

# FOUR-FOLD DOUBLING THE PRICE!

Public announcements have appeared of late regarding the success of the American grown Vuelta tobacco transplanted to Southern soil in the U. S. by Bondy & Lederer, with the added information about these crops now being used in the Tom Keene cigar. A wholesale price higher than rates on all the old-time 5-cent cigars to dealers is found necessary on these goods. To get even, or rather ahead more, certain dealers have been found to be charging 10 cents each for the goods among customers who have overlooked that the price of the Tom Keene is plainly stated in these announcements at 5 cents.

## Don't do it again, gentlemen!

Bondy & Lederer have accomplished substantial effects which are apparent to any smoker. They have plainly doubled the grade of a popular priced, generally used product. The consumer fully recognizes it. Why attempt to stop the natural results? It is futile and distinctly to your own disadvantage as a cigar dealer.

## We Want the Tom Keene Sold at 5 Cents by All Dealers

The TOM KEENE always had a Sumatra wrapper, and now, with this filler, is indistinguishable, in taste as well as appearance, from the 10-cent domestic brands. But the remarkable planting enterprise of Bondy & Lederer had for its sole ultimate aim the escape of import duties and the giving of a genuine delicious Vuelta filler to the American smoker in a 5-cent cigar. While it costs some outlay to let the public know all particulars in this matter it comes back to us in subsequent sales as fast as consumers try the goods. And we are prepared to defeat any attempt to prevent the heavy sale of the TOM KEENE at 5 cents by posting the public so thoroughly it cannot be side-tracked by a heavy price. Every dealer who co-operates with this higher 5-cent value to the consumer is absolutely certain to be a large gainer in the next few months.

### TRACK IN GOOD CONDITION

#### FAIR GROUNDS COURSE IN GOOD SHAPE FOR TRAINING.

#### Soldiers' Interference with Trials Last Week—Speed That Has Been Shown—New Arrivals.

It cannot be truthfully said that the horsemen at the state fair grounds enjoyed the sight of about 2,000 members of the National Guard in camp there last week. The soldiers used the track for drill purposes and the week of fine weather could not be used to good advantage by the horsemen. The track is now in the best possible condition for work, but some of the horses were so nervous during the past week it was impossible to repeat them with any degree of success.

There were many new arrivals of fast harness horses at the track during the week. Tom Dellinger brought a string from Portland, including Maggie Anderson, 2:14; by Anderson Wilkes; Ima Dawson, 2:14; by Jack Dawson; R. R. Johnson, 2:14; by Major Hal; a five-year-old trotting stallion by Simmoncock, dam by Ned Wilkes, and two three-year-olds by Norval. Everything in the string is working in good shape, but no miles better than 2:40 have been attempted.

Frank Beckwith arrived from Lafayette with a string of eleven. He is training the following: Prosperity Bill, 2:14; by Gen. Smith; Earl Park, 2:14; by William M. Hill; Maud L. (3), 2:24; by St. Louis, dam by Robert McGregor; a trotting mare by Stranger, dam by Poem; pacing mare by Kahlo, dam by Hambleton Sprague; green pacer by Dilmore, dam by C. E. Clay; green pacer by Jaywood, dam by Goudan; green trotter by Shadland, owned, dam by Poem; green pacer by Friend and two youngsters.

The fastest miles to date have been stepped by Anteeo Wilkes, 2:14; by Royal Dictator, and Mary Tudor, a handsome black mare by Venture, both owned by H. C. Webster and in the training stable of Frank Clark. They were both turned around one day last week and turned easy miles in 2:25.

Following for Mr. Webster: La Gazelle, a three-year-old filly by Sternburg, dam by Wilkes Boy; Fairy W., by Anteeo Wilkes, out of the dam of Cardington Girl, 2:14; Willard W., by Bourbon Wilkes, and Adina W., by Anteeo Wilkes, all trotters.

Steele Wilson drove his Greystone trotting gelding, Jack, 2:19.4, an eighth to a cart the other day in 1:54 seconds, and thinks 2:12 will not stop this season. Hal Foster, 2:12.4, is strong this season. G. R. Sullivan's horses in first-class shape, and has driven them all miles around 2:30, with quarters and eighths at a 2:12 gait. Daway F. did an eighth at a 2-minute gait. Tom Dickerson's fillies, by Red Star, have shown quarters at a 2:14 clip. Dr. Jones has begun to repeat his bay trotting mare, Ella M., by Cedilan Prince, and has driven her miles around 2:30. Mart Wilson is going easy with M. H. Logan's horses, and has not ridden any miles better than 2:40.

W. H. Silver is going slow with the Parkers, especially artistic mastery of great works by chorus and orchestra, and in such a satisfactory exchequer as to relieve managers of all anxiety.

