

Out of Sorts

Is a feeling peculiar to persons of dyspeptic tendency, or it may be caused by change of climate, season of life. The stomach is out of order, the head aches or does not feel right, appetite is capricious, the nerves seem overworked, the mind is confused and irritable. This condition finds an excellent corrective in Hood's Sarsaparilla, which, by its regulating and toning powers, soon restores harmony to the system, and gives the strength of mind, nerves and body which makes each feel perfectly well.

"I have used Hood's Sarsaparilla in my family for three years, and have taken it personally with great success. It has always built up my system, by giving me a good appetite, has cleared my skin, and has made me sleep. I have suffered from nervous prostration, and have been cured by nothing but Hood's Sarsaparilla and occasionally a few of Hood's Pills."

Dr. J. F. JUNKERMAN, Supt. of Music of Public Schools, Cincinnati, O.
