Axtell's Great Feat.

The Noted Horse Beats All Stallion Records by Trotting a Mile in 2:12.

TERRE HAUTE, Ind., Oct. 11.—A mile in two minutes and twelve seconds is a great feat for an aged horse at any harness gait. When it is done by a three-year-old stallion at the trotting gait, it means a record that will stand for many a day. It means the accomplishment of physical endurance, courage and all that goes to make a king of all horses. The fourth day of the fall meeting brought out a crowd large and enthusiastic as ever a perfect Indian summer sun shone upon to witness an event that one is fortunate to see in a life-time—the great Axtell to beat the three-year-old record, 2:13 1/4, held by the California filly Sunol. When brought out for the warming-up heat he moved with such freedom and determination that but few thought the record would stand, but that he would knock one and three-fourth second from it the wildest enthusiast did not dream. Geo. Starr was behind Father John as a helper. Williams nodded for the word at the second attempt, and the great flight was begun. With that smooth action that marks him as the purest-gated horse that ever lived, the first quarter was reached in 33 seconds. The clip is made faster to the half, in 1:05 3/4; 3:24 is the gait to the three-quarter post. With never a falter he breaks the hill and turns into the stretch. A shout rises up. "He will do it. On he comes, and without a wobble or false stroke, he finishes the mile strong in 2:12, thus, at one stroke, reducing the three-year-old record 1/4 second, and setting a record for stallions of all ages. Williams was taken from the sulky and borne aloft on shoulders, and cheer after cheer went up for the colt and driver. The official time was 2:12. H. Steiner, secretary of the American Trotting Association; A. E. Bush, of Detroit, and Colonel Conley, of Chicago. Their watches agreed exactly on all fractions of the mile. The watches of judges Beauchamp and Moran told exactly the same tale. The track is seven feet over a mile, by official survey.

The unbeaten three-year-old trot for the Edgewood stakes (\$700), brought over from yesterday, was quickly disposed of, Fortuna taking the lead and never being headed.

Length of the Track.
TERRE HAUTE, Oct. 11.—The race-track upon which the great stallion race of the age was trotted to-day is a full mile and seven feet over the mile. All horsemen are satisfied that it is a full mile track. An affidavit is on file with J. H. Steiner, of Detroit, secretary of the American Association, and with the secretary of the local association that the distance, three feet from the rail is seven feet over a full mile. Henry Simons and other well-known horsemen with split-second watches, and standing under the wire, claim that the mile was made in 2:12 1/4. Mr. Williams, the owner and driver, claims that the mile was made in 2:12 1/4. The town is wild to-night. President Ijams gave a banquet to the horsemen in honor of Mr. Williams, the owner of Axtell, to-night, and they are now going a merry gait on a good track.

Amal Sold for \$105,000.
TERRE HAUTE, Ind., Oct. 11.—Col. Conley, of Chicago, at 11:30 to-night, completed the purchase of the great trotter Axtell for \$105,000. Andy Walsh, of Hartford, and John Madden, of Lexington, offered Williams \$101,000 for the colt, and had a certified check for forfeit to offer him. This he refused, and afterward accepted Col. Conley's offer with much reluctance. "It is like selling a child," said Williams. This is the highest price ever paid in the world for a horse of any description.

Colonel Conley had previously offered \$100,000, but Williams would not accept. The ordinary-looking Iowa breeder appeared to be in no way excited, and so, when at supper, Colonel Conley again offered \$100,000, but he was not interested. Another application is said to have been offered \$101,000, which Williams refused. The \$105,000 made up by Messrs. Brush and Moran, of Detroit, Conley (or Doble), and W. P. Ijams, president of the Terre Haute Association, seemed to reach his ideas, and the checks were passed.

The syndicate who purchased Axtell is composed of the following gentlemen: W. P. Ijams, Terre Haute, Ind.; A. E. Brush, Detroit; Col. J. W. Conley, Chicago, and Mr. F. T. Moran, of Detroit. These gentlemen are satisfied that the mile was made so easily, and within Axtell's limit, and that his future promises greater events. These men are the shrewdest set of horsemen and the fact that they were offered \$105,000 advance for the bargain testifies to their good judgment.

