

CITY AND STATE ITEMS.

It is rumored that Governor Wright is about to start an agricultural paper in Iowa.

For fresh Baltimore Oysters, raw, steamed or fried, go to Cunningham's, on Illinois street, opposite the Governor's mansion.

Messrs. Bowen, Stewart & Co. and Merrill & Co. are in receipt of Godey's Lady's Book for November.

Boy Wanted.—A boy is wanted at the City Saloon, Nos. 53 and 55 South Illinois street, to wait in the dining room.

The Republicans will have a harder time going up Salt river than the Democrats had, not because the waters are low, but each fellow will have to "vote" a big nigger on his back.

Buttersteins are very abundant this year, but the Democrats are not cracked with the teeth.

An enthusiastic Democrat, writing from one of the "overwhelming" counties, says: "We have met the niggers and they are ours. Our Abolitionists beat us about 200. Glory!"

"SHE AS EGGS IS EGGS."—The Democrats of New York say they are going to carry that State at the next election against the "infernal" Republicans "as sure as eggs is eggs." The Greeleyites are really in a minority, and are not half so potent as they are blatant.—Boston Post.

FOCUS.—In the vicinity of the Union Depot, a good, substantial wheelbarrow, which the owner can have by describing property, saying for this notice, and rewarding in a suitable manner the finder for his honesty. Inquire at this office.

SHOEMAKERS WANTED.—Ten good Shoemakers wanted immediately, to make sewed and pegged work, at No. 39 West Washington street, one door east of the Palmer House. Constant employment and the highest wages will be given to good workmen. oct10 d6k4wt

ICE, ICE.—The greatest luxury in warm weather is ice. Without it how could we endure the heat? Blessed be the man that invented ice—ice in summer. Mr. Geo. W. Pitts, on Vermont street, has the nicest, cleanest and most transparent ice which he delivers each morning to his customers.

CONSISTENT.—The Abolitionists boast that they have selected Gen. McCull. The General is in the division in the field. He was a candidate for Congress, but did not suit those "no party" gentry who regard every man as a traitor who will not swallow the negro, wool and all, without grinning, and they boast they have "shelved" him.

The Democrats, over the news of yesterday, are all in a ferment. To express the joy that is felt over the returns would fill about seventeen papers the size of ours and we certainly will not attempt it. The boys have all gone to take a drink over the result and we think of joining them.

The soldiers of the 83d regiment, at Lawrenceburg, were furnished with Abolition tickets at the same time as the regulars. To express the joy that is felt over the returns would fill about seventeen papers the size of ours and we certainly will not attempt it. The boys have all gone to take a drink over the result and we think of joining them.

To LOCAL ADVERTISERS.—Occasional, or transient local notices will not be inserted in this paper hereafter unless they are paid for when handed in, and to insure insertion must be handed in before 6 o'clock P. M. Local notices of five lines and under will be inserted one time for 50 cents; each additional insertion of the same matter, 25 cents; marriage notices, 50 cents; funeral notices, \$1; pay required in advance. Notices for benevolent societies, exceeding five lines, one insertion, 25 cents. The above terms will be strictly enforced.

Election Returns.—Yesterday the approximate majorities of several counties were received and from several of them the exact vote. We give below the substance of the dispatches.

ALLEN—Allen gives Edgerton, (Democrat) for Congress, 2,900 majority, and the State ticket 1,350.

BROWN—Brown gives 600 Democratic majority, a gain of 152 votes.

BROWN—Brown goes Abolition by 250 majority, a Democratic loss.

CASS—Cass gives 300 Democratic majority, a gain of 365 votes.

CARROLL—Carroll goes Democratic by 300, a gain of 136.

DECATUR—Decatur gives Garvin, Abolition, 300 majority, a Democratic gain of 31 votes.

DEARBORN—Dearborn rolls up a majority for the Democratic ticket of 1,100, a gain of 620.

FAYETTE—Fayette gives 200 Abolition majority.

FLOYD—The reported Democratic majority in Floyd is 800.

GRANT—The Abolition majority in Grant is 300.

GRANT and Madison elect John D. Marshall, Dem. Senator.

HANCOCK—Hancock gives 100 Abolition majority, a Democratic loss of about 350.

HAMILTON—Hamilton gives 340 Abolition majority, a gain to the Democrats of 600 votes.

HARRISON—The Abolition majority is 300, a Democratic gain of 321.

HAMILTON COUNTY.—Whatever other parts of the State may have done, the Democrats of Hamilton County have done their duty. They have changed a majority of 1,700 in 1861 to a majority of about 1,300 in their favor in 1862. Democratic gain 3,000.—Cincinnati Enquirer.

From Cincinnati Price Current, Oct. 15. Financial and Commercial Summary for the Past Week.

A large advance in coin and sterling exchange were the great absorbing events of the week, and more important, because why this is so it is not out of the ordinary.

The advance in coin produced a large speculative demand, and in consequence of this all kinds of foreign goods advanced largely.

The weather continues dry, but a marked change has taken place in the temperature since our last, it being down to 60 and 65 degrees in the day time the greater portion of the week.

Heavy rains have fallen east, north and west of this place, but none of consequence.

An active demand has prevailed for flour and prices advanced \$1 per barrel, superfine closing at \$5 25 to 5 50.

Wheat, because of the advance in gold, advanced to 32c, and is in speculative demand.

Corn has not changed.

Oats in speculative demand because of the shortness of the crop, and because it is worth 45c and 50c, and not much offering.

Barley is scarce and not to be had less than \$1 25 a bushel.

Butter has gone up to 20c.

A speculative demand arose for mess pork and prices advanced about \$1 per cask, closing at \$10 00 to \$10 50.

Heavy rains have fallen east, north and west of this place, but none of consequence.

Song Serenade.

I often have strolled in the still evening
The clear blue sky above me
I often have strolled in the still evening
The clear blue sky above me
I often have strolled in the still evening
The clear blue sky above me

While we meditate in the calm, still night
Our past sorrows of childhood
While we meditate in the calm, still night
Our past sorrows of childhood
While we meditate in the calm, still night
Our past sorrows of childhood
