

The Indianapolis National Bank DESIGNATED UNITED STATES DEPOSITORY... THE INDIANAPOLIS COMMISSION CO BROKERS.

MONEY, STOCKS AND GRAIN

Unusually Dull Day in Wall Street, Owing to Absence of Speculators.

Totals of Trade in Shares, 45,784. One of the Lowest Recorded—At Indianapolis Business is Good and Receipts are Large.

THE BOND MARKET.

Railway Issues Quiet and Firm, Sales Falling to \$369,000.

At New York, Saturday, money on call was nominal at 4 1/2 per cent.

Prime mercantile paper, @ 6 1/2 per cent.

Sterling exchange was dull, with actual business in bankers' bills at \$3.83 @ 4.94 for sixty days and \$3.84 @ 4.94 for demand.

Speculation at the New York Stock Exchange was extremely dull, Saturday, the sales of stocks amounting to 45,784 shares, and of railway and miscellaneous stocks, \$369,000.

Their totals are unusually small and the dullness is explained by the absence of many operators at the races and country resorts.

Considering the inactivity, the temper of speculation was quite firm. The bears in the room brought about a reaction of 1/4 to 1/2 per cent on the heavy falling off in the bank reserves, but a recovery followed, and the market closed firm.

With the exception of Pittsburgh & Western preferred, which rose 3/4 per cent, to 37 1/2, the changes throughout the session were confined within a radius of 1/4 to 1/2 per cent.

There was some covering of short contracts on the increase of \$5,000 in the St. Paul road, 13 1/2, for the second week of June and on advices from London that a movement of gold to America was imminent.

The clearing houses gave out for currency more largely averages, but omitted the statements showing the condition of the banks in detail.

Railway bonds were quiet and firm. Edison Illuminating was sold at 107 1/2. Government bonds were steady; State bonds dull. Closing quotations as follows:

Table with columns: Bond Name, Price. Includes items like Four per cent reg. 100, Adams Express, etc.

The banks now hold \$7,760,800 in excess of the requirements of the 20 per cent rule.

LOCAL GRAIN AND PRODUCE.

Trade of the Week Very Satisfactory for June with Light Supplies in Many Lines.

For the second week in June the volume of trade was very satisfactory and there seems to be little question that more business will be done this month than in June last year.

In dry goods, groceries, produce, provisions, fruits and vegetables firm prices prevail. Cherries are more plenty, strawberries are about of the market, but some very fine fine apples are coming in, which are being sent for canning more largely than in former years.

Eggs and poultry are in good request at quotations.

The local grain market is active and receipts of corn are the largest in months.

Indianapolis elevators on June 17 contained 92,182 bushels of wheat, against 91,547 for the corresponding date in 1892; 35,500 bushels of corn, against 35,800 in 1892; 50,500 bushels of oats, against 50,700 last year.