OTHER TURF EVENTS.
Great Trotting Match Between Harry Wilkes and Belle Hamlin.
NEW YORK, Oct. 11.—The great trotting match at Fleetwood Park, to-day, between Harry Wilkes and Belle Hamlin brought out the largest crowd seen on the track in

years. The track was never faster than when the speedy flyers responded to the starter's bell. Drivers Andrews and Turner jogged their charges in review before the grand-stand, and each received loud and long applause.

First Heat—Driver Turner drew the pole for Harry Wilkes. The word was given at the second attempt, with Belle Hamlin a short neck in the van. Harry Wilkes, however, soon took the lead, and at the quarter was only a neck ahead. Both were trotting perfectly. Going into the back stretch, the mare shot out like an arrow, and at the half she was nearly a length ahead of Wilkes. Between the half and the three-quarters the gelding closed up the gap, but only on inference. Rounding the strag, they were nearly nose and neck. The whip was used on Harry Wilkes frequently, but to no purpose. The mare won easily. Time—2:33, 1:05 1/4, 1:41 1/4, 2:16 1/4.

Second Heat—The first attempt at scoring saw the trotters under the wire in a dead devoid of favor to either. Harry got a lead of a nose, but he lost it, and took Belle's dust to the wire. Neither made a break. At the eighth the mare was three-quarters of a length in the lead and going easily. At the quarter there was no change, and there and there the second lengthened the space between himself and the mare. Coming up the hill he was neck and neck, but in the stretch Andrews led the mare out, and she won by the head and a neck. Wilkes was under the whip in the finish, but he was no match to-day for Belle. Time—3:31, 1:05 1/4, 1:42 1/4, 2:19 1/4.

National Jockey Club Races.
WASHINGTON, Oct. 11.—This was the best day of the fall meeting of the National Jockey Club. There was a good attendance and betting was fairly lively. Made in the first race upset the "talent" by capturing the place. Pools on him paid \$73.15.

First Race—Six furlongs. Cornelia won; Medo second, Ralph Black third. Time, 1:30 1/2.

Second Race—One and one-sixteenth mile. Prather won; Battersby second, Bothwell third. Time, 1:51 1/2.

Fifth Race—Seven furlongs. Beck won; Bess second, Wild Cherry third. Time, 1:30.

Won by an Unexpected Horse.
MORRIS PARK, N. Y., Oct. 11.—This was the second and probably the last extra day of the fall meeting. The purses were mainly of the consolatory order. The notable event came in the third race, a five-furlong dash for two-year-olds, and the glorious uncertainty of racing was fully illustrated when Punster, Jr., the despised underdog, past the post first by a length and a half.

First Race—Five furlongs. Swift won; Holiday second, Frojol third. Time, 1:00 1/2.

Second Race—One mile and a sixteenth. Dutch Roller won; Larchmont second, King of Norfolk third. Time, 1:50.

Third Race—For two-year-olds, five furlongs. Punster, Jr., won in 1:05 1/4; Bessie K. second, St. James third.

Fourth Race—Six furlongs. Empire won; Clay Stockton second, Vivid third. Time, 1:15.

Fifth Race—Mile heats. First heat, Castaway II won; Maid of Orleans second, Barister third. Time, 1:42. Second heat, Maid of Orleans won; Danborge second, Castaway third. Time, 1:43. Third heat, Castaway won. Time, 1:45.

Champagne Stakes Won by June Day.
JEROME PARK, N. Y., Oct. 11.—Attendance at the races here, to-day, was large. The event of the day was the Champagne stakes for two-year-olds. Gramercy was scratched, while the Dwyer Bros. added June Day, and thus seven horses faced the starter. June Day was made a decided favorite.

First Race—One-half mile, straight. Castaway II won; Elmstone second, Sam Morse third. Time, 48.

Second Race—One and one-eighth mile. Salvador won; Conemars second. Time, 2:15.

Third Race—Champagne stakes; three-quarters of a mile. June Day won; Successor second, Rosetta third. Time, 1:17 1/4.

