

### Hart's Vegetable Extract.

It is the only remedy that can be relied on for the permanent cure of Spinal Complaints, Spasmodic Contractions, Irritation of the Nerves, Nervous or Sick Headache, Nervous Tremors, Neuritic Affections, Apoplexy, Paralysis, General Debility, Deficiency of Nerves and Hay Fever, and all Nervous Disorders, including the most dreadful of all diseases that ever afflict the human race.

### Epilepsy, or Falling Sickness.

This disease consists in a sudden deprivation of the senses, accompanied by a violent convulsive motion of the whole body. It attacks by fits, and after a certain duration goes off, generally leaving the sufferer in a stupor, attended with great weakness and exhaustion of the body.

Dr. Hart would impress it upon the minds of the afflicted, that the Vegetable Extract is the only remedy that can be relied on for the permanent cure of this most dreadful of all diseases. As its tendency is to insanity, madness and death, those of our own country who are afflicted with Epilepsy, and who have been considered by many as incurable, should be particularly careful to procure this most important of all discoveries made by Dr. Hart, nearly sixteen years since, during which time it has been performing some of the most remarkable cures upon the afflicted, and has acquired a reputation which time alone can efface. Physicians of undoubted skill and experience, Ministers of various denominations, as well as hundreds of our eminent citizens, all unite in recommending the use of this truly valuable medicine to the afflicted, and their friends, who are thus afflicted, as the only remedy.

### Dr. Townsend's Compound Extract of Sarsaparilla.

This Extract is put up in quart bottles—it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, or debilitating the patient, and is particularly adapted for the young.

### SPRING AND SUMMER MEDICINE.

The great beauty and superiority of this Sarsaparilla over other remedies, while it eradicates disease, it also restores the body—Consumption cured—Croup, Bronchitis, Consumption, Liver complaint, colds, coughs, asthma, spitting of blood, soreness in the chest, hoarse throat, night sweats, difficult and profuse expectoration and pain in the side, &c. &c. have and can be cured.

Probably there never was a remedy that has been so successful in desperate cases of consumption, this it cleanses and strengthens the system, and appears to heal the ulcers on the lungs, and the patients gradually regain their usual health and strength.

There is scarcely a day passes but there are numbers of cases of Consumption reported as cured by the use of Dr. Townsend's Sarsaparilla. The following are some of the most remarkable:

Dr. Townsend—Dear Sir: For the last three years I have been afflicted with general debility, and nervous consumption of the last stage, and did not expect to ever gain my health at all. After going through a course of medicine, the care of some of the most distinguished regular physicians and members of the Board of Health in New York and elsewhere, and spending the most of my earnings in attempting to regain my health, and after reading in some papers of your Sarsaparilla, I resolved to try it. After using six bottles I found it done me great good and called to see you at your office, with your advice I kept on, and do most heartily thank you for your advice. I persevere in taking the Sarsaparilla, and am now able to attend to my usual labors for the last three months, and I hope by the blessing of God and your Sarsaparilla to continue my health—

Dr. Townsend—Dear Sir: I have been afflicted for several years with dyspepsia in its worst form, attended with sourness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what could eat) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had little or no effect in removing the complaint. I was induced, about two months since, to try your Sarsaparilla, and I must say with confidence, that after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed, and I would earnestly recommend the use of it to those who have been afflicted as I have been.

Dr. Townsend—Dear Sir: I have been afflicted for several years with dyspepsia in its worst form, attended with sourness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what could eat) I have been unable to retain but a small portion on my stomach. ### HOWE'S HYCEAN HOARHOUND LIVERWORT COUGH CANDY.

THIS popular CANDY has been before the public in the west and south more than one year, and in that short space of time it has obtained more reputation for its good qualities, certainly of cure, and cheapness than any other medicine of the kind ever offered. It is the intention of the proprietors to sell the COUGH CANDY reasonable, in order that it may be in the reach of all to obtain a remedy, that never fails, (no such words as I have ever heard or thought of, when the CANDY is talked about,) curing the most violent COLIC and COUGH, and is therefore offered to the suffering and afflicted, of the West and South; for their good.

