Northern emigration, from Missouri, Iowa, Illinois, Wisconsin or Michigan, either California or any part of Kansas or Southern Nebraska, will find a mail route to this point, on a State Road from Des Moines, Iowa; and as good roads through Missouri, by way of Savannah and Oregon, to this place, as by any other point on the river. There are good landings on both sides of the river; and on the Kansas side, all streams and sloughs, to the Nemaha, have free bridges, recently made for the Government train from this place to Salt Lake and Utah. We can say to the California emigration, that they can strike the old California Road within 12 miles of this place, and they will find good grazing for stock within half a mile of the river, and plenty of wood and water on the route to the Blue, only 80 miles from here; and they will find this road over 40 miles shorter than the road from St. Joseph, and over 60 miles shorter than that from Leavenworth. We refer persons to the map, in proof of this statement; and we only ask emigrants and travelers to try this route, and we pledge ourselves to pass them over the river free, on their return, if they are not satisfied of the foregoing facts.
White Cloud has three or four good stores and trading houses; two first-class Hotels; number 1 only \$15 per 100 feet; the country is rapidly filling up; and there is as good a farming region, extending for over 50 miles back of the river, as can be found in any part of Kansas.
