

DALSMAN WON IN MINUTE

CAPTURED THE GREAT AMERICAN STAKES IN VERY FAST TIME.

Riverside Stakes at Harlem Won by Meabina, with Harry New Second—Other Races.

NEW YORK, June 7.—J. R. and F. P. Keene's colt Dalsman won the great American stakes for two-year-olds at five furlongs at Gravesend to-day, covering the distance in 1:50 flat in the fastest time ever made in the stakes. Dalsman, coupled with his stable companion, Injunction, was favorite at 5 to 5. He won in a hard drive by a short head from Artiva, which beat Martie Lewis four lengths. In the Broadway stakes for three-year-olds Old England, quoted at 1 to 2, took the lead at the fall of the hammer. He held through-out, won by two lengths. Winners in order: Joseph, 13 to 10; Col. Bill, 12 to 1; Dalsman, 5 to 1; Old England, 1 to 20; Cinqueville, 4 to 1; Lucky Star, 12 to 1.

The Riverside Selling Stakes.

CHICAGO, June 7.—The sport at Harlem to-day was greatly marred by rain, which began before the third race and fell in torrents for half an hour and converted the track into a quagmire. In the Riverside selling stakes of \$1,500, at one mile, Meabina proved much the best in the sloppy going and won by two lengths after being out in front all the way. Harry New, the Lakota Derby winner, finished second, and the favorite, two lengths for the place. The victory of Meabina was a costly one to the bookmakers, as she had been backed for 1 to 1 down to 15 to 1 at post time. To-day's racing marked the beginning of the racing season proper at the track. The meeting, the last half of which was run off at Harlem owing to the destruction of the main grandstand, opened on Monday yesterday. Winners in order: Last Knight, 6 to 1; Gamblon, 1 to 5; Von Bouse, 1 to 2; Meabina, 1 to 1; Articulate, 3 to 20; Prowl, 2 to 1.

The Latonin Oaks.

CINCINNATI, June 7.—The Latonin Oaks was the feature of the racing at Latonin to-day. There were only four starters, but the betting on the race was very lively. Marque was the favorite and she held her ground away in a nice bunch and she passed the grandstand Pomona and went to the front. Her jockey, Matthews, took the dilly along nicely and she broke headed, winning by three lengths. Marque, who was knocked out of the race at the first turn, came back in the second half of the stretch and beat Walmslow a length for the place. Walmslow and Talisman finished second and third. The hot entry, Jake Holton took up his position as starter to-day and did good work with the flag. Winners in order: Marque, 5 to 1; Scoundrel, 3 to 2; Emma, 3 to 5; Flora, Pomona, 2 to 4; Luralright, 3 to 1; St. Her, 2 to 1.

Club Members' Handicap.

ST. LOUIS, June 7.—Searcher won the Club Members' handicap, at one mile and a quarter, at the fair grounds to-day, reducing the track record from 2:06 to 2:05. Lady Strathmore was made a 10 to 1 favorite, with Searcher second choice, at 15 to 1. Searcher took command in the final furlongs and won by two lengths. Terra Firma finished South. Winners in order: Searcher, 10 to 1; Lillian M., 3 to 1; Ballou, 4 to 1; Searcher, 5 to 1; McCannell, 10 to 1; Crimain, 15 to 5; Monoc, 3 to 2.

Martin Was Under Weight.

LONDON, June 7.—In the race for the Kempton Park two-year-old plate of 1,000 sovereigns at Kempton Park to-day Lord Dunsborough's colt, Martin, the American jockey, up carried in a heavy collection was lodged against Salute on the ground that the horse carried thirty pounds too weight. The stewards will decide the point raised on Monday next. Principality was second and William C. Whitney's Ashire Beauty was third.

Yearling Sold for \$2,000.

NEW YORK, June 7.—The Dixiana yearlings which were to be sold at the sales paddock at Sheepshead Bay to-day were transferred to the Gravesend paddock and the crowd was very large. The bidding was very spirited. Newton Bennington bought the Cite, by Imp. Ben Stromer-Irvana, for \$2,000, the highest price of the sale.

JULY RACE MEETING.

Secretary Holt Goes to Chicago to Arrange for Races.

Secretary Holt, of the Indianapolis Racing Association, went to Chicago last night to see about the shipping of three carloads of horses for the running races at the State Fair grounds track July 4, 5 and 6. As the meeting is mixed—running and harness—it is expected to provide an important feature of the sport in the early summer and if successful another meeting will be given in the fall. In addition to the Chicago engagement there will be about a carload from St. Louis.

BURTON NOT A CANDIDATE

OHIO REPRESENTATIVE ISSUES A VERY CAUSTIC STATEMENT.

Resents Election of a County Committee Chairman—Riot in a West Virginia Convention—Other Politics.

CLEVELAND, June 7.—A special to the Leader from Washington says:

"Congressman Burton, chairman of the committee on rivers and harbors, announced this afternoon that as a result of the election of W. P. Abel to the chairmanship of the county executive committee at Cleveland he will withdraw as the nominee of the Republican party for member of Congress from the Twenty-first Ohio District. Mr. Burton issued the following:

"I am keenly disappointed by the situation, but under the circumstances must register my protest against the petty bosses who have sought to dominate party management by withdrawing it. It is time the people understood that our contests should be fought out along the line of principle and personal fitness and not for the gratification of the members of which gather and make up slates. I cannot engage in a campaign in which the all important question of who shall be the party manager has been determined by a little coterie, whether made up of federal officials or of any other faction. I have withheld action for a day in order to determine clearly what to do. My resolve would be absolute and immediate but for the fact that my associates on the ticket at Cleveland and others have urged me to withhold action.

