Bishop Nindé Addresses the Laymen at the Northwest Indiana Conference—The Forty-Second Session Drawing to a Close.

Special to the Indianapolis Journal.

SOUTH BEND, Ind., Oct. 4.—The fourth day of the Northwest Indiana Conference was not quite so lively as it was Friday. The business transacted was not of so important a character, but the interest in the meetings yesterday was very noticeable and the attendance was just as large.

Dr. Keene held a half-hour's devotional service, beginning at 8:30 o'clock, and at 9 o'clock Bishop Nindé called the conference to order. The relations of Franklin Mikels, J. E. Newhouse, J. W. T. McMullin, L. S. Buckles, D. A. Griemes and Clark Skinner were continued as supernumerary preachers. The case of J. L. Boyd on the same list was referred to the committee on conference relations.

Superannuated relations were continued with the following: J. J. Stallard, Jesse Sparks, E. C. Hackney, Moses Wood, M. H. Wood, S. T. Cooper, G. W. Stafford, B. H. Bradbury, C. B. Heath, W. W. Jones, Nelson Greene, Elihu Mason, J. E. Wright, Henry Fencil, H. H. Hull, Jesse Hill, S. B. DeMott, E. M. Smith, G. W. Smith, Francis Cox and J. H. Claypool.

On motion of Dr. Hickman the lay election committee was invited to present a joint session with the conference. The lay delegates, about seventy-five in number, being in conference, were given seats of honor in a body on the left of the pulpit. The president of the lay conference, Mr. S. V. Stoy, of Lafayette, was invited to a seat on the right.

Mr. Stoy, in his address, congratulated the men in this conference, particularly by the woman delegate, who was largely in the majority. He referred to the fact that one of the resolutions adopted was to furnish one of the new rooms at DePaul University, and a collection being taken up, he said he had secured about \$100 for this purpose, which Mr. Stoy took out of his business coat pocket and laid on the bishop's table. The amount was \$100 and it was resolved to ask the trustees of the university to give this room her name. Mr. Stoy then turned to the woman delegate from Hammond, to the conference, and as she ascended the platform and modestly bowed to the applause of the church, she was followed by a characteristic address, extending to the women an invitation to join the laity. He dwelt at some length on the aid of the laymen in church work. They could make money, he said, and use it to the best advantage in helping to the evangelization of the world. The church owed much to the laity.

After the address, Mr. Stoy, holding the next conference was called up. The claims of Valparaiso, Thornstown and Centenary Church of Terre Haute, were all presented. Subsequently Valparaiso was withdrawn, as it was learned she desired the body to meet there on the world's fair year. A vote decided in favor of Terre Haute by a large majority.

Rev. Dr. H. B. Ridgeway, Bishop Nindé's successor as president of Garrett Biblical Institute, at Evansville, Ill., addressed the conference. The secretary was authorized to publish twenty-five copies of the conference minutes. A motion to request the secretary to get the minutes printed at the expense of the Methodist Book Concern was adopted.

The deacons of the first class were passed upon and advanced to the second class: Charles H. Greenway, Charles Harper, Koscoe M. Simmons, William N. Dunn, James H. Worrell, Nathan E. Tinkham, Joseph Dawson, R. G. Hammond, Charles H. Hall was admitted to elders' order. A committee composed of Reva, J. W. Greene, S. B. Town, S. P. Colvin, C. A. Brooke and Frost Gray was appointed to notify the officers of the conference missionary society. James L. Greenway and E. L. Spohn were continued in the first class, the former without a charge, in order that he may complete his studies at DePaul University. Amos Fetzer and J. H. Wiley, local preachers, were admitted to deacons' order.

Chinese Men to be Returned to Canada.

BEAUFORT, N. Y., Oct. 4.—Judge Cox, of the United States District Court, yesterday decided that the four Chinese recently arrested in violation of the exclusion law should be sent back to Canada as the country where they came, and not to China. This reversed the previous decision of the United States commissioner, who had ordered their return to China.

TUG BLOWN UP.

And Eight Persons Killed and Twelve Hurt at Chicago—The Dead and Injured.

Special to the Indianapolis Journal.

CHICAGO, Oct. 4.—Eight persons were almost instantly killed and a dozen others injured, this afternoon, by the explosion of the tug Charles Parker, in the south branch of the river, near the Archer-avenue bridge. Three of the dead belonged to the crew of the boat, while the others were bystanders, who were killed by flying debris. The Parker, together with the tug Van Schack, Perry and Shields, had been working all day, endeavoring to free the propeller of the Archer-avenue, near the scene of the explosion and the falling wreck caused a terrible panic. When the spectators partially recovered their senses it was discovered that eight persons were dead, while many more were injured, some of them probably fatally. The dead are:
