TELEGRAPHIC: Noon Reports. From New York. New York, Oct. 23—A special to the World says: The Chronicle announces that Gen. Meade says our army cannot move for three weeks, on account of the destruction of railroads.

It is authorizedly settled that Meade is not to be superseded. The story in the Richmond papers of the 21st that Lee has taken 1,000 prisoners from Meade in the late campaign is entirely mythical.

It is said that Gen. Meade made a frank statement concerning the peremptory instructions lately received by him to compel Lee to accept a fight, which not being able to carry out to the letter, he declared himself willing to resign his command.

The President declined to entertain any such proposition, and Gen. Meade has gone back to his post.

It is rumored that Gen. Lee has sent two more divisions to support Bragg, and that he is withdrawing the rest of his forces behind the fortifications of Fredericksburg.

Gen. Greec's cavalry advanced in a reconnaissance yesterday within two miles of the Rapidan and returned to camp without finding the enemy.

Last night a brisk fight was had with Mosby's guerrillas in Fairfax county, in which several were killed and a number taken prisoners, among the latter Jack Rains, a notorious scoundrel, who has been three times in our hands and released upon taking the oath of allegiance.

The Times Washington dispatch of the 23d says: It is now positively ascertained that a portion of Ewell's corps has been sent from Gordonsville to retrace the advance of Burnside toward Lynchburg.

The reported advance of our forces on the Peninsula toward Richmond is of course false. It should be borne in mind that Burnside has a large force of mounted infantry engaged in destroying the main rebel communication with the southwest.

No apprehensions are felt for the safety of Burnside.

From Baltimore. BALTIMORE, October 23—A large meeting of unconditional Union men was held at Eastern Talbott county, yesterday.

Address made by Hon. Wm. D. Kelly, of Philadelphia, Henry Winter Davis and Col. Crosswell.

Judge Kelly announced himself as a Black Republican from Pennsylvania, yet his speech was received with applause.

This is the first instance of a Republican Congressman speaking in the slave region of Maryland.

Judge Kelly's reception was most striking and enthusiastic.

From Chicago. CHICAGO, October 24—A special dispatch from St. Paul says: Two letters just received from Bannock City Gold Mines, dated the 23d and 27th of September, state that Capt. Frink's expedition was then within a few days' travel of Bannock City, so that the report of their massacre is a mistake.

The Draft Postponed in New Jersey. TRENTON, October 24—The draft in this State which was ordered for the 26th inst., has been postponed until January next. The whole or part may be made up in the meantime by volunteering.

LAW BOOKS. DAVIS INDIANA DIGEST. A digest of the DECISIONS OF THE SUPREME COURT OF THE STATE OF INDIANA, comprising the cases reported in the report of the Chief Justice and the first sixteen volumes of the Indiana Reports, together with the Revised Statutes of the State, as amended in the edition of 1863, by Edwin A. Davis, LL.B., 1 vol., 8vo., 49 cts.

The first edition of this valuable work was completely exhausted in less than three months from the time of publication. A new edition, printed on the white paper, is now ready. This is one of the most complete and best arranged digests ever published, and has received the highest commendation of the legal profession.

The digest is as far in its plan and execution as it is useful to the profession. This is an abridgement of the Reports that a genuine digest of them.

It is so small a volume, and of the work that it is a Digest not only of all our Supreme Court decisions which have been published, but also of all the modern statutes now in force.
