South Carolina Affairs. NEW YORE, July 13 .- The Herald's Charles-

on correspondence of the 8th inst. says: The white people in the country above Charleston, along the Ashley and Cooper rivers, were greatly excited in the beginning of the month by reports that the negroes in that region, to the number of several thousand, intended to rise in rebellion on DAVIS, GREEN & CO., the 4th, and march in a body to the city. The stories could be traced to no reliable source, but to make matters sure, bodies of troops were sent to different points in the district

rumor that this is soon to take place. The Fourth of July was celebrated at Charleston in fine style by the Army and Navy, and there were parades of the colored firemen and other colored associations, but the white natives did not take much part in the demonstrations. The appointment, by the President, of Mr. Benjamin F. Perry to be Provissional Govarnor of the State, gave general satisfaction to the people, and a meeting of the Charleston lawyers, to express their approbation, had been held. A company has been formed for the establish-

> Samrson.-The glory of a woman, like the strength of Sampson, lays very much in her luxuriant hair. To preserve this in all its glory, requires care, and the use of a carefully prepared and scientifically compounded vegetable wash, such as you have in Kendall's Amboline. It has no deleterious ingredient-it refreshes, strengthens and preserves the flowing tresses, and cannot be surpassed as an innocent and valuable preparation. The Amboline can be procured at any Druggists. 1e24-d3m

LET THOSE WHO HAVE DOUBTED the virtues of Bull's CEDRON BITTERS, if any such there be, read the following certificate frem gentlemen well known in this community, and doubt no more. Its general introduction into the army will save the res of thousands of our soldiers: Louisvilla, June 3d, 1963.

We, the undersigned, have seen the good effects of Dr. John Bull's Capaca Birrass in case of general debility and prostration of the system, and believe its general use would prevent disease and relieve much suffering. Among our soldiers particularly would this be the case, especially those who are exposed to the miasmatic influences in the Southern climate.