It traces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of the medicines taken for female weakness and disease.

### DR. M'LANE'S VERMIFUGE.

A RARITY under the head of a Patent Medicine and advertisement. We ask our readers to peruse the following, knowing they will profit thereby.

A medicine which is perfectly safe, and may be given to children from tender infancy, to advanced age, lays under no restraint as to cold water, or any kind of food. Purges mildly, subdues fever, destroys and expels worms with invariable success, and is easily administered to children.

That it possesses these valuable properties, is fearlessly asserted; still claiming the additional advantages of being given in small bulk, and requiring none of the drearying which Worm tea and other supposed Vermifuge demand. During its brief career, it has been introduced into many families, where other worm known and accessible Vermifuge had been tried without the least success, where it has promptly expelled worms to an almost incredible amount.

It is the intention of the proprietors to sell the COUGH CANDY reasonable, in order that it may be in the reach of all to obtain a remedy, that never fails, (no such words as I have ever heard or thought of, when the CANDY is talked about,) curing the most violent COLIC and COUGH, and is therefore offered to the suffering and afflicted, of the West and South; for their good.

### THE PITTSBURG GAZETTE.

THE past summer (1847) has been a very remarkable one. Frequent and heavy rain, followed by intense and long continued heat, had the effect, in the first place, to promote the rapid growth of succulent vegetation, and in the second to produce a rapid decomposition of vegetable matter, giving rise to much miasma and spreading sickness, disease and death, in a manner which had heretofore been remarkable for their rarity.

We are credibly informed, that whole meadows, on which the grass was unusually heavy, rotted to the ground and was not fit to be cut. In Indiana and Illinois, the sickness was so general, that there was not enough well persons to attend upon the sick, whose sufferings were protracted by a want of proper remedies, as well as of good nursing. Much of this suffering might have been prevented, had every family kept on hand a supply of medicines suited to counteract the effects of this miasma, with which the atmosphere at certain times is surcharged. In addition to Quinine, (which is in such general use as to need no comment,) we would strongly urge every family to keep on hand one or more boxes of "Dr. M'LANE'S LIVER PILLS."

These Pills are the description of an eminent Physician in Monongahela Co. Virginia, and were used by him in his private practice as a remedy in bilious complaints, for years before he thought of offering them to the public. Such, however, was the success in the Pills, against so great a number of persons benefited by them, that the making of the quantity requisite to supply the increasing demand, began to interfere materially with the time required to attend to his practice. To prevent this, he made arrangements with the house of Dr. KIDD & CO. 60 Wood Street, Pittsburgh, Pa. to prepare and vend them, where the genuine may be procured at all times and in any reasonable quantity.

These Pills are not recommended as a panacea for all the ills that flesh is heir to, but in all affections of the Liver and in all bilious complaints, they stand without a rival. All who have ever used them, give them the preference over all other Pills, and cannot be persuaded to exchange those which find experience to be the most efficacious. I have used them myself, and they may be said to have saved my life. ISRAEL REES, Editor.

Prepared for the proprietor by J. KIDD & CO. Wholesale Druggists, No. 60 Wood Street, Pittsburgh, Pa. To whom all orders for the Pills, should be directed. Sold also by our Agents and the principal Druggists throughout the United States and Canada.

Dr. M'LANE'S LIVER PILLS, as there are other Pills purporting to be "Liver Pills," now being sold, be careful to purchase the genuine. Sold Wholesale & Retail by CRAWFORD BELL, Main St., Evansville, Ind. dec 23-y

Monthly Bulletin, No. 3. This world has ever been the scene of the fiercest struggles between Truth and error. No sooner does Truth propose an important theory, than error, with its legion of allies, comes to its assistance. A most illustrious instance of this, was the opposition made to the immortal JENNER. His master mind was led, under Providence, to the discovery of Vaccination, by which that dreadful scourge, the small pox, was robbed of its terrors. He found that the matter from pustules upon the udder of a cow contained a principle which would produce the almost divine result for which he had so patiently and anxiously sought. Opposition arose. Interested persons high in social rank and professional position, denied what they dared not deny! They asserted that many vaccinated persons became covered with hair, and even exhibited horns and a tail; and that in one case a child ran on all fours, bellowing like a bull. But the current was too strong for them. The British Parliament voted him £20,000 sterling (\$100,000), and the world was his.

