JOHNSON IS CHAMPION. The World's Bicycle Record Smashed Indisputably This Time.

INDEPENDENCE, Ia., Nov. 7.—Johnson was greeted by a good track and crowd this morning, and made a successful effort to lower the world's flying-start mile bicycle record. He covered the distance in 1:56 2/5, beating Windle's record one fifth of a second. The running horse paced him the one-third mile post, from where the triple hurried him along till the last third was reached, where the quadruple took charge and brought him home in 1:56 2/5. The last half was done in 56 1/5. He equaled this again in the afternoon, and also beat his standing start record made here last year by going a mile in 2:32 1/5. His flying start record is now represented by the same figures as his last mile here last year, which was not accepted as a record.

TORTURED AND ROBBED. Cruel Injury of Three Masked Men to an Unprotected Woman.

ALLIANCE, O., Nov. 7.—Last night three masked men entered the residence of Mary Hill, a maiden lady residing six miles north of this city, and demanded money. She resisted and they knocked her down, beat her terribly and taking the pepper box from the table, poured the contents into her eyes. Screaming with pain she attempted to flee, but they seized her by the hair and dragged her back to the house, where they robbed her and then fled.

CONSUL HOGE DEFENDED. ROANOKE, Va., Nov. 7.—Col. John E. Penn will print to-morrow a defense of J. Hampton Hoge, the recently recalled consul to Amoy, China. He claims that Mr. Hoge is perfectly solvent, and that if wrong checks were given it was through inadvertence due to his hurried departure. The charges of forgery he believes to be groundless and made for sensational purposes. As to the drunken debauch, Colonel Penn says the statements are grossly exaggerated and inconsistent. In conclusion, he asks the public to suspend sentence until Mr. Hoge can be heard in his own defense.

IOWA AT LAST REDEEMED

Governor Horace Boies Defeated by at Least 30,000 Votes.

Light Vote in Kansas, with Republican Gains—Mayor Pingree, of Detroit, Re-Elected—Kentucky Democratic.

COLUMBUS, Nov. 7.—With a plurality of 60,000 to 25,000, and two-thirds of both branches of the Legislature, McKinley has won the most decisive victory recorded in Ohio since the civil war. It has been won on national issues. Although McKinley was running for re-election as Governor, he made State affairs secondary to protection and honest money in all his speeches, numbering 110. It would not have been a surprise two weeks ago, but after the action of Congress there seemed to have been such reaction that the overwhelming vote is a surprise. The Democrats did not allow the contest to go by default, but made a most vigorous fight with harmonious working forces. Ex-Governor Campbell canvassed the State for Lawrence T. Neal all last week, and the Democratic committee was hopeful after Congress reached decisive action. The Republican managers would have expected such results two weeks ago, but they were astonished to-night. Governor McKinley was not surprised at the result. He has expected it all along, and felt confident that the impressions of the change of conditions would not be overcome by the campaign efforts for reaction. The weather was pleasant all over the State, and there was a full vote of over 800,000. McKinley has a majority over all, with Democratic, Prohibitionist and Populist tickets opposing him. This is the first majority over all any State candidate has had since Foster's election just after Garfield's death, in 1881. Blaine had a majority in 1884, but the Republican State ticket then had only a plurality. Last year the Democrats elected one presidential elector, and the Republican plurality was then 1,672. McKinley's plurality in 1891 was 21,511. In 1892 the Republicans had 10,000 plurality, and in 1889 the Democrats elected Governor Campbell by 10,872, when there was a small vote. With the result so decisive, the figuring on district and county tickets has not been as close as in closer years, but it is conceded that the Republicans have gained in districts and counties everywhere by the local tickets being carried through with the vote for McKinley. The Republicans are apprehensive of one part of their victory. The Legislature elected to-day does not select a United States Senator, and it is over two-thirds Republican, the strongest since the war. With such a large working majority they fear such legislation by two members as may lead to defeat two years hence, when another Legislature is to be selected that will choose Senator Brice's successor.