#### Maine Town Partly Burned.

HOULTON, Me., May 17.—Fire here today destroyed the greater part of the business section of the town, seventy-five residences and three churches, entailing a loss of \$400,000, only one-third of which is covered by insurance. One hundred and twenty-five families are rendered homeless. The fire started in the rear of a market and grocery store.

President Claypool, of the State Board of Agriculture, believes that Ed Geers will bring his string of fast harness horses to the Indianapolis track for fine training.

J. P. Code, Bradford, Ill., has matched his black pacer mare Personette, 2:09.4, against one, 2:08.5, owned by M. D. Madigan, of Chicago, for a series of three races, for \$1,000 a side.

#### AN INDIAN SINGER.

Miss Grace Van Studdiford Wininga, a prima donna.

SPECIAL TO THE INDIANAPOLIS JOURNAL.

BOSTON, May 17.—Miss Grace Van Studdiford, of North Manchester, Ind., is scoring a big success as a prima donna soprano in the Bostonian Opera Company, which is playing a three weeks' engagement here. She assumed the part of Maid Marian in "Robin Hood," a grand revival of which opened the Bostonians' engagement here this week. She will continue in that part all next week, and for the week following will have the prima donna's role in the "Serenade." "Robin Hood" was especially revived by Klaw & Erlanger for this engagement, and this is the first time Miss Van Studdiford has played the part. She is a stately brunette of graceful poise and mien, and has been much entertained already by Boston society.

#### Close of the Music Festival.

CINCINNATI, May 17.—The fifteenth biennial music festival closed to-night with a most gratifying finale. The attendance was the largest of the five concerts and the musical enjoyment reached its height. Berlioz's requiem mass and Act III of Wagner's "Meistersinger" were the chief components of the programme. Mr. Ben Davies took the tenor in the requiem, and Mrs. Zimmerman, Mrs. Stein, Messrs. Ben Davies, Ellison Van House and Andrew Burt, the soprano solo work was given prominence. The festival has been fortunate with ideal weather, unusually appreciative audiences, especially artistic mastery of great works by chorus and orchestra, and in such a satisfactory exchequer as to relieve managers of all anxiety.

#### NOTES OF M. T. H. S. TRIAL.

The trial events will likely be run off this week.

Training for the big meet on May 21 will begin at once, and the candidates all expect to be in fine shape for the final tug of war.

There are only two riders in the bicycle races, Berg King and Bert Hamlet. Both are fast, and the South Side school expects to win in these races.

The fifty-yard dash had to be run over yesterday. In the first trial the runners did not keep in the alleys, and Starter Hall made them try it over.

Quinn is surprising his friends by his work in the dashes. He is pushing Bowers, who was considered the best sprinter on the M. T. H. S. track last year.

### HIGH SCHOOL FIELD DAY

#### BOTH SCHOOLS HOLD THEIR FINAL PRELIMINARY TRIALS.

#### M. T. H. S. Did Fairly Good Work in the Morning—Purdue Wins Dual Meet with Indiana.

A small crowd of supporters of the red and white of the Manual Training High School gathered at Newby Oval yesterday morning to witness the final preliminary field day trials to select a track squad to represent the school in the state high school meet which takes place May 21. The results were very satisfactory to Capt. Jack Shideler and Coach Hall, of the track team, and they expect to have as good a squad this year as ever represented the M. T. H. S. In the events, which had a number of starters, the time made was good, while in those where the contestants had a "chance" not such good showings were made. The final squad will not be made until the morning of the meet, necessarily be composed of the winners in the try-out yesterday, although the first and second will in all probability be on the squad. However, Captain Shideler and Coach Hall will use their discretion in deciding on the track team and will judge the candidates both from the showing in the final preliminary and from their records. Following is the summary:

Shot put: Will Kaylar, first; Murr, second; George Steel, third. Distance, 41 feet 8 inches.

Fifty-yard dash: Quinn, first; Bowers, second; Rafensperger, third. Time, 36.4-5.

Two-hundred-yard hurdles: T. Shideler and Dugan tied for first; McCubbin and Scott tied for second; Bigser, third. Time, 23.2-5.

One-hundred-yard dash: Bowers, first; Quinn, second; Rafensperger, third. Time, 31.1-5.

Half-mile bicycle: King, first; Hamlet, second. Time, 1:09.1-5.

Hammer throw: Kaylar, first; Steel, second. Distance, 106 feet.

Shot put: H. Wheeler, first; Conde, second. Height, 3 feet 4 inches.

Two-hundred-yard dash: Quinn, first; Dugan, second; Barlow, third. Time, 38.1-5.

High hurdles: H. Wheeler and T. Shideler tied. Time, 38.1-5.

Running broad jump: Shideler, first; Bowers, second; H. Wheeler, third. Distance, 20 feet.

Four-hundred-yard dash: Barlow, first; Wheeler, second; G. Wheeler, third. Time, 57.