The same spirit has come down to our own time. Even while we write this Bulletin, interested persons, jealous of the wonderful efficacy and success of the Graefenberg Medicines, are attempting to arrest their spread. The most extraordinary certificates are constantly flowing in to the company from all parts of the country, certifying which have astonished the most respectable citizens. Many of these testimonials have been submitted to gentlemen of great distinction, who have carefully examined them to see that they are genuine. Among these are the names of the Rev. N. Bangs, D. D., of the Methodist Episcopal Church, and Francis Hall, Esq., editor of the New York Commercial Advertiser. We finally submitted the whole to the Hon. Wm. V. Brain, the Mayor of New York, who has given his certificate, and has placed the Seal of the City, that they are genuine and reliable.

With such names, we fear no opposition. We are fortified by an open and solicit a continuance of the unexampled patronage we have already received. We would earnestly recommend to our friends, that in every neighborhood where there is no Graefenberg Depot, immediate steps be taken to have one. By addressing the General Agent of any district, this can be secured. Families should club together and get an immediate supply.

Emigrant Societies and other philanthropic bodies should furnish them to the needy. The bottles of the wonderful Pills alone, 30,000 copies are sold each and every week! Of the Health Bitters, an enormous quantity—These extraordinary Bitters are sold at twenty-five cents a paper, and are warranted to make two quarts of water into a gallon of the world's best wine. They are composed of Roots, Bark, Herbs, and the best of the most valuable and precious of America and are a speedy and certain restorative of weak and debilitated constitutions.

The following are the names of the Company, of equal value, and are as follows:—The Graefenberg Sarsaparilla Compound, the Graefenberg Eye Lotion, the Children's Panacea, the Green Mountain Ointment, the Consumptive's Balm, &c. &c. The General Agent for Indiana is Myrus Seaton, to whom applications for agencies may be addressed. EDWARD BARTON, Secretary. New York, January, 1848. W. M. WOOLSEY, Agent may-4f Evansville.

HEALTH! HEALTH! THOMSON'S COMPOUND SYRUP OF FAR AND OTHER REMEDIES FOR THE CURE OF CONSUMPTION.

THE ONLY CERTAIN REMEDY FOR THE CURE OF CONSUMPTION. Ashima, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, and the most distressing Nervous Tremors, Liver complaint, Debilitated Kidneys, and Affections generally of the Throat, Moisture of the Breasts and Lungs.

Of all the diseases incident to our climate there is none so universal, and at the same time so insidious and fatal, as Consumption. In this country especially, Pulmonary Consumption is emphatically a scourge, which is suffering from the troubles of disease, is reduced for several years by the use of it, so much that it was with great difficulty for me to walk or attend to my business. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say, were removed by the use of your medicine. I remain, still in perfect health, Your obt. servt., NELSON NEWTON.

280 Spring street, Cor. Kenwick, New York, Nov. 15, 1847. Messrs W. H. & Ketchum—Gentlemen—I can assure you that I feel a statement of the benefit I derived from using Dr. Upton's Elettary, in a case of Piles, by doing it, I shall render a benefit to those who are suffering from the troubles of disease. My health was reduced for several years by the use of it, so much that it was with great difficulty for me to walk or attend to my business. I also suffered from other diseases, which were extremely troublesome, and which I am pleased to say, were removed by the use of your medicine. I remain, still in perfect health, Your obt. servt., NELSON NEWTON.

109 rehs Kenhwa Salt for sale by JOHN SHANKLIN. (dec 21-1f)

NOTICE—The genuine Upton's Elettary has his written signature, thus (W. H. & Ketchum, M.D.) The hand is also done with a pen. Price \$1 a box. Sold wholesale and retail by WYATT & KETCHUM, No. 151 Fulton street, N. Y. and by Druggists generally throughout the United States and Canada. jan 25-48 A. C. HALLOCK, Agent for Evansville, Ind. EDW'D GRIFITH.