AN INDICATION OF THE RESULT. CHICAGO, Nov. 8.—At 2:30 a. m. it is reported that the returns from 50 precincts give McKinley 58,683; Neal, 54,875; Populist, 1,413; Prohibitionist, 2,294. The same in 1892 gave Harrison 71,341; Cleveland, 63,890; Populist, 1,139; Prohibitionist, 2,819; showing a net Republican gain of 12,302.

McKINLEY FOR PRESIDENT. COLUMBUS, O., Nov. 7.—No more doubt being held, even by opponents, the headquarters are being abandoned and meetings held nominating McKinley for President in speeches by Boutelle, Dolliver, Chairman Dick and others.

JUDGE GARY ELECTED. The Republican Judicial Ticket at Chicago Successful.

CHICAGO, Nov. 7.—The election to-day seems to be about a stand-off. At midnight the returns indicated that the Republicans had elected the entire judicial ticket and that the Democrats had secured the County Commissioners inside the city. The judicial ticket has heretofore been on a nonpartisan basis, but this year the Democrats broke away and nominated a ticket of their own and the Republicans seem to have elected the judicial candidate. The great fight has been over the election of Judge Gary, who presided at the trial of the Anarchists. At the time Governor Altgeld pardoned the Anarchists he made a severe attack upon Gary, and the fight has been one of Gary against the State machine, with the result that Gary seems not only to have polled the full Republican strength, but to have drawn on the Democratic vote as well. In almost every precinct in the city and county he was from 5 to 10 per cent ahead of the remainder of the ticket. The general result shows decided Republican gains over the presidential election of a year ago.

THE TIMES, the senior Democratic paper, concedes the election of the entire Republican judicial ticket, with one possible exception, and claims no more than five of the county commissioners inside the city.

GARY 5,000 AHEAD. CHICAGO, Nov. 8.—At 2:30 a. m. it is regarded as practically assured that the whole Republican judicial ticket is elected. Judge Gary, it is thought, will run about 5,000 ahead of his ticket.

OFF YEAR IN KANSAS. Small Vote Cast in the Populist State for Various Reasons.

TOPEKA, Kan., Nov. 7.—The Australian ballot system was used in Kansas to-day for the first time, and, though there was some friction in localities where the law was not thoroughly understood, on the whole the election passed off smoothly. The vote this year, for various reasons, is not nearly so large as in 1892, when 324,886 votes were polled. In the first place, it is an "off year"; then it is estimated fully 25 per cent of the voters in the western part of the State have emigrated on account of failure of crops, and besides, there was a considerable exodus from all sections to the Cherokee Strip. Finally, many voters, through ignorance or timidity, would not venture into the booths under the new law. By common consent the vote to-day was compared with that of two years ago, when the same county officers were elected. The vote of that year was as follows: Republican, 122,654; Populist, 114,447; Democratic, 28,512; total, 275,344. The Republicans won 27 of the county offices voted for, the Populists 12, and the Democrats 20.

In Wyandotte county, the most populous locality in the State, the entire Republican ticket is elected, with the exception of surveyor and register of deeds. Incomplete returns indicate that the Populists held their own as compared with the vote of two years ago. Not more than half the registered vote was polled. On account of a split in the party few Democrats voted.

Franklin, Butler, Brown, Osage and Geary counties were all carried by the Republicans. Reno and Sedgewick counties have gone Republican. Sedgewick, of which Wichita is the county seat, was carried by Populists last year. The entire Republican ticket is elected in Douglas county by majorities ranging from 700 to 1,000.

Meager returns from the State indicate

cratic candidates and managers. They laughingly seconded Mr. Neal's motion to make it unanimous.

Special to the Indianapolis Journal. ELWOOD, Ind., Nov. 7.—The enthusiasm among Republicans to-night is remarkable. Election bulletins were read as fast as they arrived at the opera house, and the following telegram was sent to Governor McKinley, congratulating him upon the wonderful majority given him:

"The Republicans of Elwood, the tri-plate city, send congratulations to the next President. Go on with the good work. The factory you opened is now turning out 2-48 boxes of American tin per week, and they said we could not make it. Yours for protection."

The dispatch was signed by the "Elwood Republican Club, by P. T. O'Brien and E. E. Farnshell."

