The amalgamation of the Wheeling & Lake Erie road with the Cincinnati, Hamilton & Dayton is said to be an assured thing. Both are good properties, and are now well managed.

McKay, general freight agent of the Lake Shore road, has been ordered to Europe for several months for the benefit of his health, will return this week, and on Sept. 1 resume his official duties.

The official reports show that on Thursday the C. & E. I. had 2,685 passengers at the reduced rates; the Indianapolis & Vincennes, 2,853, and the Jeffersonville, Madison & Indianapolis, 3,234. The live-stock traffic of the Vandalia has increased so much of late that the company is enlarging its yards at shipping points and establishing new yards at many of the smaller stations to encourage shippers to use its line.
