morning. The grand jury has been hard at work to-day, and indictments have been returned. The Old Fellows and K. of P. had decoration services here to-day.

Decided to Hold Out. MERCER, Pa., June 12.—A convention of the coal miners of Mercer, Beaver, Butler and Lawrence counties was held here this afternoon.

In Sullivan County. Special to the Indianapolis Journal. TERRE HAUTE, Ind., June 12.—The information here is that the miners at this place will not return to work at once.

Will Issue an Address. COLUMBUS, O., June 12.—President John McBride and Secretary-treasurer Patrick McBride and other officials at miners' headquarters are preparing a letter to be sent to the miners in the respective districts.

Some Operators Say They Will Not Accept the Compromise. PITTSBURGH, June 12.—The settlement of the coal strike, at Columbus, was received with great satisfaction among all classes of people, although some operators and miners are not pleased with the compromise.

No Effect at Pana. PANA, Ill., June 12.—The Columbus conference is believed here, will have no effect on the coal strike at this place. It seems impossible to get men to go to work here so long as a mob of strikers remain as a menace within an hour's march of the mine.

Entitled to Better Terms. MINONK, Ill., June 12.—The miners here regard the Columbus settlement unequal so far as their interests are concerned. They feel that they are entitled to better terms.

Accepted at Kewanee. KEWANEE, Ill., June 12.—Nearly whole force of miners has gone to work here. While there has been considerable feeling among the few union men here, there has been no violence, and the settlement at the Columbus convention will be accepted here as final.

Satisfaction at Pekin. PEKIN, Ill., June 12.—The miners of this district are much pleased over the result of the conference at Columbus and are anxious for work. The rioters in jail, when informed of the decision, gave three cheers.

LaSalle Men Will Stay Out. LA SALLE, Ill., June 12.—The miners here do not take kindly to the scale agreed upon at Columbus. They claim the new price for LaSalle is equivalent to a ten-cent reduction and declare they will not accept it.

Majority of the Miners Opposed to Accepting the Scale. COLUMBUS, O., June 12.—The scale adopted at the joint conference of miners and operators yesterday has not been favorably received by the coal diggers of Ohio.

Altoona Conference Disagrees. ALTOONA, Pa., June 12.—The miners this afternoon made a proposition to split the difference and accept 40 cents net in the operators' terms, but they will not accept the proposition.

Crawford and Ridgely. What the Miners' Leader and the Big Operators Say. SPRINGFIELD, Ill., June 12.—A representative of the Associated Press interviewed State President Crawford, of the Miners' Union, this evening in regard to the Columbus settlement.

Illinois Miners Displeased. STREATOR, Ill., June 12.—The miners of the Streator district express great indignation at the action of the Columbus convention. They say they went into the strike to maintain last year's prices and are now

compelled to take a reduction. When the action of the convention is officially announced a convention of miners of this district will be called, and it is expected that they will be decided to remain out rather than accept the reduction.

Will Hold Out for 62 1/2 Cents. CENTRALIA, Ill., June 12.—The miners here had a meeting this evening to determine what course they would pursue in the matter of resuming work.

Will Not Work at Spring Valley. SPRING VALLEY, Ill., June 12.—The streets were thronged with men, to-day, talking over the mining situation. All condemn the work of the Columbus conference, and say they will not go to work at the 40-cent scale.