"However, it cannot be withheld longer. I cannot consent to be a candidate when party action is to be controlled by a man who holds his office against my earnest re-

quest and protest. It is not to be thought of for a minute. I cannot understand the course of the chairman who was elected yesterday and has seen fit to intrude himself on the party against the unanimous choice of the candidates and my own earnest appeal for withdrawal. I have labored hard for harmony and to bring an end to factional strife, but my efforts have been unavailing. I thus feel compelled to take the radical step I am taking."

"Abel was elected chairman of the Republican county executive committee notwithstanding the strong protest of Mr. Burton."

SURRENDER OF BURGHERS

HUNDREDS COMING INTO BRITISH CAMPS WITH THEIR ARMS.

Some So Pleased Over Peace They Sing "God Save the King"—Schalk-burger to the Boers.

LONDON, June 7.—Lord Kitchener, in a dispatch from Pretoria dated to-day, announced that the progress made in the surrender of the Boers is entirely satisfactory.

Four hundred and forty burghers have laid down their arms at Middelburg, Transvaal. They also brought in a pompong complete with ammunition and indicated the hiding place of a howitzer and a Maxim gun. Two hundred and eighty-nine Boers have surrendered their arms at Standerton, Transvaal, and Lord Kitchener confirms the report that 235 Boers, of whom 219 were rebels, surrendered at Cradock, Cape Colony.

All the Boers who surrendered in Cape Colony express themselves as being rejoiced at the fact that peace had been arranged.

Newspaper dispatches from Cape Town say: "The surrender of more than 1,500 Boers has already been reported, covering various points. Commandant Fouché, who brought into Cradock his commando, is ill. Commandant Conroy's men, on hearing that peace had been concluded, threw their hats in the air, cheering for King Edward, and sang "God Save the King." These incidents dispel the fear expressed that the Cape Colony commandoes would refuse to accede to the peace terms. Gen. Christian De Wet is personally superintending the surrender of the Boers in the Vrededorp, Orange River Colony, district.

"General Schalkburger, former acting president of the Transvaal, who is the guest of the Governor of Natal, Col. Sir Henry Edward McCallum, at Pietermaritzburg, in an address to the burghers in the concentration camps asked them to make the best of the situation and to forget and forgive the past. He pointed out the hopelessness of continuing the struggle, urged the Boers to accept the terms of the peace, and said that he was glad to see the terms of the peace, which he intended to uphold, and desired them to work for the good of South Africa."

Boers Enjoying Themselves.

HAMILTON, Bermuda, June 7.—The Boer officers, who have been living in the prison camps near here, have been driving about the island for the past few days. They are enjoying themselves immensely. Most of them are men of fine physique. They are well dressed and are very friendly. They are spending their money freely. Generally they express satisfaction at the treatment they have received, but all of them are glad that the war in South Africa is over. This afternoon the Boer officers were entertained at government house.

Refuses Want to Return.

DENVER, June 7.—The twenty-seven Boer refugees in this vicinity have formulated an appeal to the British ambassador at Washington relative to their return to South Africa. These twenty-seven speak for the fifty Boers who are in Colorado. They ask that arrangements be made for their return to South Africa, and promise to be law-abiding citizens. The appeal has been forwarded to Washington.

Kruger Unreconciled.

AMSTERDAM, June 7.—It is reported here that Mr. Kruger has declined the

facilities offered by Great Britain for his return to South Africa, but has accepted Queen Wilhelmina's offer of a Dutch vessel to convey him to South Africa when he decides to return there.

Home for Boers.

CAPE TOWN, June 7.—Advice received from Buenos Ayres say the Argentine government has appointed a special agent to visit the camps in South Africa and offer free transportation to Boers desirous of emigrating to Argentina.

SHRINERS ON THE COAST.

Eight Trainloads Reach San Francisco—Entertainment Plans.

SAN FRANCISCO, June 7.—Preparations for the reception and entertainment of the nobles of the Mystic Shrine are complete, and the programme assures a series of gala events seldom or never equaled here. There will be a day parade, a gorgeous night parade, a grand ball, a banquet at which 2,000 guests will be seated, besides minor receptions and excursions. The city will be splendidly decorated and illuminated at night. Eight of the various Mystic Shrine special trains, of which no less than fifteen are on their way here from the East, arrived to-day.

NEW FRENCH CABINET

PORTFOLIO OF FINANCE ACCEPTED BY R. ROUVIER, RADICAL.

PARIS, June 7.—M. Rouvier to-day accepted the portfolio of finance in the new French Ministry, and the Cabinet is thus completed. The new French Cabinet is constituted as follows: Premier, minister of the interior and minister of public worship, Senator Combes; minister of justice, Senator Valle; minister of foreign affairs, M. Delcasse; minister of war, General Andre; minister of marine, M. Pelletan; minister of public instruction, Senator Chaminade; minister of public works, M. Marraud; minister of colonies, M. Doumergu; minister of commerce, M. Trouillot, M. Berard, a member of the Chamber of Deputies, will become under secretary of posts.

Ministers Presented to President Loubet Last Evening by M. Combes, the New Premier.

The ministerial declaration will announce that the task which will call for most of the attention of the government and Parliament will be straightening the country's finances, and will dwell on the necessity for economies and reforms calculated to re-establish the budget equilibrium. The Cabinet therefore will introduce a measure providing for a more just, proportional distribution of the taxation, and it also desires to reduce the term of military service. The ministerial declaration will further render homage to the Waldeck-Rousseau Ministry and the policy of Republican defense which the recent election so strikingly endorsed.

The new Cabinet will continue this policy and will "bathe if necessary the machinations of the coalition which vainly sought