Thurman's Home County Won. COLUMBUS, O., Nov. 7.—Franklin county, the home of Thurman, in which Columbus is situated, has never been carried by Republicans. The latter claim its plurality by 1,500 has been reversed for McKinley. The Republicans elect county tickets in many localities where they have never had local officers.

Light Vote in Kansas, with Republican Gains—Mayor Pingree, of Detroit, Re-Elected—Kentucky Democratic.

Sedgewick, of which Wichita is the county seat, was carried by Populists last year. The entire Republican ticket is elected in Douglas county by majorities ranging from 700 to 1,000.

Meager returns from the State indicate

a great falling off in the Populist vote. Cherokee county, which gave 1,700 majority for the Populists in 1892, and Sumner county, another Populist stronghold, has been carried by the Republicans. Crowley county, in which the vote was very close in 1892, has also gone Republican.

BOIES DEFEATED. Iowa Republicans Elect Their Governor by Over 30,000 Plurality.

DES MOINES, Ia., Nov. 7.—The election in this State closed without any trouble or excitement as far as heard from at either headquarters. Chairman Blythe, of the Republican, and Chairman Fuller, of the Democratic committees, are both here to-night. First returns show both Republican and Democratic losses, but the latter in larger ratio than the former, on which the Republicans claim the election of their ticket. As later returns came in they indicated the election of the Republican ticket by 30,000 to 35,000 plurality.

Following is the outlook at 3 a. m. Wednesday: The election in Iowa will go down as a Republican landslide. The gains have been steady all night, and average about 6 to the precinct. Returns from more than one-fourth of the State are now in, and the ratio of increase can hardly be materially changed. Returns as to Prohibition and Populist votes are scattering, not enough to base good estimates on. Prohibitionists will probably not poll over 12,000, doubling their vote of last year, and the Populists 25,000, showing only a gain of 5,000. Chairman Blythe, of the Republicans, claims the election of the whole Republican ticket by upwards of 30,000. Chairman Fuller, of the Democratic party, concedes the election to Republicans by probably 20,000. In legislative districts Republicans have made many gains, and are now certain of working majorities in both houses, assuring a Republican successor to United States Senator Wilson.

DETROIT REPUBLICANS WIN THEIR TICKET BY A GOOD MAJORITY. DETROIT, Nov. 7.—The Free Press (Dem.) concedes the re-election of Pingree, Rep., for Mayor by 1,600 majority, and Foster, Rep., for city clerk. According to the Free Press, the next City Council will be composed of twenty-one Republicans and eleven Democrats, a gain of two, and possibly three, Democrats.

THIRTY-EIGHT precincts out of a total of 111 give Pingree, for Mayor, majority of 2,148 over Godfrey, Dem. This is more than double his majority in the same precincts two years ago. Twenty precincts give Stone, Rep., for Congress, 4,695; Griffin, Dem., 3,550. These are strong Republican precincts, and figures show a falling off from vote received last year by Chapman, Dem., indicating that Stone is probably defeated.

A midnight dispatch says: After one of the hottest fought campaigns in twenty years Hazen S. Pingree, Rep., was to-day re-elected to his third successive term as Mayor by a majority of over 3,000. All other Republican candidates, with the exception of associate recorder and police justice, are also elected, and the next City Council will have a Republican majority. At midnight the returns from the First Congressional district point to the election of Levi T. Griffin, Dem.

KENTUCKY DEMOCRATIC. United States Senator Lindsay Sure of Re-Election—Tyler Mayor Again.

LOUISVILLE, Ky., Nov. 7.—Full returns from the elections throughout Kentucky will be available for several days, but so far as the reports have been received it is pretty certain that the relative standing of the political parties has not changed. The only elections of interest were for members of the General Assembly, which will vote for United States Senator, William Williams Lindsay was elected last winter over Governor Brown and Congressman McCree, and Senator Lindsay then had 69 per cent of the Democratic caucus votes. In the primaries fully 80 per cent of the Democratic nominees for both House and Senate were elected to Lindsay, and are all friendly to Senator Blackburn, who will stand for re-election two years later. The Kentucky Legislature will be Democratic on joint ballot by about 4 to 1. The only issues in this election were factional, the dominant faction of the Democracy being the Cleveland party, as opposed to the wing supported by Mr. Henry Watterson in his opposition to Cleveland's administration.

