REAPERS, MOWERS, AND THRESHERS!
I am hereby informed that the McCormick's Reaping and Mowing Machines, which will be procured at short notice. They are manufacturing their celebrated Self-Raking Reaper and Mower combined; and also a two-wheeled Mower, with Flexible Cutter Bar, Lever for raising to any cut, and new arrangement for lifting the cutting edge to any angle in mowing close over rough ground.
I will also attend to procuring Threshers and all other kinds of Machinery that may be required. Having been long engaged in this business, and being acquainted with all kinds of Machinery, those in want of any such articles would do well to call on me.

PIANO-FORTES.

DRIGGS' NEW PATENT.

ARE THE ONLY INSTRUMENTS constructed on a truly scientific principle. They have greater strength, and will remain longer in tune than any other Piano. The construction is simple and natural; all the extraneous lumber in the body of the instrument is dispensed with; the sound-boards are merely two arched planks of thin wood, like the front and back of a violin; the strings are attached to a strong iron frame, which is separated and entirely independent of the case, thereby dispensing with the old harp form of stringing, by substituting straight strings, preserving at the same time the Over Strung Bass, of which Mr. Driggs is the Inventor. By these improvements we gain much more vibratory power, at the same time preserving all its purity and richness of tone.

They have received the highest testimonials from the Press, and all the principal Artists in the country, among whom are:
HARRY SANDERSON, L. M. GOTTSCHALK,
MAX MARTEZZI, S. THALBERG,
THEODORE EISENFIELD, Wm. Mason,
HERMAN WOLLENHAUFF, A. BARIOLI,
FRANCIS H. BROWN, M. STRACOSCH,
Wm. HENRY FAY, CHAS. FRADEL.

Mr. SEYMOUR THALBERG, the great pianist, says:—"I have examined your new Piano-forte, and I cordially approve of its system of construction—its principle, by which great increase of vibratory power is obtained, being very simple and perfectly philosophical. The tone is grand and noble; it has great capacity for sustaining the sound of singing, and its volume of tone or power I have never heard excelled in depth, purity, and sympathetic sweetness."

From the N. Y. Herald, Sept. 5—"Upon a careful examination of Driggs' Piano-Forte, we find the results obtained are a very fine singing tone; great purity and brilliancy throughout the entire instrument, not often found in Pianos constructed upon the old plan."
The N. Y. Times, July 12, says:—"We have now an instrument without an equal. It can sing with a smooth delicacy, perfectly unattainable on any other instrument; an ordinary player obtains, with no exertion, the fullness of a Grand Piano-Forte, and they must speedily supersede the old styles."

GENTLEMEN—Having thoroughly examined and tested the Piano-Fortes invented and patented by Mr. S. B. Driggs, I am of the opinion that the tone resulting from his improvements, as exhibited in the instruments under examination, in point of richness, depth and brilliancy, equals that of the best Grand Piano-Fortes, and excels them in pure, musical intonation and actual tone and power, thus approximating closer to what I consider perfection in the instrument than has yet been achieved by any other system of manufacture.

Yours, respectfully,
L. M. GOTTSCHALK.

GREENBACKS ARE GOOD!

ROBACK'S STOMACH BITTERS, after years of experience and trial, have been found to be the best remedy extant for all complaints where a tonic and purgative are required. They never fail to strengthen the weak, impart vigor to the strong, and in all respects surpass all other remedies for the various ailments and weaknesses of the system. No remedy has been received with so much favor as Roback's Stomach Bitters. In Chicago.

OVER 50,000 bottles were sold by one drug-house in the year. It is admitted by our best medical authorities that Dr. ROBACK'S STOMACH BITTERS combine the properties of a tonic and a purgative, in an efficient and safe manner.

agent, and the best stomachic known to the world. ROBACK'S BITTERS should be used by convalescents to strengthen the prostration which always follows acute disease. In the

BILIOUS districts of the West and South there has, for a long time, been much needed an article of STOMACH BITTERS, which would be both a tonic and a purgative. A sure cure and a sure preventive of Bilious Fever.

AND strengthening the system, and giving tone to the digestive organs, than any other known remedy. Now that the winter has set in, it is especially seeking homes in the South. No person who values his life should go there without having constantly at hand the BITTERS, as a safeguard against epidemic diseases and malarial fevers, which are so common and so fatal. Travelers and all residents of the rank river-bottom

COUNTIES of the West and South, and the prairie, should provide themselves with the BITTERS. There is probably no other medicine which is so many ailments as dyspepsia, or as it is more commonly called Sour Stomach, and there is no more certain remedy than Roback's Stomach Bitters. They are never known to fail.

