his run into the darkness and made his escape carrying a few chickens with him in a sack on his back. Mr. Wisch was unable to recognize him and has no idea who it was. He then came to town and had Dr. Burnett to dress the wound. It does not appear to be serious and from appearances will soon heal.

## PRESBYTERIAN CHURCH NOTES

Last Sunday evening our church was again filled by a large audience. The picture and the lecture on "The Empire of the Northeast" seemed to be satisfactory to all.

Next Sunday evening the Young People's Choir will furnish the music once more. The subject of the sermons will be: In the morning—"The Test of the Modern Prophet"; in the evening—"The Human Body."

The time of the evening service next Sunday will be 8 o'clock. After October 1st our evening meetings will begin at 7:30 o'clock.

Next week the prayer meeting topic will be "Loyalty to the Church"—Psalm 84:1-12, 1 Tim. 3:14-15.

## M. E. CHURCH NOTES

Sunday was a rainy day and some seats were vacant. Did you have an appointment with the Lord and did you fail no your part to meet with Him? A good many came anyway and the services were good. Be sure and meet your appointments next Sunday.

The Epworth League was led in a fine manner by Miss Shaw and a good crowd attended.

Miss Helen Newitt favored us with a solo rendered in the Spirit and with the talent for which she is famous. She was a guest of the Munson's and it was very kind of her to so favor us.

The Sunday School newly organized orchestra expect to give us some special music.

We wish to meet with all who are in favor of a live church and meet Wednesday night at 8 o'clock with the official board and help us plan for the winter.

Preaching.....	11:00 a. m.

M. Munson, Mrs. Clyde Poffenberger and Mrs. Ida Pierson. Mrs. Munson, Miss Ufford and Miss Donahue were the committee in charge of the banquet. The decorations were fall flowers. The ladies are quite enthusiastic for their club and enjoyed the banquet very much.

## HERE'S A GOOD RABBIT STORY

You might not think that a rabbit could jump against a person's arm with force enough to slip the elbow out of joint and at the same time kill the rabbit stone dead but we have good witnesses in this vicinity to prove that such a thing is possible and that such a thing actually took place.

Last Friday a son of Mr. and Mrs. Jerry Dorman, in south Graham county north of WaKeeney was out in the field. The dog was with him and started up a jack rabbit. The race commenced. The rabbit came down a furrow closely pursued by the dog and seemed to be attending strictly to its business of keeping ahead of its enemy. The boy conceived the idea of catching the rabbit in his hands and got down in the furrow ahead of the race. When within a few feet of the boy the rabbit must have seen him for the first time and made a big jump to clear the obstruction and to obtain its liberty. The attempt failed and the head of the rabbit struck the boys forearm squarely just below the elbow and the race ended right there. The jack died instantly and the force of the compact knocked the boys elbow out of joint. He was brought to Dr. Burnett who set the joint and fixed the boy to be in shape to be all right again and ready to catch another rabbit in a short time.

## SALINA COMMERCIAL CLUB HERE

A sociability tour from Salina out the branch to Hill City, thence across to WaKeeney and then back east to Salina was made this week by members of the Salina Commercial Club. The visitors were here Wednesday and took dinner with the ladies of the Baptist church at the sheriff's office. In the company were twenty-four cars in which fifty business firms were represented, and a band of twenty pieces. The company spent an hour or more calling on WaKeeney business men. The band played several selections and the caravan moved on to Ogallah and Hays where they stayed all night, completing the return trip on Thursday.