In this city Tyler (Dem.) was re-elected Mayor by about 3,500 majority. The Democrats elect their entire ticket. The election was one of the quietest in the history of the city.

NEBRASKA RETURNS. The Count Will Be Slow—Populist Gains Indicated.

OMAHA, Nov. 7.—Returns from the State are coming in slowly. The scattering returns received indicate Republican losses on the head of the ticket and Populist gains. The race between Harrison, Rep., and Holcomb, Pop., will be very close. The result in this county will determine the outcome in the State and the vote here will not be counted before morning. Bettis, Rep., has been elected Mayor over Beiford, Dem., by 2,500 plurality.

POPULIST LOSSES IN COLORADO. DENVER, Col., Nov. 7.—To-day's election was for county officers throughout the State. In this (Arapahoe) county there were eleven tickets in the field, so the returns will be very late. Twelve precincts of 219 in Arapahoe are favorable to Spencer, Ind. Citizen', for sheriff, as against Burchell, Rep., A. P. A. These two candidates are in the lead. Pueblo county has gone Republican. The straight Populist, so far as heard from, shows loss.

New Jersey Senate and House Overwhelmingly Republican—Virginia Still Wedded to Democracy.

NEW YORK, Nov. 8.—I a. m.—One of the most peculiar campaigns in the history of the State was closed at sundown this evening, and it is safe to say that the Democratic managers are not more surprised at the result than are the Republicans. The dominant issue in all portions of the State has been ring rule, and the Republicans in New York city, Brooklyn, Albany and Buffalo have been greatly assisted by the organized efforts of independent Democrats. Isaac H. Maynard, the candidate on the Democratic ticket for Judge of the Court of Appeals, against whom the Independent Democrats waged war most bitter and unrelenting, has been surprisingly and overwhelmingly defeated. In New York city he ran 35,000 behind his ticket, in Brooklyn over 18,000 and in Erie county several thousands. Almost without exception the returns from every part of the State show that he was heavily scratched, even ten of "Boss" McKean's retainers at Coney Island scratched him. The result at this time seems to be that he has been defeated by a plurality close in the neighborhood of 100,000.

Practically complete returns from many of the counties of the State and scattering returns from the others indicate that the Republicans have elected their entire State ticket and that they will have a good working majority in the next Legislature.

In Brooklyn, the local campaign was fought most bitterly. Mayor Doody, who was nominated by the Democrats, was opposed by the Young Men's Independent Democratic Club, of Brooklyn, most fiercely and the Republican candidate, Charles A. Schieren, was endorsed, with the result that the Democratic majority of 29,000, at the last election, has been completely overturned, and a Republican Mayor elected by about 5,000. William B. Gaynor, the prominent Democrat who for the past two years has led in the fight against "boss" McLaughlin, and his ring, was nominated by the Republicans for Supreme Court Judge in the Second district, with the result of a 20,000 majority in his favor.

The local contest in New York city was very interesting, the Republicans making small efforts in behalf of their ticket. The complete returns for the day show the election of the entire Tammany ticket by majorities ranging from 71,000 to 63,000.

The total vote in New York city for Secretary of State gives Meyer 147,256; Palmer, 73,877.

At 2 o'clock the Republicans claimed the election of their whole State ticket by pluralities ranging from 35,000 to 190,000.

They Swallowed Maynard. ALBANY, N. Y., Nov. 7.—The election here was passably quiet, only one arena being made for re-appearing. There were two small rows in which police interference was necessary. The Republicans seemed entirely inactive, and the result is that Albany county has returned to its normal Democratic majority of 4,000. The ticket was cut very little, and the Independent Democrats withdrew early in the day. Judge Maynard was cut but little in comparison to what was expected. The Democratic ticket will receive an average majority of 2,500. Judge Maynard running behind about 500. Amasa J. Parker, Democrat, is elected to the Senate.