KING CHOLERA has always been much dreaded by the public, and people have resorted to all manner of medicines to arrest the progress, but with little success. A sure cure and preventive is to be found in the use of Dr. ROBACK'S SCANDINAVIAN REMEDY. Keep the bottle open with the plug, and invigorate the system by five or six drops of the Bitters, or of the Milk, with the use of the Purifier.

SUCH an invaluable remedy should be kept in every family. Keep the system full and moist, and it will be freed from disease or cholera. THE OLD RELIABLE. Do not be deceived by purchasing any of the quick nostrums under the various names of Bitters. Purchase none other but Dr. ROBACK'S STOMACH BITTERS, which are compounded of the purest drugs, and in which the afflicted can rely.

LYON'S
PERIODICAL DROPS!
THE GREAT FEMALE REMEDY FOR IRREGULARITIES!
I have tested these Drops in my own practice, over ten years, and do not hesitate to say, that nothing has yet been developed by medical research, that acts so powerfully, positively, and harmlessly, in cases of female irregularity, as does this medicine. In all recent cases it never fails, while thousands who have been long sufferers, are indebted to it for the boon of health to-day.

Although so powerful and positive, they are perfectly harmless, and may be used at all times, except when specially forbidden in the directions.
They have been extensively employed by eminent physicians in France and England, as well as in my own practice, over ten years, and I have yet to hear of the first instance of failure. I could give you testimonials of their efficacy from ladies all over the Northern and Western States, were they not in their native private. Over 100,000 bottles have been sold the past year, and I hope and trust that many sufferers have been benefited. I am well aware that it is a remedy so potent to remove all obstructions, may be used for a long purpose, but trust that where one bottle is thus used, ten may fall into the hands of really needy sufferers.

To all who suffer from any irregularity, painful, difficult, excessive, offensive or obstructed Menstruation, Leucorrhoea, or the train of diseases that follow, I would say, try a bottle of Dr. Lyon's FEMALE PERIODICAL DROPS. Being a fluid preparation, their action is more direct and positive than any pills or powders. Explicit directions, bearing my fac-simile, accompany each bottle.
They may be obtained of nearly every drug-store in the country, or by enclosing the price to G. G. CLARK & CO., New Haven, Ct. General Agents for the United States and Canada.

HARPER'S
NEW MONTHLY MAGAZINE.
Critical Notices of the Press.
It is the foremost Magazine of the day. The freshest never had a more delightful companion, nor the million a more enterprising friend, than Harper's Magazine—Melodist Protestant, (Baltimore).
The most popular Monthly in the world—New York Observer.
We must refer in terms of eulogy to the high tone and varied excellence of Harper's Magazine—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of it as an evidence of the culture of the American People; and the popularity it has acquired is merited. Each Number contains fully 144 pages of reading matter, appropriately illustrated with good wood-cuts; and it combines within itself the best monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has great power in the dissemination of a love of pure literature.—*Traveller's Guide to American Literature, London.*
The volumes bound constitute themselves a library of miscellaneous reading such as can not be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*

SUBSCRIPTIONS—1867.
The Publishers have perfected a system of mailing by which they can supply the Magazine and Weekly promptly to those who prefer to receive their periodicals directly from the Office of Publication. Postmasters and others desirous of getting up Clubs will be supplied with a Show Bill on application.

It is prepared from the best JAVA COFFEE, and while it has all the flavor of the Old Government Java, sells for less than half the price.
OSBORN'S JAVA COFFEE
Has been steadily used for years, by thousands of persons in all parts of the country, and is universally acknowledged to be of an unusually delicious, healthful and economical. The same quantity will make a richer and stronger cup of Coffee than any other known.
OSBORN'S JAVA COFFEE
Is particularly recommended as a healthful beverage, and is most beneficially used by those who suffer with Headache, Nervousness, and other injurious effects from the use of other Coffee.
It is prepared with the greatest care, and contains no ingredient which is not more harmless and beneficial to the human organism than pure Coffee, to which fact the most skillful Physicians and Chemists testify.
It has been extensively used as numerous Sanitary Fairs throughout the Union, and received the diploma of the highest recommendation.
It has also been thoroughly tested, and received the diploma of the American Institute, and other prominent institutions.
