Holloway's Pills.

Holloway's Ointment.

The history of these great Remedies is the most wonderful medical revelation that the world has ever known. It establishes the important fact that wherever, and in whatever shape internal disease exists, the discharging, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

The Great Ambassadors of Health to all Mankind.

This is not a history written by one man, or even derived from the experiences of one nation. It consists of a compilation of testimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favor of any discovery or invention since time began.

These Mighty Healers, World Known and World Tried, are a Balm to the Sick.

Disorders of the Stomach. Are the sources of the deadliest maladies. Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the channels of circulation. Now, what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and acting through the secretive organs upon the blood itself, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effect upon all its parts and functions.

Woman, in all her Difficulties. Is invited to test the regulating and restorative powers of this harmless but effective preparation. At the two epochs of life in which the female system undergoes the most important and critical changes, the Pills will prove a positive safeguard against evil consequences. They are also confidently recommended as a specific in every disorder to which females are exclusively subject.

Be it Understood. That the above statements can at all times be verified by the written testimony (extending through a quarter of a century) of tens of thousands of unimpeachable witnesses.

Blilious Maladies, &c., &c. In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless, and irresistible curative. Bilious remittents, bilious purging, and all the ordinary disorders of the organ, indicated by pain in the right side and between the shoulders, yellowness of the whites of the eyes, weakness and debility, &c., are relieved and removed by the remedy, with a celerity which astonishes the sufferers and their friends. Let the sick, whom the faculty have abandoned, resort with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the unvarying result.

Dyspepsia, Diarrhoea, Weakness, &c. The terrible bodily and mental pangs which characterize Dyspepsia, are at once mitigated by the Pills. Diarrhoea, constipation, headache, physical prostration, nervous tremors, hot flushes, spasms, affections of the kidneys, hemorrhoids or piles, and, in fact, all internal complaints, from whatever cause arising, give way before the salutary influence of this extraordinary remedy. As a specific for dyspepsia, and the disorders connected with it, or growing out of it, the Pills are always to be relied on, when every other medicine and mode of treatment has utterly failed.

Holloway's Pills are the best Remedy known in the World for the following Diseases: Asthma, Headaches, Coughs, Cold, Chest Diseases, Dyspepsia, Diarrhoea, Dropsy, Debility, Fever and Ague, Female Complaints.