#### RELAY TRIALS THIS WEEK.

The Manual Training and Shortridge High Schools will each have their trials for selecting a squad for the quarter-mile relay race some time this week. In each school the records were broken. Indiana carried away the relay, and as the rivalry between the two schools is so intense in such a race this event will probably be one of the most interesting of the programme.

#### PURDUE ATHLETES WIN.

Defeat Indiana University by the Good Score of 84 to 26.

SPECIAL TO THE INDIANAPOLIS JOURNAL.

LAFAYETTE, Ind., May 17.—By the score of 84 to 26 Purdue defeated Indiana in the dual track meet on Stuart field this afternoon. The contests were exciting, although not exceptionally fast time was made and records were broken. Indiana carried away only the two bicycle races and the 120-yard hurdle.

The general headquarters will be in Washington. The headquarters of the executive committee will be located in Chicago. It is probable that Chairman Cable will select a subcommittee which will have charge of the campaign in the East and South, with headquarters in Washington. A meeting of the executive committee will be held in this city May 23.

#### Wawasee Yacht Club.

WARSAW, Ind., May 17.—An effort will be made this year to revive interest in yachting at Wawasee lake. At the annual meeting of the Wawasee Yacht Club today officers were chosen as follows: Commodore, H. S. Hicks; vice commodore, Col. Elliott Durand; Chicago; secretary-treasurer, C. V. Griffin; purser, W. Y. Serrin; house committee, R. C. Thompson, C. V. Griffiths, F. F. Henry, Detroit; regatta committee, Dr. J. F. Wright, Columbus; H. S. Tucker, Joseph Teaslow and L. H. #### Earlham's Football Schedule.

SPECIAL TO THE INDIANAPOLIS JOURNAL.

RICHMOND, Ind., May 17.—Harry Bowen, who is manager of the Earlham College football team, has arranged his schedule

### present to cheer their favorites, and the young women of the school and teachers occupied a number of boxes in the grand stand.

Manager McMullen, of the track team, and Coach Castleman had charge of the trials, assisted by Sylvester Johnson. Owing to the bad condition of the field the time in many of the runs was slow. All the events had a number of candidates, and several of the finishes were exciting. The prettiest race of the afternoon was the 100-yard dash. About eight men started, and although Doudican won, he was hard pressed by Gipe and Bangs, who were tied for second. These two will run off the tie one day this week.

The time made by the Shortridge boys was not as good as that of the M. T. H. S. athletes in the morning, but the former believe by the time for the big meet they will be able to give the South Side school their hardest fight. Doudican was the best man in the meet yesterday and "cleaned everything" in the runs. He won eight points. Coach Castleman will begin at once to prepare the squad for the coming meet, and it is quite likely the winners of the trials will be on the squad. Certain changes may be made in a few cases. Following is the summary:

Fifty-yard dash: Doudican, first; Gipe, second; McKee, third. Time, 36.1-3.

Four-hundred-and-forty-yard dash: Kelsey, first; Gates, second; Clark, third. Time, 31.1-5.

Broad jump: Masters, first; Doudican, second; Sims, third. Distance, 20 feet 11 inches.

Shot put: Will Kaylar, first; Murr, second; George Steel, third. Distance, 41 feet 8 inches.

Half-mile bicycle: Brown, first; Richards, second; Van Winkle, third. Time, 1:09.1-5.

Hammer throw: Sims and Masters tied. Distance, 106 feet.

Pole vault: Sims, first; Stradling, second; Ketcham, third. Height, 9 feet 6 inches.

One-hundred-yard dash: Doudican, first; Bangs and Gipe tied for second. Time, 31.1-5.

Two-hundred-and-twenty-yard dash: Doudican, first; Gipe, second; Bangs, third. Time, 23.2-5.

Shot put: Gipe, first; Pritchard, second; Harker, third. Distance, 34 feet 10 inches.

### COLLIS DEFEATS LENNON

#### WON THE EIGHTEEN-HOLE MATCH BY 4 UP AND 3 TO PLAY.

#### Collis' Medal Score for Second Nine Holes Was 39—Collis Won the Game on the Fourteenth Hole.

Yesterday afternoon Harry Collis, the golf expert of the Country Club, won the eighteen-hole match from F. V. Lennon, of the Riverside public course, four up and three to play. The game was played over the Country Club links, and for the first few holes it was closely contested, Collis having a lead of one up at the end of the fourth hole. At no time did he lose this advantage, but gradually added more holes to it until the match was decided in his favor at the fourteenth hole, which he won in five to his opponent's six strokes.

