Prize Fight on Sunday.

MINNEAPOLIS, Minn., Aug. 9.—Artie Simms, of Akron, O., and Charles Berry, of Milwaukee, fought fifteen rounds to a draw before the Pickwick Athletic Club of Minneapolis to-day.

Ring Was Pitched in the Open Woods and the Contest, Which Was Spirited, Ended in a Draw.

The fight was held in a ring pitched in the open woods across the State line near Picoia, Wis. before a large crowd of Minneapolis and St. Paul sports and was a fierce contest. A continued rain during the morning made the ring slippery and neither man was able to do effective work, clean breaks having been substituted for straight ruses because of the slippery condition of the ring.

The men fought at catch weights and neither was in the best of condition. Berry being several pounds the heavier of the two. Only in one round did either have the advantage and this was the third, when Simms had Berry slightly gawky with a couple of straight lefts to the jaw.

The men will be rematched at weight in the near future. Frank E. Force, a sporting editor, refereed the match.