Fourth Race—One and one-eighth mile. Charlie Dreux won; Huntress second, Kern third. Time, 2:06 1/2.

Fifth Race—One mile. Diablo won; Bertha second, Bridelight third. Time, 1:46.

Sixth Race—One and one-sixteenth mile. Glendale won; Burnside second, Letitia third. Time, 1:55.

All the Favorites Defeated.
CINCINNATI, Oct. 11.—The sixth extra day at Latonia was a good one for book-makers, not a single favorite winning.

First Race—Purse for maiden fillies, two-year-olds; half mile. Waddell won; Emily L. second, Flyer third. Time, 50 1/2.

Second Race—Selling; purse for horses that have not won since June 1st, three quarters of a mile. Fell-Mell won; Zulu second, Amos A. third. Time, 1:16 1/4.

Third Race—Purse for horses that have not won since Sept. 15, seven furlongs. Dolly M. won; Liederd second, Avondale third. Time, 1:20 1/4.

Fourth Race—Selling; purse for all ages, one mile. Lucy P. won; Tenacity second, Cora third. Time, 1:14.

Fifth Race—Selling; purse for two-year-olds; three quarters of a mile. Camilla won; Sunnybrook second, Fakir third. Time, 1:17 1/4.

Beating by Naturalists is Light.
LANGSFALE, Oct. 11.—Fifteen thousand people attended the Fairfield county fair yesterday, which number was augmented to over twenty thousand last night to witness the races by natural-gait. Probably no more novel scene was ever before presented on a race-course. Twenty-foot stand-pipes at short intervals encircled the half-mile track, and dotted the entire grounds, with larger stand-pipes within the track. The two largest walls in the country, with capacities of 25,000,000 cubic feet, were filled with water, respectively, and turned on to complete the illumination. In the midst of this display, Work Morgan's famous trotter, Guy, without a running mate, attempted to beat his record of 2:10 1/4. Millard F. Saunders being driver. He could only make 2:34 1/4, however; equivalent to 2:17 on the Cleveland mile track.

BASE-BALL.
The Hoosiers Easily Overcome the Champions of the Association.
The exhibition ball game between the Indianapolis and St. Louis teams, at the League grounds, yesterday afternoon, resulted in rather an easy victory for the former. The local men outplayed the visitors at all points, especially at the bat. Rusie was in the box for the Hoosiers, and his deceptive curves were quite a puzzle to the big batters of the Browns. He struck out six men and held the visitors down to five hits, two of them being scratches. His command of the ball was excellent, only one man reaching first on balls. Milligan, who stands second in the American Association as a batter, struck out twice and failed to make a hit. Sommers gave Rusie splendid support behind the bat, while the fielders backed him up in good style. None of the errors charged to the local men were costly and all were excusable. Chamberlain was easy mark for the game team, Captain Glascock, Sommers, Seery and McGeechy leading.

The Hoosiers began to hit the ball in the first inning, and sent three men across the plate. Seery got off with a hit, but Chamberlain caught at third trying to reach that base on a single by Buckley. A passed ball sent the latter to second. Hines got his base on balls, and then Glascock put the ball against the fence in center field and went to third, from where he scored on a clean swing by Sommers, who was forced out by McGeechy. Seery got his base on a single, and then Chamberlain, who had been only retired by Chamberlain. The visitors were retired in order in the first three innings. In the fourth they bunched three short singles and scored one run. The home team clinched the game in the fifth, when four men made the circuit after the side switch had been sent out. In this inning Seery got his base on a single, and error and stole second. Buckley and Hines both fouled out to Milligan, Denny fol-

lowed with a fly to right field which McGeechy muffed. Seery was out on the play. Glascock followed with a single, and he and Denny crossed the plate on a two-bagger by Sommers down the left-field grand-stand, and each received loud and long applause. The Hoosier right fielder stole second and got to third on a passed ball. Bassett waited for a good one, and as he did not get it, took first. He played off too far, however, and was caught napping. The local team had men on bases several times after this, but no one scored. In the ninth McGeechy hit safely and Sommers came home.
