Ayer's Cherry Pectoral
 has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all that has ever been found to do.