Collis played much better golf yesterday than he did against Auchterlone. His game was almost perfect. Had he played so well against the Western champion the result would have been different. His medal score of thirty-nine for the second nine holes proves that he can play championship golf when he determines to do so. Collis was not so inclined to play his shots yesterday as he did while playing the Chicagoan, but with an easy, graceful swing he would usually get away a clean-hit ball and receive applause for his pretty work. Although Lennon, for lack of practice, was off his game, what good shots he did make were generously applauded by the Country Club members as well as outsiders. The most brilliant part of the Riverside man's game was his putting. On the third, fifth, eighth and twelfth holes he gobbled putts from three to five yards, and on several other holes it seemed easy for him to hole a yard shot. Had he played his long game better the match probably would not have ended at the fourteenth hole. However, the best golf yesterday won and the winner deserves much praise.

A moderate southerly breeze swept over the course during the afternoon, and had the sun stayed behind the clouds the weather would have been ideal for golf.

MR. COFFIN REFERRED.

E. H. Burford, chairman of the greens committee, is doing his duty at camp and could not be present to referee the match, so Charles E. Coffin undertook to keep score for the players. Promptly at 3 o'clock Mr. Coffin called "Fore," and Mr. Lennon, having the honor, started the match with a sliced iron shot. Collis's first shot was equally as bad. Both men played poor seconds, but their third shots were dead to the hole and each putted down in four.

Second Hole—Both contestants had poor drives on this hole, Collis pulling his off the course, while his opponent's was sliced into the long grass. The home professional's second shot was just short of the green, while his opponent's was a pretty approach put he holed out in four to the five of his opponent, who played the hole in three. Collis one up. The Riverside professional after much poor playing on the fifth hole luckily holed out in four with a gobbled put. At the end of the next two holes Lennon, because of pressing his shots, was three down in the match. He managed to halve the eighth in four by another remarkable put, but on the ninth hole he lost nine to six, giving Collis a lead of four up. The Riverside player took a brace at the eleventh hole, winning it with a remarkable three, gobbling the last shot. Collis took four and was three up. Lennon had a screaming drive going to the eleventh hole, while the home player sliced

### his into poor ground. However, Collis played a good short game and saved the hole in five. Lennon contested the thirteenth hole miserably and lost it four to five, making his opponent dormie four. Going to the fourteenth hole both players made drives of over two hundred yards. Lennon, overanxious to win the hole, pressed his shots and after much erratic playing lost the hole six to five and gave Collis the match for up and three to play. The bye holes were not played out. The scores for the fourteen holes were as follows:

Lennon—Out ..... 4 5 4 5 4 4 4 8-45  
In ..... 3 5 9 5 6-28  
Collis—Out ..... 4 4 5 3 4 6 5 4 6-39  
In ..... 4 5 4 4 4-21

A return match between these two professionals will be played in the near future over the Riverside links.

#### Chicago Cup Won by James.

CHICAGO, May 17.—L. N. James, of the Glenview Golf Club, to-day won the Chicago cup, the chief trophy of the Chicago Golf Club's annual tournament, by defeating W. F. Pillsbury, of Onwentsia, 5 up, 4 to go.

Western amateur champion, captured the second flight cup, defeating Wilbur J. Ketching, of Westwood Ho. 5 up, 1 to play. Herbert Templeton, of the Westwood Ho Club, won the third flight cup, defeating John R. ...

The age limit handicap for fifty years and over was won by C. W. Watson, of the Chicago Golf Club. He had an allowance of 15 and his net score was 81.

#### NEGROES SAVED FROM MOB.

Assaults of a Young Woman Rescued by Sheriff and Deputies.

AKRON, O., May 17.—An attempted assault on a young woman near Cuyahoga Falls to-day by three negroes caused much excitement, and for a while threatened to end in violence towards the alleged assailants. A young woman named Moore was attacked and robbed of her purse by the negroes, who afterwards attempted to assault her. Her screams brought help and the negroes ran away. The workmen in the plant of the Cuyahoga Falls Wire and Steel Company left the shop and gave chase. The negroes were seen to swim the river and run up the railroad track towards Hudson. Several of the pursuers near Metz secured a handcar, by means of which they caught up with the fleeing negroes whom they brought back to the Falls. Here a large crowd surrounded them and only the arrival of Sheriff Kelly and two deputies prevented trouble. The men were brought to Akron, where they gave their names as Will Brant, Will Upshaw and Charles Coney.

#### CONVICTED OF PERJURY.

Former Member of the St. Louis Council Given Two Years in Prison.

ST. LOUIS, Mo., May 17.—Julius Lehmann, formerly a member of the St. Louis House of Delegates, who has been on trial in the Circuit Court for the past three days, charged with perjury, was found guilty by the jury this evening and his punishment fixed at two years in the penitentiary. The jury was out two hours and twenty minutes. Lehmann was indicted on a statement he made before the grand jury while they were inquiring into the deal whereby the Suburban Railroad Company is alleged to have offered members of the House and Council \$125,000 to pass a franchise.
